Matthew Dickie

Magicians Enchanters:

The People's Bible Encyclopedia Charles Randall Barnes,1912 **Magic and Magicians in the Greco-Roman World** Matthew Dickie,2003 This study is the first to assemble the evidence for the existence of sorcerors in the ancient world it also addresses the question of their identity and social origins The resulting investigation takes us to the underside of Greek and Roman society into a world of wandering holy men and women conjurors and wonder workers and into the lives of prostitutes procuresses charioteers and theatrical performers This fascinating reconstruction of the careers of witches and sorcerors allows us to see into previously inaccessible areas of Greco Roman life Compelling for both its detail and clarity and with an extraordinarily revealing breadth of evidence employed it will be an essential resource for anyone studying ancient magic The International Critical Commentary on the Holy Scriptures of the Old and New Testaments Samuel Rolles Driver,Charles Augustus Briggs,1927 The International Critical Commentary on the Holy Scriptures of the Old and New Testaments ,1927 *The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Daniel*, by J. A. Montgomery ,1927 *The Book of Daniel* Samuel Rolles Driver,1900 The Book of Daniel with introduction and notes Samuel Rolles Driver,1922 *The Magician, the Witch, and the Law* Edward Peters,1978 Helps to place our understanding of medieval witchcraft into a broader context Sheds light on the various genres of literature in which magic was discussed Speculum The Galilean Wonderworker Ian G. Wallis,2020-06-19 What are the origins of Jesus reputation for healings and exorcisms Few questions in Jesus studies are more hotly contested or elicit more diverse responses Adopting an interdisciplinary approach and in dialogue with recent scholarly literature The Galilean Wonderworker offers a compelling account Recognizing the reciprocal relationship between personal and communal well being within Israelite faith this study offers new insights into how sickness and healing were understood in first century Palestine This in turn supplies the backcloth for a fresh evaluation of the evidence for Jesus healings and exorcisms where the emphasis falls firmly upon the dynamics of personal encounter Jesus emerges as a spirit person capable of engendering faith and exercising authority to the extent that sufferers experienced liberation from debilitating symptoms and oppressive behaviors many of which reflected contemporary sociopolitical conditions Further by vesting theological significance in these outcomes they simultaneously constituted manifestations of God s sovereign presence signaling restoration of covenantal well being Acknowledging that Jesus expected his disciples to heal and exorcize the investigation concludes with an overview of how this legacy was embraced by the early church noting how exorcism becomes incorporated into Christian initiation while spiritual healing though continuing is eclipsed by pastoral care and conventional medical practice **I Am the Head and Not the Tail** Masauso Soko,2015-02-24 Are you the head or the tail Many children of God being the head and not the tail has just become the confession on their lips the vocabulary of a Christian walk without tangible results This book I Am the Head and Not the Tail is power and knowledge packed with tools that will help you to become the head and not the tail

Its teachings are based on how not just what God can do The Church has taught much on what God can do not on how we can participate to bring Gods Word to pass in our lives
