MAIGRET AND THE BUM

GEORGES SIMENON

Maigret And The Bum

Georges Simenon

Maigret And The Bum:

Maigret and the Bum Georges Simenon, 1982 A homeless man is found beaten and unconscious along the banks of the Seine Inspector Maigret must connect him to a past and a possible motive for his attempted murder The investigation provides Maigret with a chilling look at those who have rejected society and the small measure of justice it offers them Maigret is a registered trademark of the Estate of Georges Simenon *Maigret and the Tramp* Georges Simenon, 2019-07-16 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When a beggar is pulled from the River Seine having been badly beaten Inspector Maigret must investigate the man to uncover his attacker While sleeping under the Pont Marie bridge a homeless man known as Doc is viciously beaten and thrown into the River Seine to drown A pair of bargemen manage to rescue him and his identification reveals he was once a doctor in Mulhouse where coincidentally Inspector Maigret's sister in law lives Seizing on this connection Maigret must delve into the man's personal circumstances to figure out just who might have wanted him dead and why A fascinating fast paced story about the past lives we try to leave behind and the ways in which they return Maigret and the Tramp is a riveting mystery from Georges Simenon **Maigret's World** Murielle Wenger, Stephen Trussel, 2017-08-07 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself **Maigret and the Bum, and The Lost Victim, and The Dark Side of the Island** Georges Simenon, *Maigret and the Bum, the Locked Room, the Turquoise Lament* Georges Simenon, **Scene of the Crime** David Geherin, 2014-12-03 Offering analysis of the fiction of 15 authors for whom the setting greatly contributes to their overall literary style this book focuses on the many ways that place figures in modern crime and mystery novels The authors and their settings are Georges Simenon Paris Donna Leon Venice Tony Hillerman American Southwest Walter Mosley South Central Los Angeles George P. Pelecanos Washington D C Sara Paretsky Chicago James Lee Burke Southern Louisiana Carl Hiaasen South Florida Ian Rankin Edinburgh Alexander McCall Smith Botswana James McClure South Africa Maj Sjöwall and Per Wahloo Stockholm Paco Ignacio Taibo II Mexico City Leonardo Sciascia Sicily and Lindsey Davis Ancient Rome *Simenon* Stanley G. Eskin, 2025-03-05 The most comprehensive account of Georges Simenon's life and work in either English or French from his youth and adolescence in Belgium through his spirited beginnings as a writer of pulp fiction in the Paris of the 20s his invention of Maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction His obsession with women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed Also critical evaluations of his fiction

including the largely ignored pulp fiction Simenon's relationship to popular traditions literature detective fiction high literature and the critics are offered The photographs are rare and revealing e g with Josephine Baker cutting up in a bistro

Investigating Simenon Russell Campbell, 2022-10-04 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works *Essays on Detective Fiction* Bernard Benstock, 1983-12-15 Sequels Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

Fuel your quest for knowledge with is thought-provoking masterpiece, Explore **Maigret And The Bum** .
