The Eartheart Experience Charles Anthony Lallo, 2020-01-16 The Eartheart Experience *PLAN ET A Plan* called EartheartT The Eartheart Experience is a philosophy transcending all that separate us Based upon our two most basic essential elements our EARTH our home EXternal and our HEART our home INternal these two common denominators to every one of us create a platform for us to all come together in a spirit of love and beauty emanating from Divine Expression It is not happenstance nor coincidence that these two most important elements to our existence happen to have exact same characters in exact same sequence with exact same numerological value It is not mere happenstance that Matthew 12 verse 40 of the Holy Bible King James Version quotes Jesus saying As Jonas lay in the belly of the whale for three days and three nights so shall the Son of man lay in the HEART of the EARTH E A R T H E A R T The Eartheart Experience points us homeward toward our spiritual mystical essence This philosophical perspective gives glimpse to an underlying Truth Reality showing us there is more than meets the eye in life The Eartheart Experience is an expression of the flow of grace This FLOW expresses a FLOWer of higher consciousness and greater awareness A deeper level of reality is that we all come from the same Source of Life It is this Source of Life that awakens each of us into every new day This is a common truth for us all How real do YOU want to get The answer determines how well we get to know ourselves A must do The EARTH is our HOME HOME is where the HEART is A perfect alignment for ENLIGHTENED ILLUMINATED LIVING YOU Universe is the book God is the author Charles Lallo

The Coming New World Order Thomas J. Mueller, 2015-04-02 This book proposes a step by step blueprint for a better

world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming

Shielded by God'S Power Ivy Christian,2017-06-13 Domestic violence is defined by the National Coalition Against Domestic Violence as the willful intimidation physical assault battery sexual assault or other abusive behavior that is used to overpower and control another person Domestic violence takes on many forms both visible and hidden And according to studies it affects one person every twenty seconds Domestic violence is not a new problem in America but is one that has sadly existed for decades And while the majority of victims are female domestic violence knows no income bracket demographic age race or religion domestic violence occurs in every facet of society Despite the many groups working to help victims of domestic abuse the problems persist Domestic violence is more commonly seen in situations where someone the abuser believes that behaviors such as physical verbal emotional religious sexual or economical abuse is acceptable and justifiable Adding to the perceived justification of abuse is the victims inability to see the denigrating acts as abuse Then when they do identify the problem they feel trapped by their circumstancesbe it due to fear lack of funds poor physical condition or various psychological issuesand are unable to leave the situation More disturbing than the obvious problems of domestic abuse is that there have been connections made between domestic

violencespecifically sexual abuse in childrenand satanic influences forces This type of abuse is referred to as satanic ritual abuse SRA The abuses suffered due to satanic influences are often more severe forms of physical and sexual abuse especially in the form of child pornography prostitution and being used for snuff films These abuse victims are often so brainwashed that they dont dare speak out And while there are those who would like to ignore the connections between abuse and satanic forces the fact remains that abuse is not something promoted in scripture The believer is told to care for the helpless and to lift up the fallen not knock them down and beat them up In homes where children are abused they often grow up to become adults who struggle with relationships authority figures and problem solving Worse abused children often become adult abusers thus perpetuating the problem Studies have also found that children who see their mother abused are more likely to develop PTSD post traumatic stress disorder Also interesting is that there is now a correlation between childhood domestic violence and adult health conditions like arthritis ischemic heart disease IHD chronic obstructive pulmonary disease COPD liver disease irritable bowel syndrome chronic pain pelvic pain ulcers and migraines Psychological challenges include depression severe anxiety panic attacks and a feeling of worthlessness As you read Ivys story you will discover that she could easily be the poster child for domestic violence She spent fifteen years living in a situation where mental physical emotional and sexual abuse were part of her daily life She then entered a marriage that ultimately albeit differently was more of the same But Ivys story does not end as it began She heard about a Savior who loved her unconditionally And while initially Ivy did not understand her Saviors love in time she learned the meaning of real love and acceptance As you read her story you will see how she looked and worked to eventually overcome the challenges brought on by domestic abuse If you have been abused or know someone who is or has been in an abusive situation then Ivys story can help It will provide hope and help as you see that while domestic abuse is horrific there is one who can overcome the hold abuse has on a persons life Dont let abuse keep you or a loved one from enjoying life Take the step now to begin the first day of the rest of your life *Personal Immortality by Automatic All-Natural Processes* Everett Cheney,2010 This all naturalistic book is offered in response to a growing worldwide need for a new comprehensive alternative to Supernaturalistic Theism Modern learning and recent religion inspired human world savagery have turned off more people than ever before from the many traditional Supernaturalistic Theistic Religions Worldwide more than a billion people already share all naturalistic world views and values but many lack an adequate chart to help navigate the rough and uncertain waters of personal living existence This book is an effort to provide information to help the interested naturalistic reader formulate such a chart and in the process also explain how and why everyone automatically and unconditionally lives forever by forever ongoing all natural processes The concept of all things by natural processes that is described and explained in this book could give some people a whole new understanding of Reality and change their lives for the better in important ways And it might also inspire some people to more fully and enthusiastically participate in the celebration of life and when their end times near help them make their final
