Wandering and Welcome Joseph Grant, 2019-10-30 Feeling unsettled or searching for peace Looking for a new way to find hope Every searching heart needs this book Times are difficult Joseph Grant s meditative delivery wraps his reader in hope tenderness and gratitude Wandering and Welcome is a beacon of poetic kindness rooted in honesty Scripture and truth You ll want to call loved ones and read pieces to them aloud Some pages will make you sigh in astonishment some will cause you to pause in revelation and others will bring tears of joy and appreciation If a book could be both giant reality check and tender hug all wrapped in one this would be it Amid the tumult of these frenzied times contemplative living does not propose an escape from our very real practical and sometimes intractable problems On the contrary it suggests a way of being still while still being in the storms that rage all around and within us Seasoned by tears of joy and lament prayer centered presence invites us to welcome the whole world by drawing it into our heart center Here theology mixes with theater and prophetic action with poetry as walls come tumbling down making way for wonder woe and well being from the introduction

Love, God Deborah J. Simmons-Roslak, Linda J. Orber, 2018-10-03 Take a Moment to Listen Come gentle child come rest in my heart for I am here deep within your own If you can still yourself just for a moment you can hear me whisper your name You can hear me

whisper the depth of my eternal love for you in this moment and always Let me quiet your frightened mind and hold your unsettled heart for I will give you peace the very moment you ask Let me fill your heart with my love and wrap my arms around you in absolute tenderness and grace In that moment you will know with certainty that I am forever with you Love God This book is an invitation to God's loving presence It is an invitation to deepen your relationship with God It includes a quote from a spiritual leader commentary a Bible quote and a guided meditation It also includes a moment to fully imagine God speaking directly to your own heart This gives you an invitation to learn to turn to his love and presence throughout the day and into the evening As you open your heart you will learn again and again that God is there with you You are never alone

He Holds My Hand Carol Kent, 2017-10-03 2018 Christian Book Award finalist Devotion and Gift category He Holds My Hand is a page per day 365 day devotional Based on Scripture this devotional is written as if God the Father is speaking His words of comfort and protection directly over you When Carol Kent's son was sentenced to life in prison without parole Carol was consumed with grief sadness and despair She was distraught wondering why God permitted this to happen She had prayed for her son since he was a small child He had been raised with biblical principles and daily prayer As Carol tried to make sense of everything she couldn't help asking Where's God when it hurts so much In the middle of her sorrow Carol turned to the place where she had always gone for comfort the Bible She was desperate to hear God's voice She soon discovered that the best way for her to listen to His voice was to meditate on Scripture and then write out what she believed He was saying She wrote it as if it was His prayer over her life and it comforted her It was as if He took her by the hand as a father would guide a child and He gently led her in the direction of unconditional love renewed hope and fresh faith Know without a doubt that God is with you and stands ready to protect and guide you He holds your hand and He won't let go Listen to God's voice and put your hand in His He is your Comforter your Healer your Teacher and your Joy Remember He holds your hand and He won't let go

Kindred Souls Ellie Wade, 2021-05-31 I used to wonder if soul mates existed I know now they're real Our love was true raw and deep our connection magical Every day with him was a gift and I knew it He was my forever yet our forever wasn't long enough Each second that passes without him hurts and maybe it always will They say that time heals all and I hope they're right

Clifford Cutler, 2010-01-21 Saint Paul s Church in Philadelphia where most of these sermons were given is reminiscent in architecture to those old pilgrimage churches of France with its rose window and gargoyles flying buttress and fl che that pierces the horizon of Chestnut Hill At one time the cross at the top of the fl che was the highest point in Philadelphia Coming to Saint Paul s brings one to a place of peace for me as one parishioner described it that helps me to try and work toward peace in the world An omen of peace for the parish is how our third rector described a gathering of clergy from North and South at Saint Paul s only six months after Lincoln s assassination Enemies just months prior they now stood before God at the altar of Saint Paul s A hundred years later in May of 1962 the parish established a memorial and planted a Red Oak on Rogation Day to honor Dag Hammarskj ld and all who died for world peace In a night of disunity and polarization that marks the opening of a third millennium the sermons and meditations in this book describe what is taking place beyond a flaring together that holds the brilliant prospect of peace This is the pilgrimage that is worth taking The Soul of an Educator David H. Maxwell, 2015-12-18 In 1 Corinthians 13 4 7 Love is defined This is a real applicable and genuine definition of love As a public school administrator I have learned that relationships are crucial for students to be successful in school especially for those students for whom school has been challenging If educators use love as the guiding force when teaching interacting working with and disciplining students that can often be the deciding factor that keeps a student returning to a school or engaged in a class The Soul of an Educator is intended for anyone who works with or comes into contact with children on a regular basis teachers counselors janitors custodians bus drivers administrators and parents This book explains how to use love when building relationships with students and the positive results that occur **ABC's for Bully Prevention, Simple as 1-2-3** Mark Johnson, 2014-12-20 Bullying and victimization are not new They have been around since the beginning of time ABC s for Bully Prevention Simple as 1 2 3 corresponds the letters of the alphabet to words that relate to victimization bullying and intervention The words are simple yet relevant a toolbox of different ideas and principles that can be used by all ages students teachers parents children preachers parishioners correctional workers law enforcement supervisors and employees to educate themselves and others The concepts challenge the reader to develop an out of the box perspective on how to approach bullying and reduce its negative effects The author s personal opinion is that children are not born to hate they are
