To provide a clearer understanding of the Shroud messages some thoughts and philosophies prominent figures from the worlds of science and the arts have also been included in this book The overlap between the worldviews of these individuals and the texts from the German mystics makes clear that even for such noted individuals as Goethe Planck Einstein and Heisenberg nothing that exists on earth in the microcosm or in the universe would be conceivable in the absence of a Creator Spirit Life itself is dim and only the power to create symbols and to understand them turns us from living beings into human beings Werner Heisenberg
