Don't Let a Break-Up Break You Down Cassandra Mack, 2018-03-04 Breaking up sucks Your ex dumped you You cut him off You both agreed to go your separate ways even though you really didn t want to When it s all said and done it doesn t even matter The feelings that follow are basically the same You can t stop crying You can t stop thinking about him And you can t stop wondering Where did we go wrong One minute you hate him The next minute you miss him desperately The days drag on and the nights are absolutely torturous You find yourself waiting by the phone hoping he calls With the compulsion of a telemarketer you check your email hoping he reaches out to say how sorry he is and that letting you go was all a big mistake Lately you don t know whether you re coming or going You re angry depressed and confused all at the same time And you re starting to wonder if you ll ever feel happy again Every love song reminds you of him Every romantic movie reinforces how lonely you feel Your heart is aching Your head is spinning And every fiber of your being longs to be with him again No matter how much you tell yourself that you need to move on you just can t seem to pull yourself out of this slump Your friends are tired of hearing about him Between your play by play relationship reruns and your never ending phone rants that begin and end with Do you think he still cares You are driving your friends completely nuts Deep down you know you need to move on But you just can t find the wherewithal to get on with your life And nowadays with the advent of Facebook and Twitter getting over a break up is increasingly hard to do This is where *Don t Let A Break Up Break You Down* comes in It s a break up survival guide designed to help you get through your break up with your self respect and dignity intact because as sad and as bad as you feel right now this break up doesn t have to break you down The hard cold truth is as sad as you feel right now surviving a break up has more to do with your mindset and willingness to move forward than it has to do with your mood and emotions In no way am I downplaying your break up because the pain that comes with the end of a relationship hurts like hell no matter who ended it Be that as it may the longer you hold on to an ex who doesn t want to be with you or who is unwilling or unable to give you what you need the more you prolong your heartbreak and keep yourself trapped in relationship purgatory So why not get in the driver s seat of your break up by turning your break up into a break over After all a smart girl like you doesn t want to waste a whole lot of time moping over a guy who has chosen to call it quits or who has treated you so poorly that he s left you with no alternative than to kick his sorry ass to the curb With that said here s what s going to happen in this book you ll receive my break up survival rules which are bite sized strategies designed to help you do three things put your situation into perspective refuse to get trapped in relationship purgatory and take proactive steps to move forward Also included are the Crazy Pages which are blank pages specifically designed for you to put the crazy

on paper so that you don't bring your crazy onto the job out in cyberspace or on your ex's front lawn. Let me be clear here: Reading this book does not mean that you won't miss your ex, have occasional crying spells or that you won't feel sad and lonely sometimes. You will. Not only that, you will still go through the gamut of emotions that come with the end of a relationship. The difference is you will go through with a survival guide that will help you get to the other side. Here's the other piece: even if you feel a little sad initially, what will happen over time is day by day you will start to feel better. What's more, you will fast forward the healing process. You will also come to realize that you have the strength to move on and become hopeful about your future.

How to Survive a Breakup Marco Cantoni, 2015-06-01. As long as there are romantic relationships in this world, there will be breakups. In our all-consuming quest to find the right person to love and spend our lives with, it's inevitable that we'll have to deal with breakups along the way. It is but a natural part of the process of finding the perfect partner that you will encounter people who you think will be with you forever, only to find later that that is not the case. This book will teach you how to survive the painful experience of walking away from a person you have come to depend on and ending a relationship you have learned to love. Breaking up is hard to do, so goes a popular song, but for some people, surviving the parting of ways is even harder, and knowing how to handle this situation may spell the difference between getting back on track and not getting up at all. So if you're ready to pull yourself together and move on with your life in a positive direction, then let's get started.

A Guide Through Breaking Up Without Heartbreak Christopher Walker, 2008-10. Christopher Walker has employed Eastern arts tools for years, embracing the impermanence of life and helping people learn to naturally heal themselves from the stress and emotional turmoil experienced at the end of an intimate personal relationship. Founder of Innerwealth Consulting, Walker has coached thousands of individuals to evolve and grow using the universal laws of nature. The ancient laws of nature tap the deepest core of an individual's humanity, dealing with emotional attachments, heartbreak, and complex human dynamics. The laws recognize three levels of human mind: the lower mind, which is guided by material attachments; the middle mind, which is guided by emotions; and the higher mind, which is

guided by the experience of the journey and cares nothing of the outcome The ancient laws provide guidance regarding how to work with all three levels of mind to achieve harmony Breaking Up Using the Laws of Nature to Learn How to Let Go applies ancient wisdom to modern times to help one manage the end of a relationship to let go through the challenge of emotional and physical separation to move forward in life with love and passion and to maintain respect for everyone involved
