**Angelic Wisdom Concerning the Divine Love and the Divine Wisdom** Emanuel Swedenborg, 2019-11-26 In *Angelic Wisdom Concerning the Divine Love and the Divine Wisdom* Emanuel Swedenborg intricately explores the foundational concepts of divine love and wisdom as central tenets of spiritual reality Through a

distinct blending of metaphysical reasoning and personal revelation Swedenborg employs an allegorical and didactic literary style that invites readers into a profound examination of the interconnection between God's love, intelligence and the functioning of the universe. Contextually situated within the Enlightenment and drawing upon the theological frameworks of Christianity, this work serves as a pivotal exploration of the nature of God and humanity's relationship to divine principles. Emanuel Swedenborg (1688-1772), a Swedish scientist, philosopher and theologian, was profoundly influenced by his extensive studies in natural sciences and mechanics. His spiritual awakening led him to experience visions and intellectual revelations that compelled him to delve into the spiritual realm, a journey that is vividly reflected in his writings. Swedenborg's unique combination of empirical logic and mystical insight sets him apart as a remarkable figure in both Enlightenment thought and Christian mysticism. **Angelic Wisdom Concerning the Divine Love and the Divine Wisdom** is highly recommended for readers seeking a deeper understanding of spiritual philosophy and the interplay between love and wisdom. This text not only challenges conventional theological views but also offers a transformative examination of one's personal spiritual journey and connection to the divine.
