THE
MAGNIFICENT
ACTIVIST

THE WRITINGS OF
THOMAS WENTWORTH HIGGINSON
1823-1911

"In his own time, Thomas Wentworth Higginson was one of the most prominent figures in the abolitionist movement and the women's rights movement, an elegant essayist, champion of Emily Dickinson's poetry, an unabashed supporter of John Brown, and colonel of the first black Union regiment raised during the Civil War. Howard Meyer has done us all a great service by gathering Higginson's most important writings."—James McPherson

Magnificent Activist The Writings Of Thomas Wentworth Higginson 1823 1911

R. Brantley

Magnificent Activist The Writings Of Thomas Wentworth Higginson 1823 1911:

The Magnificent Activist Thomas Wentworth Higginson, 2000-07-06 Higginson worked to abolish slavery commanded the first black unit to fight for the Union inspired the creation of Smith College and edited Emily Dickinson's poetry Included here are Higginson's abolitionist pieces like Why Back John Brown anti imperialist essays such as Where Liberty is Not There is My Country women's rights articles like Ought Women to Learn the Alphabet and pieces on nature including Water Lilies Also in the collection are essays on Sappho Longfellow Dickinson and Henry James An extensive introduction precedes the whole volume and smaller introductions precede thematic sections Annotation copyrighted by Book News Inc Portland OR

The Ideological Origins of African American Literature Phillip M. Richards, 2025-06-27 Inquiry into African American literature in recent decades has neglected to probe the intellectual structure of the tradition's aesthetics and its underlying ideology In *The Ideological Origins of African American Literature* Phillip M Richards begins this reconstructive work illuminating the dialectical backstory of black prose and poetry in America Richards argues that the social and political forces that influenced white literature were uniquely reacted to absorbed and often times rejected by African American literary figures from the eighteenth century Puritan notions of a God centered history to the onset of Romanticism and Modernism in the nineteenth and twentieth centuries Building his case for ideological continuity Richards surveys a profoundly creative period of 125 years launched by an African American reaction against a racist mid eighteenth century American culture This epoch in African American literature saw a fusion of Puritan Protestant culture into a religious and secular worldview drawing in the poetry of Phillis Wheatley antebellum slave narratives Richard Allen and the periodicals of the ambitious African Methodist Episcopal movement all of which would form the underlying foundation of a Black Victorian culture A rising black middle class Richards argues would later be secularized by an eroding religious tradition under the pressures of nineteenth century modernity the trauma of Jim Crow and the emerging northern ghetto Richards further traces the emergence of Romanticism which appeared with white American authors such as Emerson Thoreau and Whitman but would not take shape in African American literature until the likes of W E B Du Bois and Langston Hughes took stock of Anglo European culture at the end of the nineteenth century *The Ideological Origins of African American Literature* illustrates a pattern of black writing that eschews the hegemonic white culture of the day for an evolving black culture that would define an American literary landscape

Stark Mad Abolitionists Robert K. Sutton, 2017-08-01 A town at the center of the United States becomes the site of an ongoing struggle for freedom and equality In May 1854 Massachusetts was in an uproar A judge bound by the Fugitive Slave Law of 1850 had just ordered a young African American man who had escaped from slavery in Virginia and settled in Boston to be returned to bondage in the South An estimated fifty thousand citizens rioted in protest Observing the scene was Amos Adams Lawrence a wealthy Bostonian who waked up a stark mad Abolitionist As quickly as Lawrence waked up he combined his fortune and his energy with others to create the New England Emigrant Aid

Company to encourage abolitionists to emigrate to Kansas to ensure that it would be a free state The town that came to bear Lawrence s name became the battleground for the soul of America with abolitionists battling pro slavery Missourians who were determined to make Kansas a slave state The onset of the Civil War only escalated the violence leading to the infamous raid of William Clarke Quantrill when he led a band of vicious Confederates including Frank James whose brother Jesse would soon join them into town and killed two hundred men and boys Stark Mad Abolitionists shows how John Brown Reverend Henry Ward Beecher Sam Houston and Abraham Lincoln all figure into the story of Lawrence and Bleeding Kansas The story of Amos Lawrence s eponymous town is part of a bigger story of people who were willing to risk their lives and their fortunes in the ongoing struggle for freedom and equality *Frankenstein Dreams* Michael Sims,2017-09-05 From Mary Shelley to H G Wells a collection of the best Victorian science fiction from Michael Sims the editor of *Dracula s Guest* Long before 1984 Star Wars or The Hunger Games Victorian authors imagined a future where new science and technologies reshaped the world and universe they knew The great themes of modern science fiction showed up surprisingly early space and time travel dystopian societies even dangerously independent machines all inspiring the speculative fiction of the Victorian era In *Frankenstein Dreams* Michael Sims has gathered many of the very finest stories some by classic writers such as Jules Verne Mary Shelley and H G Wells but many that will surprise general readers Dark visions of the human psyche emerge in Thomas Wentworth Higginson s *The Monarch of Dreams* while Mary E Wilkins Freeman provides a glimpse of the fifth dimension in her provocative tale *The Hall Bedroom* With contributions by Edgar Allan Poe Alice Fuller Rudyard Kipling Thomas Hardy Arthur Conan Doyle and many others each introduced by Michael Sims whose elegant introduction provides valuable literary and historical context *Frankenstein Dreams* is a treasure trove of stories known and rediscovered Emily Dickinson's Rich Conversation R. Brantley,2013-06-12 Emily Dickinson s *Rich Conversation* is a comprehensive account of Emily Dickinson s aesthetic and intellectual life Contrary to the image of the isolated poet this ambitious study reveals Dickinson s agile mind developing through conversation with a community of contemporaries John Brown, Abolitionist David S. Reynolds,2009-07-29 An authoritative new examination of John Brown and his deep impact on American history Bancroft Prize winning cultural historian David S Reynolds presents an informative and richly considered new exploration of the paradox of a man steeped in the Bible but more than willing to kill for his abolitionist cause Reynolds locates Brown within the currents of nineteenth century life and compares him to modern terrorists civil rights activists and freedom fighters Ultimately he finds neither a wild eyed fanatic nor a Christ like martyr but a passionate opponent of racism so dedicated to eradicating slavery that he realized only blood could scour it from the country he loved By stiffening the backbone of Northerners and showing Southerners there were those who would fight for their cause he hastened the coming of the Civil War This is a vivid and startling story of a man and an age on the verge of calamity **Religion Around Emily Dickinson** W. Clark Gilpin,2015-06-10 *Religion Around Emily Dickinson* begins with a seeming paradox posed by Dickinson s

posthumously published works while her poems and letters contain many explicitly religious themes and concepts throughout her life she resisted joining her local church and rarely attended services Prompted by this paradox W Clark Gilpin proposes first that understanding the religious aspect of the surrounding culture enhances our appreciation of Emily Dickinson s poetry and second that her poetry casts light on features of religion in nineteenth century America that might otherwise escape our attention Religion especially Protestant Christianity was around Emily Dickinson not only in explicitly religious practices literature architecture and ideas but also as an embedded influence on normative patterns of social organization in the era including gender roles education and ideals of personal intimacy and fulfillment Through her poetry Dickinson imaginatively reshaped this richly textured religious inheritance to create her own personal perspective on what it might mean to be religious in the nineteenth century The artistry of her poetry and the profundity of her thought have meant that this personal perspective proved to be far more than merely personal Instead Dickinson s creative engagement with the religion around her has stimulated and challenged successive generations of readers in the United States and around the world

A Documentary History of Unitarian Universalism, Volume One Dan McKanan,2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history This critical resource covers the long histories of Unitarianism Universalism and Unitarian Universalism in the United States and around the world and offers a wealth of sources from the first fifty five years of the Unitarian Universalist Association From Arius and Origen to Peter Morales and Rebecca Parker this two volume anthology features leaders thinkers and ordinary participants in the ever changing tradition of liberal religion Each volume contains more than a hundred distinct selections with scholarly introductions by leading experts in Unitarian Universalist history The selections include sermons theologies denominational statements hymns autobiographies and manifestos with special attention to class cultural gender and sexual diversity Primary sources are the building blocks of history and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination s past and for shaping its future

African-Americans in Defense of the Nation James T. Controvich,2011-03-28 The role of the African American in American history has been documented but sometimes ignored by historians This work is intended to assist researchers in locating the wealth of material that has been published African Americans in Defense of the Nation builds on a long list of early bibliographies concerning the subject This work brings together a broad spectrum of titles related to the African American participation in America s wars It covers both the military exploits as African Americans have been involved in every American conflict since the Revolution and their participation in the homefront support in building the weapons that the armed forces used Organized both chronologically and topically chapters cover the various conflicts from the Revolutionary War to the Post World War II era and branches of the military as well as the role of African American women in the United States military This extensive reference work is the most comprehensive listing of African American units available Additionally a listing of juvenile titles will assists parents and

teachers in locating material A Summer of Hummingbirds Christopher Benfey, 2008-04-17 The country's most noted writers, poets, and artists converge at a singular moment in American life, a great companion to fans of the film *A Quiet Passion* starring Cynthia Nixon as Emily Dickinson. At the close of the Civil War, the lives of Emily Dickinson, Mark Twain, Harriet Beecher Stowe, and Martin Johnson Heade intersected in an intricate map of friendship, family, and romance that marked a milestone in the development of American art and literature. Using the image of a flitting hummingbird as a metaphor for the gossamer strands that connect these larger-than-life personalities, Christopher Benfey re-creates the summer of 1882, the summer when Mabel Louise Todd, the protégée to the painter Heade, confesses her love for Emily Dickinson's brother Austin, and the players suddenly find themselves caught in the crossfire between the Calvinist world of decorum, restraint, and judgment and a new, unconventional world in which nature prevails and freedom is all.

This is likewise one of the factors by obtaining the soft documents of this **Magnificent Activist The Writings Of Thomas Wentworth Higginson 1823 1911** by online. You might not require more era to spend to go to the ebook initiation as well as search for them. In some cases, you likewise get not discover the broadcast Magnificent Activist The Writings Of Thomas Wentworth Higginson 1823 1911 that you are looking for. It will unquestionably squander the time.

However below, in imitation of you visit this web page, it will be so entirely easy to acquire as without difficulty as download guide Magnificent Activist The Writings Of Thomas Wentworth Higginson 1823 1911

It will not take on many period as we notify before. You can complete it even though performance something else at house and even in your workplace. hence easy! So, are you question?
