Magic Bean Tree A Legend From Argentina:

The Magic Bean Tree Nancy Van Laan,1998-03-30 In the middle of the wide Argentine pampas there once grew a magic tree Above this tree slept a bird so evil it could stop the rain from falling And not far from this tree lived a brave boy who one day set out to save his village and all the creatures from dying of thirst Illustrated with charming folk art like paintings and retold with simplicity and drama this legend of a child s courage and faith explains why Argentineans believe that good luck can be found in the shade of a carob tree
