Loving God And Disturbing Men:

Loving God and Disturbing Men Donald A. Leggett, 2003 Loving God and Disturbing Men is an excellent resource for preachers and teachers that provides a balance between technical scholarly commentaries and popular devotional works Its unique strength lies in the author s ability to show the relevance of the prophets for the contemporary church and its ministry Readers will appreciate the detailed scholarly treatment of the prophetic literature the author provides But equally important the author demonstrates that what the prophets said about God evil repentance history social justice and eschatology has the ring of immediacy for us Moreover the study is helpful in treating the lives of the prophets as models of spirituality in prayer suffering and preaching While the book is primarily for those who preach from the prophets it is suitable for a much wider audience A book on preaching from the prophets is desperately needed today by the Christian audience if we are to be faithful in declaring the whole counsel of God to our contemporary generation Professor Donald Leggett is to be commended on his desire to aid the Christian community and its proclaimers in advancing this cause It is a pleasure to commend this work Walter C Kaiser Jr Here is a pump primer and launch pad for preachers Dr Leggett s aim is to show us the wisdom of the prophets in a way that will excite us and enable us to share what we have seen I appreciate this book for I think it will do its job And the job is an important one J I Packer Donald A Leggett Th D Free University Amsterdam is Professor Emeritus of Old Testament at Tyndale University College and Seminary in Toronto Ontario For 25 years he also served as a pastor and elder at Village Green Baptist Church in London Ontario

God's Good Man; A Simple Love Story Marie Corelli, 2023-01-15 Reproduction of the original Will Campbell, Preacher Man Kyle Childress, Rodney Wallace Kennedy, 2016-08-04 This collection of essays and sermons by Rodney Kennedy and Kyle Childress is focused on honoring the memory of Will Campbell the prophet from the South who made a vocation of destroying sacred cows The essays and sermons attempt to be true to the spirit of Will Campbell s devotion to the gospel above all else It should not be surprising that the essays and sermons are about the business of deconstructing more sacred cows while lifting up the truth claims of the gospel Light for the Million.
