Each story offers a unique perspective on these timeless themes weaving together elements of romance adventure and self discovery to create memorable and impactful narratives **Dark Way to Paradise** Jennifer Doane Upton, 2004 Dante's Inferno is often presented today in lurid gothic terms as if it were no more than an entertaining demonic freak show. Alternately it is taken as merely a cultural and political commentary on Dante's own place and time cast in allegorical terms. But the Inferno and the Divine Comedy as a whole are much more than that. The human passions and the Mystery of Iniquity of which they are expressions are fundamentally the same in any place and time. The Inferno presents not so much a history of sin as a catalogue of the archetypes of sin the fundamental ways in which all of us are tempted to betray the human form. Based on the works of a number of the Greek Fathers on the writings of several members of the Traditionalist School notably Frithjof Schuon and Ren Gu non and on the kind of wide personal experience of the violation of the human form that is available to anyone in these times with both the requisite discernment rooted in love and the courage to keep his or her eyes open Jennifer Doane Upton has once again seen Dante's Inferno as it really is. It is the record of the struggle of the human mind will and emotions to discover and name by the grace of God the sins resident in the human soul. As both a traditional re presentation and a contemporary revisioning of the examination of conscience individual and collective Dark Way to Paradise is at once an exegetical masterpiece and a handbook of

demonology of concrete use to any true physician of the soul In its direct application of metaphysical principles to infernal psychology it is unique among Dante commentaries And in a time like ours when the Western Church appears to be dissolving before our eyes to save again what Dante himself saved out of the great medieval Christian synthesis has never been so timely *Uncreated Timeless Self of Radiant Emptiness* Martin Treon, 2009 Buy on sale at [www bookfinder com](http://www.bookfinder.com) for 15 95 If you are interested in transcendental Enlightenment in Sahaja Samadhi Satori or Nirvana in Awakening to Nondual Self of Wisdom and Compassion in the co enacted worldspace of Nondual Spirit as Sprit Consciousness Realization then you ll be interested in this book entitled *Uncreated Timeless Self of Radiant Emptiness Onliness Consciousness and Commentaries* by Martin Treon Ph D Available at [www bookfinder com](http://www.bookfinder.com) for 15 95 This new book which includes and integrates pre modern modern and post modern insights is not about any particular established religious tradition or sect is not about a new age superstition based idea or trend and is not about an ego based self awareness or self improvement program Rather it deals with transformational Realization of that transcendent Self that You always already are which is All and None Each and Every Here and Now Order it online at [www amazon com](http://www.amazon.com) or [www bookfinder com](http://www.bookfinder.com) 15 95 at this site [buy com](http://buy.com) [borders com](http://borders.com) [bn com](http://bn.com) [A1books com](http://A1books.com) [half com](http://half.com) [abebooks com](http://abebooks.com) [albris com](http://albris.com) [valorebooks com](http://valorebooks.com) [biblio com](http://biblio.com) [www xlibris com](http://www.xlibris.com) 19 99 or email [Orders Xlibris com](mailto:Orders@Xlibris.com) or call Xlibris at 1 888 795 4274 This book is written for individuals interested in transformational transcendent spiritual development insight and understanding Part II of this book also includes 64 Tao of Onliness I Ching commentaries one for each of the 64 hexagrams of the I Ching These are intended for use by individuals for Tao of Onliness I Ching consultation Following are excerpts from this book that characterize its content and perspective From Onliness perspective I Ching consultation is an early stage form of quiet and solitary meditation contemplation Enacted in this way it can be a means of viewing and better understanding your own intuitive Awareness and Experience There is nothing magical about it it is not a fortune teller game i e I Ching can not tell you what will happen in the future but sometimes suggests what potentially under certain circumstances could or may happen at some future time Approached in a peaceful non attached unbiased and open state of mind I Ching consultation can help you to see into the deeper nature of your own Consciousness Tao of Onliness conception is primarily rooted in Mahayana Buddhism especially Zen Buddhism and Taoism with substantial contribution to its formulation and structure based on consultation of the I Ching However Onliness also attempts to honor and include expressions of the mystical and transcendental Wisdom and Compassion from all of the widely recognized major spiritual religious traditions of the world Onliness Consciousness concerns the Self of no self this Being that is all beings There is here no claim that Onliness theory and perspective is in any sense absolute ultimate eternal or universal in any pre given sense The co constructed worldspace realm waves of consciousness discussed in Onliness are developmental and evolutionary in nature not pre created pre given pre designed or pre ordained Rather Onliness claims that the co created and co enacted unfolding of these realm waves of Spirit s transcendent Self remembering Consciousness
