Loving A Passionate God:

The Passionate God Rosemary Haughton, 1981 The Love of God John C. Peckham, 2015-07-28 Theology has constantly wrestled with the nature of God's love and what it means for how God relates to the world. In this comprehensive canonical theology of divine love, John C. Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness.

Loving God Mike Bickle, 2007 This daily inspirational devotional is created from excerpts of four of Bickle's best loved books: *Passion for Jesus*, *After God's Own Heart*, *The Pleasures of Loving God*, and *Growing in the Prophetic*. Each day provides a Scripture verse, an inspirational reading, and a prayer starter. Loving God will help readers to understand the depth of God's love for them, moving them into a deeper, more intimate relationship with Him. These daily love notes from God to the reader, written in Bickle's warm, passionate style, are treasures to encourage every reader's daily life.

Passion for God Jürgen Moltmann, Elisabeth Moltmann-Wendel, 2003-01-01 Comprised of four lectures and two sermons, *Passion for God* provides a unique look into the theological perspectives of renowned theologians Jürgen Moltmann and Elisabeth Moltmann-Wendel, each a preeminent figure in the proliferation of contemporary theology in the twentieth century.

No Greater Love A.W. Tozer, 2020-01-21 God came in the flesh to show us what love looks like. To truly see the dynamics of this love, we must take a close look at Jesus's relationships while he was here on earth. How he loved then is how he loves now, and how he loves now is how we as believers are to love. *No Greater Love* is a study of Jesus's interactions with people throughout the book of John, including Nicodemus, the woman at the well, and even the Pharisees. What did this love look like in action, especially with those who are hard to love? As it turns out, he didn't love people because they deserved it; he loved them because he is love. With the great tragedies in our culture today, there is a need for this Jesus love that's available to all believers. May this book help you better know his love for you, which in the end will lead you to becoming more like him.

Deep Preaching J. Kent Edwards, 2009-08-01 J. Kent Edwards recalls a story that late pastor J. Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds. The precious stones were being handled with no regard for their true worth. Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process. *Deep Preaching* is his call to rethink preaching. Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers. He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table. He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows. He urges them to preach deep sermons rather than superficial ones, moving beyond the yawn-inspiring to the awe-inspiring, from the trite to the transforming.

The Magnificent Goodness of God and How It Will Transform Your Life Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible, but

our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully

The Passion of God Warren McWilliams,1985-06 The Abingdon Introduction to the Bible Joel S. Kaminsky,Joel N. Lohr,Mark Reasoner,2014 The Bible enduring truths lasting influence complex relationships and relevant approaches for living The Hebrew Bible for Beginners Dr. Joel N. Lohr,Dr. Joel S. Kaminsky,2015-09-15 Jews call the Hebrew Scriptures the Tanakh and Christians call them the Old Testament It doesn't take long to see that Jews and Christians view the same set of books differently and interpret these scriptures in unique and at times conflicting ways The Hebrew Bible for Beginners introduces students to the tremendous influence the Hebrew Bible has had on western society for over two millennia and explores the complexities of reading ancient religious literature today The book also addresses how certain modern critical approaches may initially be alarming indeed even shocking to those who have not been exposed to them but it tackles the conversation in a respectful fashion Avoiding jargon and convoluted prose this highly accessible volume provides textboxes charts a timeline a glossary and regularly includes artistic renderings of biblical scenes to keep lay and beginning readers engaged **Lift Up Your Hearts** James A. Wallace,Robert P. Waznak,Guerric DeBona,2006 This homiletics team concludes their series with homilies reflections for Cycle C At the end of each homily are two sets of questions one for the general reader for private or group reflection and one specifically for preachers that suggests other directions for preaching

Stories of Desire and Narratives of Faith Victor Hunter,Lanny Hunter,2019-04-02 Stories are the foundation for identity and the ground of understanding Stories of Desire and Narratives of Faith addresses humankind's search for identity and meaning through the stories of science and religion Both arose in the mists of history Both are awe inspiring Both beggar the imagination Both have always competed for authority Science gained preeminence in our postmodern pluralistic globalized world as evidenced based while religion for many reasons lost credibility Yet religion has not disappeared Stories is a concise engaging inspiring accessible account of the history of science geological and biological evolution perceived through

increasingly sophisticated technology and the history of nine text based world religions of antiquity Stories avoids insider language democratizing both God talk and scientific jargon without patronizing either There is no attempt to identify the best or truest religion and Stories disavows dogmatic religious triumphalism The authors do follow the tradition of giving an account of their Christian faith the only religious story with which they have experience They invite others to do the same paying attention to their own stories as they grapple with modern science do theology and engage faith Stories proposes how and in what manner these disciplines can meaningfully converse in today s world Purifying the Prophetic R. Loren Sandford,2005-10-01 The western Church has an unhealthy force in her midst warns prophetic pastor Loren Sandford It is a consuming focus on self and it is eroding ministry and blocking revival Sandford speaks to the growing undercurrent of hunger for what is truly authentic He explains the critical need for sacrifice and challenges the church to return to the cleansing power of Jesus blood Readers who long for a return to true faith and genuine prophecy will find their spirits refreshed by this message and see new power and life in ministry Anyone with a heart for prophecy intercession and revival will answer this call to recover biblical focus and rediscover biblical levels of Holy Spirit manifestation The Way of Jesus Christ Jürgen Moltmann,1995-08-21 The Way of Jesus Christ discusses the following topics 1 The symbol of the way embodies the aspect of process and brings out christology s alignment towards its goal This symbol can comprehend Christ s way from his birth in the Spirit and his baptism in the Spirit to his self surrender on Golgotha It also makes it possible to understand the path of Christ as the way leading from his resurrection to his parousia the way he takes in the Spirit to Israel to the nations and into the breadth and depth of the cosmos 2 The symbol of the way makes us aware that every human christology is historically conditioned and limited Every human christology is a christology of the way not yet a christology of the home country a christology of faith not yet a christology of sight So christology is no more than the beginning of eschatology and eschatology as the Christian faith understands it is always the consummation of christology 3 Finally but not least important every way is an invitation A way is something to be followed The way of Jesus Christ is not merely a christological category It is an ethical category too Anyone who enters upon Christ s way will discover who Jesus really is and anyone who really believes in Jesus and the Christ of God will follow him along the way he himself took Christology and christopraxis find one another in the full and completed knowledge of Christ This christology links dogmatics and ethics in closer detail than in the previous volumes J. S. Bach's Johannine Theology Eric Chafe,2014-04 Bach s Johannine Theology The St John Passion and the Cantatas for Spring 1725 is a fertile examination of this group of fourteen surviving liturgical works Renowned Bach scholar Eric Chafe begins his investigation into Bach s theology with the composer s St John Passion concentrating on its first and last versions Beyond providing a uniquely detailed assessment of the passion Bach s Johannine Theology is the first work to take the work beyond the scope of an isolated study considering its meaning from a variety of musical and historical standpoints Chafe thereby uncovers a range of theological implications underlying Bach s creative approach itself Building

considerably on his previous work Chafe here expands his methodological approach to Bach's vocal music by arguing for a multi-layered approach to religion in Bach's compositional process Chafe bases this approach primarily on two aspects of Bach's theology first the specific features of Johannine theology which contrast with the more narrative approach found in the Synoptic Gospels Matthew Mark Luke and second contemporary homiletic and devotional writings material that is not otherwise easily accessible and less so in English translation Bach's Johannine Theology provides an unprecedented enlightening exploration of the theological and liturgical contexts within which this music was first heard

Is the Future Set in Stone? Troy J. Edwards, 2019-05-15 God knows all things and there is nothing that is hidden from Him Therefore if the future is already in existence and is a settled reality then there is no doubt that God knows it exhaustively Yet what if the future does not exist as the past did and the present currently does Is it necessary for an omniscient God to have exhaustive knowledge of a non-existent entity In his book *Is the Future Set in Stone* Pastor Troy J Edwards presents a thorough examination of the Scriptures revealing the fact that the future is NOT in existence until it happens This truth is important to understanding why God is by no means responsible for the fall of devils men and the horrendous evil on the earth You will also see how God works with His free will creatures to shape the future and bring it about

Chaos to Calm Lisa S. Arnold, 2016-03-08 *Chaos to Calm* Fulfilling Life's Purpose Through Worship is a guiding light for those who are searching and disillusioned in their lack of fulfillment and purpose in life It seeks to lead the discontented dissatisfied and unfulfilled down the only life fulfilling passageway A passageway leading to the only true Light and Giver of contentment and purpose Jesus Christ the One our hearts were created to worship Before true worship can occur we must first understand what worship is and to whom it is to be offered Worship is not exclusively a Sunday morning activity True worship encompasses every aspect of our lives work play and church Everything we say and do every minute of every day is to be offered as our worship We must also realize that we do not come before a gentle Shepherd but before the mighty terrifying King of Ezekiel and Revelation As we see Jesus for who He truly is we will then begin to walk in the fear of the Lord Only as we see Jesus in His rightful state and walk in the fear of the Lord will we be able to express true worship and experience the fulfillment and purpose our hearts desire For the believer who in the midst of all his service and church related activities can find no relief from the discontentment of life *Chaos to Calm* offers enlightenment in the knowledge that true contentment will never be ours until we fill the emptiness of our lives with Jesus Christ Through Him alone were we created to be satisfied Through Him alone all worship belongs

A Dangerous Grace Read I. Myers, 2003-09 **Christianity and Earthkeeping** Ernst Marais Conradie, 2011-04-01 Why should Christians engage in earthkeeping as Christians and from within Christian communities What is the underlying theological rationale for that In this book some 19 reasons why Christians may be encouraged to engage in earthkeeping are identified juxtaposed and assessed in order to call for clarity to invite discussion and to elicit creative tensions No single position is advocated it would be helpful if Christians could engage in earthkeeping on the basis

of any of these motivations *Sensing the Spirit* Judith A. Merkle, 2023-06-15 Drawing on the work of Canadian philosopher Charles Taylor this book examines how secular culture affects both the living of Christian discipleship today and impacts how religious congregations engage in their own renewal and future It argues that religious communities can do more than improve and fix the out of date conditions they met in the renewal after Vatican II Calling on environmental sociological and theological insights this book asks how the ongoing coming of the Kingdom in the Spirit brings new gifts for these times and how congregations might respond beyond restorative or post Christian solutions to new challenges confronting them This book offers a renewed meaning of religious life in secular life and the gift it offers and receives from every culture in which it is embedded
