Loyalty And Leadership In An Early Islamic Society:

Loyalty and Leadership in an Early Islamic Society Roy P. Mottahedeh, 1980 The Description for this book Loyalty and Leadership in an Early Islamic Society will be forthcoming Loyalty and Leadership in an Early Islamic Society Roy Mottahedeh, 2001-02-16 This masterful portrait of an Islamic society undergoing a great social upheaval has become one of the most significant contributions to our understanding of pre modern Islamic history Loyalty and Leadership in an Early Islamic Society concentrates on the Buyid dynasty that ruled in Iran and Iraq during the 10th and 11th centuries a period when the Abbasids were in decline and power had fallen into the hands of military groups who could not legitimise it in the same way as the Caliphs From this confusion emerged a new Muslim society whose essential interests differed from those of the transient and limited dynasty that had preceded it Roy Mottahedeh's classic account here re issued in a new paperback edition reveals how this Islamic society succeeded in functioning in a stable manner despite the absence of certain political institutions familiar in the West He focuses on the individuals in society rather than on the groups that they constituted and examines their relations with one another and the manner in which these relations created moral communities which co existed in a fairly well articulated system In terms of loyalty obligation and leadership Mottahedeh shows how these communities sustained a resilient and self renewing social order that served as a model for Islamic societies throughout the Middle East in the succeeding centuries Roy Mottahedeh is Gurney Professor of History at Harvard University and Chair of the Committee on Islamic Studies at the Center for Middle Eastern Studies He is the author of the much acclaimed *Mantle of the Prophet* Albert Hourani Dr Mottahedeh writes as a highly skilled historian and Arabic scholar but also as a man of letters He knows what a book should be and his is clearly conceived beautifully shaped and written with elegance The balance between analysis and fact lies exactly where it should The anecdotes which illustrate the general themes are well chosen and appropriate This is a work of great importance and originality and one which I recommend with enthusiasm and without reservations Clifford Geertz New York Review of Books This is a tightly focused study Despite its somewhat special subject a fragmented dynasty in a spasmodical time it is one of the most broadly suggestive works on Middle Eastern social structure to appear in recent years Jonathan Riley Smith Cambridge University Mottahedeh writes beautifully and he is perceptive and judicious the chapter on kinship and its duties is brilliant and ought to be read by historians of the west as well as those of the east Fred M Donner University of Chicago This work bears an important message for all students of Middle Eastern history one might even say for all students of non Western history *The Poetics of Islamic Legitimacy* Suzanne Pinckney Stetkevych, 2002-10-17 transcends the realm of literature and poetic criticism to include virtually every field of Arabic and Islamic studies Roger Allen Throughout the classical Arabic literary tradition from its roots in pre Islamic Arabia until the end of the Golden Age in the 10th century the courtly ode or qasida dominated other poetic forms In *The Poetics of Islamic Legitimacy* Suzanne Stetkevych explores how this poetry relates to ceremony and political authority and how the classical

Arabic ode encoded and promoted a myth and ideology of legitimate Arabo Islamic rule Beginning with praise poems to pre Islamic Arab kings Stetkevych takes up poetry in praise of the Prophet Mohammed and odes addressed to Arabo Islamic rulers She explores the rich tradition of Arabic praise poems in light of ancient Near Eastern rites and ceremonies gender and political culture Stetkevych's superb English translations capture the immediacy and vitality of classical Arabic poetry while opening up a multifaceted literary tradition for readers everywhere **Under Crescent and Cross** Mark R.

Cohen,2021-04-13 Did Muslims and Jews in the Middle Ages cohabit in a peaceful interfaith utopia Or were Jews under Muslim rule persecuted much as they were in Christian lands Rejecting both polemically charged ideas as myths Mark Cohen offers a systematic comparison of Jewish life in medieval Islam and Christendom and the first in depth explanation of why medieval Islamic Jewish relations though not utopic were less confrontational and violent than those between Christians and Jews in the West Under Crescent and Cross has been translated into Turkish Hebrew German Arabic French and Spanish and its historic message continues to be relevant across continents and time This updated edition which contains an important new introduction and afterword by the author serves as a great companion to the original *Contemporary North Africa*

Halim Barakat,2015-12-22 This book by a group of international scholars both Arab and Western was first published in 1985 and considers the state of contemporary North Africa and its position both in the Arab world and within wider international affairs It examines the cultural and historical contexts which have shaped political and social conditions within the region It also considers the nature of intra regional conflict which has long been a feature of the North African political scene The sociological impact of economic development within the region is treated at length as are the changing positions of both the traditional elites and new groups such as women workers Al-Hind: The Slavic Kings and the Islamic conquest, 11th-13th centuries

André Wink,2002 During the eleventh to thirteenth centuries Islamic conquest and trade laid the foundation for a new type of Indo Islamic society in which the organizational forms of the frontier and of sedentary agriculture merged in a way that was uniquely successful in the late medieval world at large setting the Indo Islamic world apart from the Middle East and China in the same centuries The Legendary Biographies of Tamerlane Ron Sela,2011-04-29 Timur or Tamerlane is famous as the fourteenth century conqueror of much of Central Eurasia and the founder of the Timurid dynasty His reputation lived on in his native lands and reappeared some three centuries after his death in the form of fictional biographies authored anonymously in Persian and Turkic These biographies have become part of popular culture Despite a direct continuity in their production from the eighteenth century to the present they remain virtually unknown to people outside the region This remarkable and rigorous scholarly appraisal of the legendary biographies of Tamerlane is the first of its kind in any language The book sheds light not only on the character of Tamerlane and how he was remembered and championed by many generations after his demise but also on the era in which the biographies were written and how they were conceived and received by the local populace during an age of crisis in their own history **Al-Hind, Volume 2 Slave**

Kings and the Islamic Conquest, 11th-13th Centuries André Wink, 2021-10-25 During the early medieval Islamic expansion in the seventh to eleventh centuries al Hind India and its Indianized hinterland was characterized by two organizational modes the long distance trade and mobile wealth of the peripheral frontier states and the settled agriculture of the heartland These two different types of social economic and political organization were successfully fused during the eleventh to thirteenth centuries and India became the hub of world trade During this period the Middle East declined in importance Central Asia was unified under the Mongols and Islam expanded far into the Indian subcontinent Instead of being devastated by the Mongols who were prevented from penetrating beyond the western periphery of al Hind by the absence of sufficient good pasture land the agricultural plains of North India were brought under Turko Islamic rule in a gradual manner in a conquest effected by professional armies and not accompanied by any large scale nomadic invasions The result of the conquest was in short the revitalization of the economy of settled agriculture through the dynamic impetus of forced monetization and the expansion of political dominion Islamic conquest and trade laid the foundation for a new type of Indo Islamic society in which the organizational forms of the frontier and of sedentary agriculture merged in a way that was uniquely successful in the late medieval world at large setting the Indo Islamic world apart from the Middle East and China in the same centuries Please note that The Slave Kings and the Islamic Conquest 11th 13th Centuries was previously published by Brill in hardback ISBN 90 04 10236 1 still available [Music and Musicians in the Medieval Islamic World](#) Lisa Nielson, 2021-04-22 During the early medieval Islamicate period 800 1400 CE discourses concerned with music and musicians were wide ranging and contentious and expressed in works on music theory and philosophy as well as literature and poetry But in spite of attempts by influential scholars and political leaders to limit or control musical expression music and sound permeated all layers of the social structure Lisa Nielson here presents a rich social history of music musicianship and the role of musicians in the early Islamicate era Focusing primarily on Damascus Baghdad and Jerusalem Lisa Nielson draws on a wide variety of textual sources written for and about musicians and their professional private environments including chronicles literary sources memoirs and musical treatises as well as the disciplinary approaches of musicology to offer insights into musical performances and the lives of musicians In the process the book sheds light onto the dynamics of medieval Islamicate courts as well as how slavery gender status and religion intersected with music in courtly life It will appeal to scholars of the Islamicate world and historical musicologists **Conversion and Continuity** Pontifical Institute of Mediaeval Studies, 1990 **Modern Hadith Studies** Abu-Alabbas Belal Abu-Alabbas, 2020-08-03 This book is dedicated to examining the various methods and trends in Hadith Studies across the globe Bringing together contributions from ten scholars of Hadith it addresses the subject from a variety of methodological vantage points and historical premises Divided into two parts it first looks at methods and approaches and then presents 5 case studies focusing on specific questions and issues Some of these authors seek to overturn refine or reaffirm dominant paradigms within the field while others look to

expand its horizons in new directions The global scope and coverage of both longstanding debates and cutting edge methods and approaches means this book will make a significant contribution to a controversial and challenging field *A History of the Muslim World to 1405* Vernon O Egger,2016-06-23 Muslims first appeared in the early seventh century as members of a persecuted religious movement in a sun baked town in Arabia Within a century their descendants were ruling a vast territory that extended from the Atlantic Ocean to the Indus River valley in modern Pakistan This region became the arena for a new cultural experiment in which Muslim scholars and creative artists synthesized and reworked the legacy of Rome Greece Iran and India into a new civilization A History of the Muslim World to 1405 traces the development of this civilization from the career of the Prophet Muhammad to the death of the Mongol emperor Timur Lang Coverage includes the unification of the Dar al Islam the territory ruled by Muslims the fragmentation into various religious and political groups including the Shi'ite and Sunni and the series of catastrophes in the twelfth and thirteenth centuries that threatened to destroy the civilization Features Balanced coverage of the Muslim world encompassing the region from the Iberian Peninsula to South Asia Detailed accounts of all cultures including major Shi'ite groups and the Sunni community Primary sources Numerous maps and photographs featuring a special four color art insert Glossary charts and timelines *The Caliph and the Imam* Toby Matthiesen,2023-03-09 No sectarian division has had a more momentous impact than that between the two dominant branches of Islam Widely considered the world's leading expert on the subject Toby Matthiesen offers the full story of the Sunni Shia split delving down to its roots in the early days of Islam and following it to the present day and its effect on current events not just in the Middle East but globally **The Bloomsbury Companion to Jewish Studies** Dean Phillip Bell,2013-08-15 The Bloomsbury Companion to Jewish Studies is a comprehensive reference guide providing an overview of Jewish Studies as it has developed as an academic sub discipline This volume surveys the development and current state of research in the broad field of Jewish Studies focusing on central themes methodologies and varieties of source materials available It includes 11 core essays from internationally renowned scholars and teachers that provide an important and useful overview of Jewish history and the development of Judaism while exploring central issues in Jewish Studies that cut across historical periods and offer important opportunities to track significant themes throughout the diversity of Jewish experiences In addition to a bibliography to help orient students and researchers the volume includes a series of indispensable research tools including a chronology maps and a glossary of key terms and concepts This is the essential reference guide for anyone working in or exploring the rich and dynamic field of Jewish Studies **Hierarchy and Egalitarianism in Islamic Thought** Louise Marlow,2002-05-16 By examining a wide range of Arabic and Persian literature from the eighth to the thirteenth century Louise Marlow shows the tension that existed between the traditional egalitarian ideal of early Islam and the hierarchical impulses of the classical period The literature demonstrates that while Islam's initial orientation was markedly egalitarian the social aspect of this egalitarianism was soon undermined in the aftermath of Islam's

political success and as hierarchical social ideas from older cultures in the Middle East were incorporated into the new polity. Although the memory of its early promise never entirely receded, social egalitarianism quickly came to be associated with political subversion. This 1997 book will be of use to a wide readership of Islamic historians and of scholars assessing the impact of the modern Islamic revival. Islam in der Moderne, Moderne im Islam, 2018-04-10. This Festschrift brings together a range of scholars who congratulate Reinhard Schulze on the occasion of his 65th birthday by shedding light and reflecting on the relation between Islam and modernity. Scholars from the fields of Islamic studies, religious studies, sociology, and Arabic literature connect in various ways to Reinhard Schulze's work to constructively criticize a Eurocentric understanding of modernity. The more specific aspects dealt with under the overarching topic of Islam and modernity make for the four thematic sections of this volume: the study of religion, Islam and Islamic studies, Islamic knowledge, cultures and normativity, language and literature as media of modernity, Islam and Islamic studies in the public sphere. Die Beitragenden zu dieser Festschrift gratulieren Reinhard Schulze zu seinem 65. Geburtstag, indem sie mit der Beziehung zwischen Islam und Moderne ein Lebensthema des Jubilars beleuchten. Vertretende der Islamwissenschaft, Religionswissenschaft, Soziologie und der arabischen Literaturwissenschaft beziehen sich in verschiedener Hinsicht auf Reinhard Schulzes Werk, um ein eurozentrisches Verständnis von Moderne konstruktiv zu kritisieren. Die unter dem Oberthema Islam und Moderne näher behandelten Aspekte sind aus den vier thematischen Sektionen des Bandes ersichtlich: Islamwissenschaft, Religion und der Eigensinn der Moderne, islamische Wissenskulturen und Normativität, Sprache und Literatur als Medien der Moderne, Islamwissenschaft in der Öffentlichkeit. Contributors are: Mona Abaza, H. Seyin, A. Ueno, Lu Aziz, al-Azmeh, Katajun Amirpur, Monica Corrado, Ahmad Dallal, Peter Dov, Susanne Enderwitz, Anne Gröne, Stephan Guth, Kai Hafez Albrecht, Hofheinz, Michael Kemper, Hans G. The Saint of Jam Shivan Mahendrarajah, 2021-04-08. Explores the emergence, florescence, decay, and rejuvenation of the Sunni saint cult and shrine complex of Shaykh al-Islam Ahmad i Jam over nine hundred years. In the Sultan's Salon: Learning, Religion, and Rulership at the Mamluk Court of Qāniṣawh al-Ghawrī (r. 1501-1516) (2 vols) Christian Mauder, 2021-08-09. Christian Mauder's *In the Sultan's Salon* builds on his award-winning research and constitutes the first detailed study of the Egyptian court culture of the Mamluk Sultanate 1250-1517. Based mainly on understudied Arabic manuscript sources describing the learned salons of the Mamluk Sultan al-Ghawrī, *In the Sultan's Salon* presents the first theoretical conceptualization of the term court that can be fruitfully applied to premodern Islamic societies. It uses this conceptualization to demonstrate that al-Ghawrī's court functioned as a transregionally interconnected center of dynamic intellectual exchange, theological debate, and performance of rule that triggered novel developments in Islamic scholarly, religious, and political culture. *A Concise History of the Middle East* Ibrahim Al-Marashi, Arthur Goldschmidt.

Jr.,2024-10-07 A Concise History of the Middle East provides a comprehensive introduction to the history of this region. Spanning from the pre-Islamic era to the present, it explores the evolution of Middle Eastern institutions and culture, the influence of European colonialism and Western imperialism, regional modernization efforts, the struggle of various peoples for political independence, the Arab-Israeli conflict, the reassertion of Islamist values and power, the issues surrounding the Palestinian Question, and the Middle East following 9/11, the 2011 Arab uprisings, and the regional crisis that erupted after 7 October 2023. The thirteenth edition has been fully revised to reflect the most recent events and concerns of the region, including its future in the face of climate change and challenges in Iraq and developments in the Israeli-Palestinian conflict. In addition, the important role of Middle Eastern women in the history of the region is woven into the narrative. New parts and part timelines will help students grasp and contextualize the long and complicated history of the region. With updated biographical sketches and a new concluding chapter, this book remains the quintessential text for students of Middle East history.

Sufis in Medieval Baghdad Atta Muhammad,2023-10-19 This book examines the political and social activities of Sufis in Baghdad in the period 1000-1258. It argues that Sufis played an important role in creating a public sphere that existed between ordinary subjects and the government. Drawing on Arabic sources and secondary literature, it explores the role of Sufis and their institutions, including their ribats or lodge houses, from the use of Sufis as political ambassadors to their role in redistributing charity to the poor. The book reveals the role of Sufism in structuring a wide range of social and political arrangements in this period. It also reveals the role of ordinary non-elite actors who, by taking part in Sufi-affiliated religious or professional associations, were able to take part in public life in late Abbasid Baghdad.

Yeah, reviewing a book **Loyalty And Leadership In An Early Islamic Society** could mount up your close friends listings. This is just one of the solutions for you to be successful. As understood, deed does not recommend that you have fabulous points.

Loyalty And Leadership In An Early Islamic Society Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Loyalty And Leadership In An Early Islamic Society PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in

various fields. It is worth noting that while accessing free Loyalty And Leadership In An Early Islamic Society PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Loyalty And Leadership In An Early Islamic Society free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
