**The Cattleman's Unforgettable Love** S J McCoy,2025-04-25 Ford MacFarland never planned on anything beyond the ranch While his brothers served overseas or

chased glory elsewhere Ford stayed behind choosing duty over adventure He's built a life rooted in responsibility steadfast solitary and predictable He's not a cowboy chasing dreams He's a cattleman who thought he knew what he wanted until he meets a woman who shows him there's a difference between being needed and being chosen Amelia's smart guarded and far too used to relying on herself She's in Montana working with Ford's brother Cash using her formidable cybersecurity skills to track people and untangle secrets She didn't come looking for love She's not the type to fall for a cattleman with rough hands and a steady heart but there's something about him that feels like safety and sparks all at once What starts as a cautious connection soon grows deeper but neither of them is ready for how fast life can change when the past comes calling Especially when that past doesn't just stir memories it rewrites the future Neither of them expected to find a connection that runs this deep or for the past to come knocking with a future they never saw coming But in the shadow of the mountains these two solitary souls may just discover that what they build together could be something unforgettable
