Lp Arrogance Rescuing America From The Media Elite:

Arrogance Bernard Goldberg, 2004-11 In his 1 New York Times bestseller Bias Emmy Award winning journalist Bernard Goldberg created a national firestorm when he exposed the liberal biases of the so called mainstream media Now Goldberg takes on Big Journalism and punctures the bubble in which the media elites live and work a culture of denial where contrary views are not welcome With blistering wit and passion Goldberg offers a twelve step program to help journalists overcome their addiction to slanted news and exposes the main culprits of arrogance in the media He reveals How the media s coverage of the Jayson Blair scandal missed far more serious problems at the New York Times Why the media refuse to shoot straight when the subject turns to guns Which CBS News icon is transparently liberal according to commentator Andy Rooney Why some think the top journalism school in America is an intellectual gulag How some journalists like Bob Costas and Tim Russert do get it and how they think American journalism can be made better Forthcoming Books Rose Arny, 2004 **Focus** Jim Gray, 2012-02-17 Every expert in journalism and politics has jumped into the arena of thought with a multitude of books on their opinions The Book FOCUS is a look at Arrogance and Greed as an American cancer it applies analytical engineering skills to humanities problems in today s world from an engineer s stand point that of an everyday citizen a Joe plumber whose had all we can take of being told we are un American by our politicians it intends to speak out on behalf of the everyday citizen who may have serious doubts as to what is what It offers solutions which seem to be logical and somewhat easy to see Though easy to see they require a major rethinking of the constitution to fit the modern society s situation Simply tired of talk show host and media moguls pointing out the problems but shy of offering difficult solutions for which they could be held accountable Engineers or Plumbers just aren t satisfied with finding a cause of the problem but are about fixing it That sometimes requires redesign or fix correcting design errors But we do eventually FIX IT The Lawyer wants arbitration until either a compromise or settlement occurs Media Moguls want to have an endless supply of Sensational Stories Politics may be how it sounds Poly many Ticks blood suckers Political this or that occupation well draw your conclusion **Arrogance of Power** ,2009 **Arrogance of Power** ,2009 *The Arrogance of Power* James William Fulbright, 1966 United States of Arrogance Paul F. Davis, 2007 **100 People Who Are Screwing Up America** Bernard Goldberg, 2006-05-23 The number one New York Times bestselling author of Bias delivers another bombshell this time aimed at 100 People Who Are Screwing Up America No preaching No pontificating Just some uncommon sense about the things that have made this country great and the culprits who are screwing it up Bernard Goldberg takes dead aim at the America Bashers the cultural elites who look down their snobby noses at ordinary Americans the Hollywood Blowhards incredibly ditzzy celebrities who think they re smart just because they re famous the TV Schlockmeisters including the one whose show has been compared to a churning mass of maggots devouring rotten meat the Intellectual Thugs bigwigs at some of our best colleges whose views run the gamut from left wing to far left wing and many more Goldberg names names

counting down the villains in his rogues gallery from 100 all the way to 1 and yes you know who is number 37 Some supposedly serious journalists also made the list including the journalist diva who sold out her integrity and hosted one of the dumbest hours in the history of network television news And there are those famous miscreants who have made America a nastier place than it ought to be a far more selfish vulgar and cynical place But Goldberg doesn't just round up the usual suspects we have come to know and detest He also exposes some of the people who operate away from the limelight but still manage to pull a lot of strings and do all sorts of harm to our culture Most of all 100 People Who Are Screwing Up America is about a country where as long as anything goes as one of the good guys in the book puts it sooner or later everything will go This is serious stuff for sure But Goldberg will also make you laugh as he harpoons scoundrels like the congresswoman who thinks there aren't enough hurricanes named after black people and the environmentalist to the stars who yells at total strangers driving SUVs even though she tools around the country in a gas guzzling private jet With Bias Bernard Goldberg took us behind the scenes and exposed the way Big Journalism distorts the news Now he has written a book that goes even further This time he casts his eye on American culture at large and the result is a book that is sure to become the voice of all those Americans who feel that no one is speaking for them on perhaps the most vital issue of all the kind of country in which we want to live *Ignorance and Arrogance America's Two Party System* Patrick J. Dillon, 2008-08-01
