status to a generation of consumers who fetishized sneakers and prioritized comfort How that moment came to be how someone like Abloh who had no formal training in patternmaking or tailoring could come to symbolize and embody the industry's way forward is the story at the heart of this book Make It Ours is at once a remarkable biography of a singular creative force and a powerful meditation on fashion and race taste and exclusivity genius and luxury With access to Abloh's family friends collaborators and contemporaries and featuring a cast of fascinating characters ranging from visionary Black designers like Ozwald Boateng to Abloh's mercurial but critical employer and mentor Kanye West Givhan weaves a spellbinding tale of a young man's rise amid a cultural moment that would upend a century's worth of ideas about luxury and taste
