Leve,2020-02-19 Bringing together scholars from musicology literature childhood studies and theater this volume examines the ways in which children s musicals tap into adult nostalgia for childhood while appealing to the needs and consumer potential of the child The contributors take up a wide range of musicals including works inspired by the books of children s authors such as Roald Dahl P L Travers and Francis Hodgson Burnett created by Rodgers and Hammerstein Lionel Bart and other leading lights of musical theater or conceived for a cast made up entirely of children The collection examines musicals that propagate or complicate normative attitudes regarding what childhood is or should be It also considers the child performer in movie musicals as well as in professional and amateur stage musicals This far ranging collection highlights the special place that musical theater occupies in the imaginations and lives of children as well as adults The collection comes at a time of increased importance of musical theater in the lives of children and young adults *The Magic Garment* Rebecca Cunningham,2019-10-22 Successful costume design requires a solid foundation in general artistic principles and specific knowledge of how to apply those principles Cunningham presents readers with just such a foundation and develops it to expose beginning costume designers to the myriad skills they need to develop in order to costume successful stage productions She begins at the most basic conceptual level reading plays from a costume designer s perspective She then follows through with the practical considerations that must be considered at every stage of the costuming process research development sketching and costume construction Cunningham has built on the long standing success of the outstanding first edition with new figures and updates throughout the text including 24 pages in full color Examples have been selected from a wide range of stage productions representing a variety of designers styles and approaches Interviews with award winning designers from stage film and other media show the practical importance of the book s concepts Every chapter incorporates material reflecting the ever increasing impact of technology especially computers on costuming New to this edition is an ancillary download package available here giving students a selection of basic figure drawings to serve as the base layer for digital renderings ready made forms and checklists for assembling and organizing costumes for shows and a list of research and reference websites with easily clickable links *iBroadway* Jessica Hillman-McCord,2017-11-21 This book argues that the digital revolution has fundamentally altered the way musicals are produced followed admired marketed reviewed researched taught and even cast In the first hundred years of its existence commercial musical theatre functioned on one basic model However with the advent of digital and network technologies every musical theatre artist and professional has had to adjust to swift and unanticipated change Due to the historically commercial nature of the musical theatre form it offers a more potent test case to reveal the implications of this digital shift than other theatrical art forms Rather than merely

reflecting technological change musical theatre scholarship and practice is at the forefront of the conversation about art in the digital age This book is essential reading for musical theatre fans and scholars alike *The Catchers in Pirates, Thieves, Zombies and Magic* Stuart J Kent ,2018-03-13 The Catchers are back That s right you read that correctly Colin Trixie Marty and Jamie return to chase magical creatures and stop dark forces once again After their adventures with the dark wizard you d think they d catch a break if nothing else but when rare magical pets start to go missing from all over Magicdom the Catchers are sent to find them The result One rollicking rip roaring adventure Along the way they reluctantly enlist the help of the worst wizard ever Buccaneer Captain Rex Caterwhich a wizard so awful so impossible so unbelievably useless he gave up wizarding to be a simple sailor Can he change his ways or will he doom the Catchers to failure Together they take on pirates thieves and zombies in their quest to find these poor creatures and bring them back home Jam packed with fun and magic The Catchers in Pirates Thieves Zombies and Magic will appeal to children aged 9 or anyone wishing to go on a magical quest **Magic Tree House Merlin Missions Books 1-4** Mary Pope Osborne,2017-11-28 Merlin Mission Books 1
