Ferris Greenslet, 1947 Bear Flag and Bay State in the Civil War Thomas E. Parson, 2024-12-06 The Second Massachusetts Cavalry included the only organized group 5 companies totaling 504 men from California to fight in the east during the Civil War Led by a young Boston aristocrat Colonel Charles R Lowell these men began their wartime careers in Northern Virginia in 1862 clashing with the partisan rangers of Major John S Mosby in a deadly world of guerrilla warfare In August of 1864 the regiment was assigned to Major General Phil Sheridan's Army of Shenandoah and served through all of the battles in the victorious campaign to clear the valley of Confederates witnessing the final surrender at Appomattox Courthouse This account tells what these men from California and Massachusetts accomplished how they communicated and how they viewed themselves The book contains three appendices that list the battle casualties of the regiment during its largest engagements Photographs and a bibliography are also included The Lowells of Massachusetts Nina Sankovitch, 2024-06-04 A stirring saga of a New England family Sankovitch has made a compelling contribution to Massachusetts and American history Roger Lowenstein The Wall Street Journal The Lowells of Massachusetts were a remarkable family They were settlers in the New World in the 1600s revolutionaries creating a new nation in the 1700s merchants and manufacturers building prosperity in the 1800s and scientists and artists flourishing in the 1900s For the first time Nina Sankovitch tells the story of this fascinating and powerful dynasty in The Lowells of Massachusetts Though not without scoundrels and certainly no strangers to controversy the family boasted some of the most astonishing individuals in America's history Percival Lowell the patriarch who arrived in America in the seventeenth century to plant the roots of the family tree Reverend John Lowell the preacher Judge John Lowell a member of the Continental Congress Francis Cabot Lowell manufacturer and some say founder of the Industrial Revolution in the US James Russell Lowell American Romantic poet Lawrence Lowell one of Harvard's longest serving and most controversial presidents and Amy Lowell the twentieth century poet who lived openly in a Boston Marriage with the actress Ada Dwyer Russell The Lowells realized the promise of America as the land of opportunity by uniting Puritan values of hard work community service and individual responsibility with a deep seated optimism that became a well known family trait Long before the Kennedys put their stamp on Massachusetts the Lowells claimed the bedrock By the final pages of this volume one feels deeply attached to the individual Lowells while also exhilarated at having experienced this grand sweep of American history Charlotte Gordon The Washington Post The Life and Times of Francis Cabot Lowell, 1775-1817 Chaim M. Rosenberg, 2010-12-16 After the Revolutionary War despite political independence the United States still relied on other countries for manufactured goods Francis Cabot Lowell was one of the principal investors in building the

India Wharf and the shops and warehouses close to Boston harbor His work was instrumental in establishing domestic

industry for the United States and brought the Industrial Revolution to the United States From 1810 to the start of the War of 1812 he traveled through Great Britain where he saw the tremendous changes caused by the Industrial Revolution starting with cotton textiles On his return to the United States he focused on establishing a domestic textile industry to replace imported goods With his brother in law Patrick Tracy Jackson he built the Boston Manufacturing Company at Waltham America's first integrated mill With his star mechanic Paul Moody he developed a power loom and other machines suitable for local conditions The Life and Times of Francis Cabot Lowell 1775 1817 tells the story of this amazing man and the great success of the Boston Manufacturing Company which spurred the American industrial revolution Francis Cabot Lowell's method a detailed investment plan cheap raw materials and power a motivated labor force a sound marketing plan and above all modern technology became the standard for the American factory of the nineteenth century When Francis Cabot Lowell died his associates established America's first industrial city and named it Lowell in his honor Robert Lowell, Setting the River on Fire Kay Redfield Jamison, 2018-02-06 PULITZER PRIZE FINALIST In this magisterial study of the relationship between illness and art the best selling author of An Unquiet Mind Kay Redfield Jamison brings an entirely fresh understanding to the work and life of Robert Lowell 1917 1977 whose intense complex and personal verse left a lasting mark on the English language and changed the public discourse about private matters In his poetry Lowell put his manic depressive illness now known as bipolar disorder into the public domain and in the process created a new and arresting language for madness Here Dr Kay Redfield Jamison brings her expertise in mood disorders to bear on Lowell's story illuminating not only the relationships between mania depression and creativity but also how Lowell s illness and treatment influenced his work and often became its subject A bold sympathetic account of a poet who was both despite and because of mental illness a passionate original observer of the human condition Unsentimental Reformer Joan Waugh, 1997 A Brahmin member of an illustrious family sister of the martyred Robert Gould Shaw who led his proud black troops against Fort Wagner and later a war widow Lowell constantly responded to changing ideological and economic conditions affecting the poor Amy Lowell, American Modern Adrienne Munich, Melissa Bradshaw, 2004 A collection of essays that explore the The Lowells and Their Seven Worlds influence work and legacy of Pulitzer Prize winning American poet Amy Lowell Ferris Greenslet. 1946 Amy Lowell, Diva Poet Melissa Bradshaw, 2016-12-05 In her reassessment of Amy Lowell as a major figure in the modern American poetry movement Melissa Bradshaw uses theories of the diva and female celebrity to account for Lowell's extraordinary literary influence in the early twentieth century and her equally extraordinary disappearance from American letters after her death Recognizing Amy Lowell as a literary diva Bradshaw shows accounts for her commitment to her art her extravagant self promotion and self presentation and her fame which was of a kind no longer associated with poets It also explains the devaluation of Lowell's poetry and criticism since a woman's diva status is always short lived and the accomplishments of celebrity women are typically dismissed and trivialized In restoring Lowell to her

place within the American poetic renaissance of the nineteen teens and twenties Bradshaw also recovers a vibrant moment in popular culture when poetry enjoyed mainstream popularity audiences packed poetry readings and readers avidly followed the honors exploits and feuds of their favorite poets in the literary columns of daily newspapers Drawing on a rich array of letters memoirs newspapers and periodicals but eschewing the biographical interpretations of her poetry that have often characterized criticism on Lowell Bradshaw gives us an Amy Lowell who could not be further removed from the lonely victim of ill health and obesity who appears in earlier book length studies Amy Lowell as diva poet takes her rightful place as a powerful writer of modernist verse who achieved her personal and professional goals without capitulating to heteronormative ideals of how a woman should act think or appear The Collected Letters of Robinson Jeffers, with Selected Letters of Una *Ieffers* Tames Karman, 2015-07-15 This volume of correspondence the last in a three volume edition spans a pivotal moment in American history the mid twentieth century from the beginning of World War II through the years of rebuilding and uneasy peace that followed to the election of President John F Kennedy Robinson Jeffers published four important books during this period Be Angry at the Sun 1941 Medea 1946 The Double Axe 1948 and Hungerfield 1954 He also faced changes to his hometown village of Carmel experienced the rewards of being a successful dramatist in the United States and abroad and endured the loss of his wife Una Jeffers letters and those of Una written in the decade prior to her death offer a vivid chronicle of the life and times of a singular and visionary poet Pluto and Lowell Observatory Kevin Schindler, Will Grundy, 2018-03-12 Pluto looms large in Flagstaff where residents and businesses alike take pride in their community s most enduring claim to fame Clyde Tombaugh s 1930 discovery of Pluto at Lowell Observatory Percival Lowell began searching for his theoretical Planet X in 1905 and Tombaugh's eureka experience brought worldwide attention to the city and observatory Ever since area scientists have played leading roles in virtually every major Pluto related discovery from unknown moons to the existence of an atmosphere and the innovations of the New Horizons spacecraft Lowell historian Kevin Schindler and astronomer Will Grundy guide you through the story of Pluto from postulation to exploration Planets and Perception William Sheehan, 2014-12-05 Winner of the Astronomy Book of the Year from Mercury Magazine Astronomical Society of the Pacific Planets and Perception is a provocative book that will intrigue anyone who has ever looked through a telescope Drawing on both astronomical and psychological data William Sheehan offers the first systematic analysis of the perceptual and cognitive factors that go into the initial structuring of a planetary image and its subsequent elaboration Sheehan details the development of lunar and planetary astronomy underscoring perceptual and psychological themes Planets & **Perception** William Sheehan, 1988-11 Do we really know what we see through a telescope How does the ocular system construct planetary images and how does the brain interpret them Drawing on both astronomical and psychological data William Sheehan now offers the first systematic analysis of the perceptual and cognitive factors that go into the initial structuring of a planetary image and its subsequent elaboration Sheehan details the development of lunar and planetary

astronomy beginning with Galileo s study of the moon and focuses particularly on the discover of canals on Mars Through each episode he underscores a perceptual or psychological theme such as the importance of differences in vision tachistoscopic perceptual effects the influence of expectation and suggestion on what one sees and the social psychology of scientific discovery Planets and Perception is a provocative book that will intrigue anyone who has ever looked through a telescope In addition it offers the psychologically oriented reader a case history in the processes of perception unlike any John Lowell Jr. and His Institute Chaim M.
