Locked in A Violent Embrace Zvi Eisikovits,Eli Buchbinder,2000-04-15 Representing an entirely new approach to domestic violence interventions this book is based on data accumulated by the authors over the past 12 years from a series of qualitative studies clinical practice with battered women and their batterers and as champions of the cause of battered women After 25 years practitioners in the field are starting to question the original models of intervention Both types of practitioners and settings for service are expanding rapidly The approach advocated in this book is likely to become an important part of a new wave of alternatives available to practitioners in the coming years This

accessible practical volume describes and analyzes the experience of violence in dyadic life by focussing on couples who choose to remain together in spite of violence while trying to make sense of a life in the shadow of pain guilt terror and humiliation

Barriers to Loving Stephen B. Levine, 2013-10-23 Barriers to Loving is an intriguing exploration of the role of sexual love over the course of life Beginning with the mental health professions avoidance of the topic Levine proposes a compendium of love s pathologies by reorganizing what is familiar to clinicians into the barriers that limit the formation of adult adult love impediments that diminish a partner s lovability and the impediments to feeling and expressing love for a partner Before reviewing scientific contributions to the understanding of love he explores the topics of sexual excess and infidelity and how they relate to the aspiration to love and be loved The final two chapters synthesize with clarity what to teach about love to young professionals in order to prepare them for the complexities they will soon encounter and provide a sophisticated answer to the question What is love Barriers to Loving integrates humanism science and clinical experience in Levine s long appreciated unique and mature voice

Making of a Monarch Peter Bailey, 2020-06-09 Remember when you first accepted Jesus Christ work into your life You felt loved accepted and favoured by God But did those feelings last Often they don t This book will give you a fresh understanding of Salvation of Christ and His cross and will restore your passion to know more of Christ and all that Jesus won for you Salvation may appear complicated In truth it s amazingly simple Consider the Monarch butterfly Nature foreshadows the cross in its chrysalis From a worm nature fashions a new creation finished perfect Nothing more to add God did the same for mankind All were crucified in Christ on His cross He blessed us with all we need to be like Him Now Jesus sees you as perfect righteous totally forgiven free of guilt and condemnation and much more This is the GOOD NEWS of the Gospel But if Christ did all this what do I do Jesus told us Man s greatest work is to BELIEVE in Jesus work on the cross This study will show all He won for us and the purpose for the crossto indwell believers It cost Jesus everything to be in us it will cost you everything to be in Him Christ in you will finish all He accomplished at the cross a likeness of Himself in you Monarch butterflies are areal wonders of the sky we as believers with Christ in us are wonders of the Father s Kingdom soaring as new creations in Christ on wings of His grace Change is man s ordained destiny Believing is the key that turns redemption s lock The more we are drawn to partner with Jesus and to others in Christ s Body the greater the change will be in us and the world

Familicidal Hearts Neil Websdale, 2013-06-20 Oscar physically and sexually abusive stabbed his partner and two stepdaughters to death buried the bodies and fled the state with his two younger children Paul a respected investment banker donned a Halloween mask and shot his wife and two children before turning the gun on himself What drives individuals as different as Oscar and Paul to kill their families Why does familicide appear to be on the rise In Familicidal Hearts award winning author and sociologist Neil Websdale uncovers the stories behind 196 male and 15 female perpetrators of this shocking offense situating their emotional styles on a continuum from the livid coercive to the civil reputable With highly detailed and riveting case studies Websdale explores the pivotal roles of shame rage fear

anxiety and depression in the lives and crimes of the killers His analysis demonstrates how internal emotional conflict against a backdrop of societal pressures is at the root of familicide challenging the widely accepted argument that murderers kill family members to assert power and control Websdale contends instead that most perpetrators struggle with intense shame many sensing that they failed to live up to the demands of modern gender prescriptions as fathers and lovers wives and mothers What emerges is a compelling theory about the haunting effects of modern emotional struggles on perpetrators controlling and upstanding alike Captivatingly written and expertly researched this provocative book weaves a gripping tale of modern era haunted hearts Blending the social the historical and the emotional into a new way of making sense of a horrific crime Familicidal Hearts is a provocative meditation on gender roles social forces and modern life itself
