## Love Of Christ:

**Discovering the Glorious Love of Christ** John Durant, C. Matthew McMahon, 2021-03-15 Durant in this wonderful work on making a discovery of Christ's love to his people plumbs the depths of Christ's transcendent love from Ephesians 3:19. And to know the love of Christ which passeth knowledge that ye might be filled with all the fulness of God He will explain what it means that this love is transcendent. It is a preeminent and supreme love lying beyond the ordinary range of perception. Can such a study be accomplished adequately in light of Christ's infinite benevolence to his people? Durant will take a course to outline and explain four main parts to his overall subject demonstrating how the love of Christ passes knowledge as it 1 includes the truth and reality of Christ's love to the saints 2 As it concludes the height and royalty or transcendency of that love 3 As it holds out the apostle's desire that the Ephesians might know both And 4 As it contains the grounds of keeping up the Ephesian's hearts from fainting at Paul's tribulations which is the drift and scope that Paul strives for in them. In exploring this transcendent love of Christ to the soul he affirms that it is so high there is no reaching of it so deep that there is no sounding of it so long that it exceeds measuring and so broad that there is no comprehending it. Yet believers are beckoned to strive to understand to apprehend it in its communication to their heart, soul and mind. In fact when they have finished reading this work by Durant if they have soaked in even a measure of what he explains they will come away with being lovesick for the Savior.

**The Love of Christ** Richard Sibbes, 2022-11-21 The Puritan John Dod wrote that this book is so full of heavenly treasure and such lively expressions of the invaluable riches of the love of Christ that it kindles in the heart all heavenly affections unto Jesus Christ. Indeed it does. And that was very much what Richard Sibbes 1577-1635 was about in all his ministry. *The Love of Christ* is a series of sermons preached on Song of Solomon 4:16-6:3. For Sibbes this Bible book is nothing else but a plain demonstration and setting forth of the love of Christ to his church and of the love of the church to Christ. The Song of Solomon does not simply mouth a doctrine; its sensuous imagery sings its message. It is as if this love story is played on violins. The reader is thus brought not simply to understand but to taste and share the delights of the lovers. This is precisely what Christ's people need as Sibbes knew it is not enough to be aware of Christ's love; we must sense, grasp and enjoy it. Only then will we truly love the Lord our God with all our hearts. That is one reason why so many avoid books like this one: they want information and they want it fast. But Sibbes intends to affect you to hold your eyes on Jesus that you might develop a stronger appetite for him. Such work cannot be fast work but it is profoundly transforming.

*The True Christians Love to the Unseen Christ* Thomas Vincent, Rev. Terry Kulakowski, Editor, 2015-11-28 The essence of Christianity is love. God is love, said the Apostle John. Obedience to God's commands is nothing more than a manifestation of our love to God. The Ten Commandments show how we are to love God and one another. Love then is of the utmost importance in true biblical Christianity. In this book first written in the 17th century and out of print since 1812, Thomas Vincent known for his lectures on the Shorter Catechism of the Westminster Confession of Faith expounds 1 Peter 1:8 whom
