Film and Sexual Politics Kylo-Patrick R. Hart, 2009-01-14 Film and Sexual Politics A Critical Reader features a variety of noteworthy critical essays that explore the evolution representation and social construction of sex gender and sexual orientation from the early days of cinema to the early twenty first century This collection investigates the complex relations between film form style and sexual politics past and present as well as the ideological and social ramifications of those relations for the lived realities of individuals in the United States over the course of the twentieth century and beyond Contrary to popular perceptions of films as relatively simplistic forms of entertainment the essays in this collection demonstrate clearly how the act of producing meaning through the use of cinematic verbal and visual signs is far from a simple process with negligible historical consequences This book offers insightful and satisfying reading to established and emerging scholars who explore film history theory and criticism as well as to all readers with a general interest in film history and the effects of cinema on individuals and popular culture The range of films analyzed includes Being John Malkovich Citizen Kane Elizabeth Female Perversions From Here to Eternity Gidget The Incredible Shrinking Man Jackass the Movie The Matrix Maurice My Own Private Idaho Porcile The Road to Ruin and Wilde

Cohesive Story Building Karen Wiesner,2015-11-12 Without layering a story is one dimensional unbelievable boring Layers mean stronger characters settings plots suspense intrigue emotions and motivation Layering also produces cohesion of all elements Characters must blend naturally with the setting the writer has placed them just as plot becomes an organic part of character and setting If a story doesn t work it could very well be because the elements aren t cohesive Cohesive Story Building shows how each element hinges on the other two and how to mix them until they fuse irrevocably Additionally Cohesive Story Building carefully explores each stage of story development from brainstorming and outlining to drafting and revision From a thorough look at the fundamentals of writing to comprehensive story building techniques as well as submission guidelines and etiquette this must have guide will see writers through the entire book writing process from start to finish Set within the framework of comparing the process of building a house to the process of building a story Cohesive Story Building gives a solid plan of action from start to finish through in depth examples and exercises and leave no stone unturned checklists that will help writers take the plan into their own writing Features detailed examples from published books to illustrate story building principles Those who have read Karen S Wiesner s reference First Draft Outline which focuses on in depth outlining and goal setting will find Cohesive Story Building a perfect companion to that book

A Thousand Miles Bridget Morrissey,2022-06-21 After a decade of silence Dee and Ben reunite for a road trip they once promised to take It s going to be a bumpy ride Dee Matthews is the cohost of the smash hit podcast Did I Forget To Tell You where she interviews family friends and past lovers Nothing is off limits except for one man known on the show only as Name Redacted who happens to be her high school best friend Ben During their senior year spring break Dee and Ben took a road trip to visit Ben s grandma They buried a time capsule in her backyard pledging to return in ten years to open it Then their friendship fell apart in spectacular fashion They haven t spoken to each other since Ben Porter s life since that moment has been unexciting but comfortable until his grandma reveals a family secret that flips his whole world upside down Her dying wish is for him to stop doing what is safest and go after what he really wants He starts by showing up on Dee s doorstep with every intention of fulfilling their long ago promise Despite her reservations Dee can t say no This trip could be her chance to give her listeners

the Name Redacted interview they've been begging for and finally put her unresolved feelings for Ben to rest As the miles fly by Dee and Ben's friendship reignites But the closer they get to reaching their destination the more apparent it becomes that their attraction to each other cannot be ignored Their last adventure ended in disaster and they're about to find out if any hope of a future together is in the rear view mirror *Cinema, Transnationalism, and Colonial India* Babli Sinha, 2013-07-18

Through the lens of cinema this book explores the ways in which the United States Britain and India impacted each other politically culturally and ideologically It argues that American films of the 1920s posited alternative notions of whiteness and the West to that of Britain which stood for democracy and social mobility even at a time of virulent racism The book examines the impact that the American cinema has on Indian filmmakers of the period who were integrating its conventions with indigenous artistic traditions to articulate an Indian modernity It considers the way American films in the 1920s presented an orientalist fantasy of Asia which occluded the harsh realities of anti Asian sentiment and legislation in the period as well as the exciting engagement of anti imperial activists who sought to use the United States as the base of a transnational network The book goes on to analyse the American empire films of the 1930s which adapted British narratives of empire to represent the United States as a new global paradigm Presenting close readings of films literature and art from the era the book engages cinema studies with theories of post colonialism and transnationalism and provides a novel approach to the study of Indian cinema *Burnin' for You* Jamie Lynn Miller, 2014-04-11
