Loving Julia:

Loving Julia Karen Robards, 2001-03-15 You'll have to learn to speak to dress to conduct yourself as a lady Sebastian the Earl of Moorland icily intoned his orders to the cockney commoner who eyed him defiantly Fate had brought the saucy Jewel Combs far from her shivering dockside existence to the mansion on Grosvenor Square Now she was about to be renamed Julia Stratham in the Earl's outlandish stand against his domineering mother His plan to transform this diamond in the rough into a glittering gem worthy of the family name But even as Jewel is swept up in all there is to know and the critical gaze of her handsome patron she unknowingly imparts a few lessons of her own The Earl of Moorland is about to learn that although his Julia is no lady she is all woman and one with whom he can't resist falling madly unexpectedly and passionately in love
