Magpie New Writing:

News Writing Anna McKane, 2013-11-14 Deserves to be on every journalism student's reading list and every tutor's bookshelf. It is clear, straightforward and scholarly in a very accessible way, bursting with good advice and insight which should benefit all who read it. Kate Jenner, School of Journalism and Digital Communication, University of Central Lancashire. A first-class, no-nonsense guide to news writing. Anna McKane's wealth of experience both as a journalist and a lecturer in journalism gives *News Writing* the edge over similar tomes. Kate Shanahan, Lecturer in Journalism, School of Media, Dublin Institute of Technology. The ability to hone and craft an eye-catching news story is fundamental to good journalism. It is an essential skill that the young journalist of today must carry with them. The growth of online journalism and the use of social media has meant that the skills required in news writing are evolving, opening up fresh challenges and exciting new possibilities. Anna McKane's *News Writing* takes you step by step through the key aspects of writing news on both print and online platforms, equipping you with all that you need to become an articulate, accurate and engaging journalist. Crucially, the book will show you how to create an attention-grabbing intro or first paragraph, structure the content of your story effectively, use the appropriate language. Fully updated to account for the role of online journalism, this second edition guides you through the essentials of website presentation, from headlines and standfirsts to the use of smartphone images and links. An all-new chapter shows you how to use Twitter and online blogs to piece together a winning story, and up-to-date examples and exercises throughout encourage you to pick apart and analyse the techniques used in a variety of recent news stories across a range of platforms. This is the essential workbook to take you through your studies in Journalism and News Writing. A *Magpie's Tale* Anna Odland Portisch, 2023-01-13 Telling the story of the author's time living with a Kazakh family in a small village in western Mongolia, this book contextualizes the family's personal stories within the broader history of the region. It looks at the position of the Kazakh over time in relation to Tsarist, Russian, Soviet, Chinese and Mongolian rule and influence. These are stories of migration across generations, bride kidnappings and marriage, domestic violence and alcoholism, adoption and family, and how people have coped in the face of political and economic crisis, poverty and loss, and perhaps most enduringly, how love and family persist through all of this. **Transformative Learning Through Creative Life Writing**

Celia Hunt, 2013-06-26 *Creative Life Writing as a Tool for Transformative Learning* examines the effect of creative writing on learners in terms of their personal development and individual sense of self. **Sightlines** Rage Theatre Productions, 2012-08-07 Every three years over the last decade the Mumbai-based theatre group RAGE in collaboration with the Royal Court Theatre in London organizes the Writers Bloc Workshop. Offering a much-needed artistic retreat to playwrights, this workshop allows aspiring and professional playwrights a chance to perfect their scripts with established actors and professionals from within the industry. Apart from encouraging them to break free from the rigid boundaries of English theatre in India to fashion their own idiom, the workshop also ensures its playwrights access to the final pilgrimage of

any script the stage As it stands today the infamous debate on whether an Indian play written in English mirrors a bona fide Indian reality is no longer relevant Using a vocabulary that is entirely their own unaffected homegrown and lyrical the three plays in this collection convincingly capture the peculiar accents and the particular chaos of our times Rahul Da Cunha s Pune Highway is set in a seedy hotel room where three friends having just witnessed the gruesome murder of a fourth are holed up desperate to escape its consequences Ram Ganesh Kamatham s Crab takes a hard talking look at the existential angst of a new generation looking at once for purpose and an emotional safe place from an increasingly concrete world Farhad Sorabjee s Hard Places explores the unspoken borders that divide us from our loved ones and the violently disputed borders between countries Bridging the invisible lines between the personal and the political and taking us to places and situations a little less familiar and safer than our own these brilliantly written plays can be performed and empathized with across territories
