Love Re Membered Resources For A House Eucharist:

Love Re-membered Jim Cotter, 1996 *Memory and Liturgy* Peter Atkins, 2019-01-15 Memory is a major factor in the composition and practice of liturgy Recent research into how the brain and memory function points the way to how liturgy can best meet the needs of worshippers In *Memory and Liturgy* Peter Atkins draws on the fruits of his research into the process of the brain and our memory and applies it to liturgical worship His extensive experience in writing and using liturgy keeps this book rooted in reality In its ten chapters the author applies the functioning of the brain and the memory to our remembrance of God in worship God's memory of us through Baptism our remembrance of Jesus Christ in the Eucharist the corporate memory of the community created through worship the healing of memories of sin and pain through forgiveness three aids to help us worship the process of continuity and change in liturgy and the connection between memory imagination and hope The conclusion summarizes the main practical issues This provides a check list for those serving on Liturgical Commissions and those involved in the teaching of the practice of liturgy This book is a positive contribution to the ongoing search for suitable liturgical worship and music for the 21st century Unfolding the Living Word Jim Cotter, 2012-11-01 Within the Common Worship order for Holy Communion there is a core of texts and material which must be said or done in order that the service can be recognized as authentic However there are other variants which may be used This book provides new alternative texts for those variable points in the liturgy to refresh the celebration of Holy Communion For each Sunday of Years A B C there are new liturgical texts for the Kyrie eleison the psalm the acclamation that introduces the Gospel of the day and an additional collect which could be used at the end of the sermon or after the distribution of communion Very few writers have the poetic sensibility and ability to take ordinary language and imagery and create prayers and responses of beauty and depth Rooted in the tradition of scriptural imagery and metaphor for speaking of God Jim Cotter's poetic richness will enlarge our imagination and capacity for worship **The British National Bibliography** Arthur James Wells, 2005 *Recovering the Love Feast* Paul Fike Stutzman, 2011-01-01 What is a Love Feast How did the early church celebrate the Love Feast How might Christians today celebrate the Love Feast In *Recovering the Love Feast* Paul Stutzman addresses these questions offering a unique blend of liturgical history and practical theology Part I outlines the history of the Love Feast noting its prevalence in early church worship its gradual decline and its reemergence in the practices of several Pietist groups e.g. the Moravians Methodists and Brethren Particular focus is given to five elements of the celebration that is eucharistic preparation footwashing the fellowship meal the holy kiss and the Eucharist proper In Part II Stutzman argues that the Love Feast is a valuable Christian practice and a celebration worth recovering in those traditions that may have forgotten the feast Rather than prescribing a specific method for celebrating the Love Feast Stutzman proposes that there are five key disciplines that today's Love Feasts should embody submission love confession reconciliation and thanksgiving This book encourages Christians from a range of traditions to experiment with reclaiming the Love Feast

with the hope that each celebration serves as an act of worship to God and an authentic expression of Christian discipleship
