Magis Sword:

The Magic of the Sword of Moses Harold Roth, 2025-09-12 A practical guide to the famed medieval book of pre kabbalistic Jewish magic freshly interpreted and revealed for the first time with instructions on how to use the spells The Sword of Moses is one of the earliest Jewish magic books which describes a rite for adjuring angels to assist in controlling and wielding the Sword of Moses for magical purposes The rite involves a short period of purification and then the adjuring of four sets of angels each higher than the last These angels in turn give the magician the power to control the Sword through a series of divine names that work as magical spells The spells 137 in all have a wide variety of uses including healing harm love sex exorcising demons divination and more This work was first translated by Moses Gaster in 1896 but he removed many of the spells making the text unusable for magic The Magic of the Sword of Moses is the first book to show in detail exactly how a magician can use the Sword how to do the purification ritual adjure the angels and pronounce and use the divine names for each spell **Swords of Magic** Wayde Bulow, 2001-12 Swords of Magic is about two children who grow up together in a Viking Kingdom Helga is the King's daughter and Eric is destined to become a great Viking Warrior While on his first raid a Viking God appears to Eric guiding him and his ship from harms way Returning from the raid he finds the Princess kidnapped by a Troll Warlord and the Kingdom cursed and in turmoil Sailing after the Black Ship he wins the Elf King's trust and obtains magic to rescue the Princess from the evil Troll Kingdom If he doesn't hurry she will be transformed into a Troll and become their sinister Queen **The Magic Swords** Jeff Child, 2019-01-31 Two friends find two swords but one is different than the other When Lucas and Ethan hear about two magical swords after a zombie fight they set out on a journey and find the two objects However the magic doesn't seem to be the same for both The diamond sword is completely different from the golden sword One seems to be better but isn't Will they figure out what to do even after a terrible argument **Zero Damage Sword Saint: I Enrolled in a Magic School and Wound Up in a Contract with the Demon Queen: Volume 1** Isle Osaki, 2025-09-25 Eugene Santafield is a young man who dreams of becoming a magic swordsman There's only one problem He can't use any attack magic Instead he's blessed with extremely powerful defensive and healing magic an irony that earns him the ridicule of his peers Determined to escape from those who know of his failings Eugene flees to the Lykeion Magic Academy where he meets Erinyes a fallen Demon Queen imprisoned beneath the school Taken in by his potential Erinyes appoints Eugene to be her caretaker Not long after the headmaster of the academy assigns Eugene to be the guardian of Sumire a mysterious girl from another world who just so happens to be an Ifrit of legend With these two women at his side history's biggest failure is sure to become a legendary swordsman right *High Magic* U. The Magic Pot Ishmael Odeen Ishmael, Odeen Ishmael, 2010 This book comprises a collection of popular folk stories from Guyana and other countries of the Caribbean region The starring character in all of them is Nansi whose exploits form part of the folklore of these countries Nansi the starring character in all the stories is also popularly

known as Anansi But in Guyana and some other Caribbean countries Nansi the shortened form of this name is usually preferred Nansi who is a spider but who sometimes takes the qualities or form of a man or even half man and half spider is originally the chief trickster among the Ashanti and Akan peoples of West Africa When some of these peoples were forcibly brought to the Caribbean and the American continent as slaves from the sixteenth to the nineteenth centuries they also brought with them the tales of the exploits of Nansi who was and still is variably regarded as a folk hero a cunning trickster and also sometimes as a fool The stories in this book are no different to the ones told in West Africa or other parts of the Caribbean and the south east United States even though the plots and the characters involved may vary slightly They certainly provide tangible evidence that much of the oral traditions of people of African origin in the Americas remain intact despite the historical trauma caused by centuries of slavery Nansi is always outwitting the forest creatures humans his own family the community in which he lives and sometimes even deities His character assumes various patterns In some cases he is regarded as wise but he can be greedy cunning gluttonous stupid and dishonest Despite these varying characteristics Nansi is generally admired for the manner in which he outwits others In Guyana and other countries of the English speaking Caribbean particularly in rural areas the exploits of Nansi are related by older people as a form of entertainment at wakes and other community gatherings The stories are now no longer exclusive to people of West African ancestry since people of all ethnic origins in the these countries regard Nansi as their folk hero as well Interestingly all stories told at these informal community gatherings are regarded as Nansi stories even though Nansi may not be a character in any of them The tales of Nansi are very imaginative and they are so embedded in the minds of people of Guyana and the Caribbean that sometimes any story that is far fetched and hard to believe is dismissed as a Nansi story
