Maigret And The Death Of A Harbor Master

Bill Alder

Maigret And The Death Of A Harbor Master:

Maigret and the Death of a Harbor-master Georges Simenon, 1989 The tidal regularity of life in a quiet village is broken when the local harbor master is murdered and Inspector Maigret must force the killer into the open by using all of his famous instincts

Maigret, Simenon and France Bill Alder, 2012-12-10 Georges Simenon 1903-1989 was a phenomenally successful author of crime fiction His 75 Maigret novels and 28 Maigret short stories were published between 1931 and 1972 to great international acclaim he is the only non anglophone crime writer to have achieved such renown His Maigret stories are regarded by many as having established a new direction in crime fiction emphasizing social and psychological portraiture rather than focussing on a puzzle to be solved or on action This book examines the importance of social class and social change in the Maigret stories giving a particular emphasis to the early formative novels and the development of plot characterization and setting The author seeks to establish the extent to which Simenon's portrait of French society is historically accurate and the nature of the influence of the author's own class position and ideology on his fiction

The Misty Harbour Georges Simenon, 2015-08-25 A writer as comfortable with reality as with fiction with passion as with reason John Le Carré An Inspector Maigret mystery and a gripping tale of lost identity A man picked up for wandering in obvious distress among the cars and buses on the Grands Boulevards Questioned in French he remains mute A madman In Maigret's office he is searched His suit is new his underwear is new his shoes are new All identifying labels have been removed No identification papers No wallet Five crisp thousand franc bills have been slipped into one of his pockets A distressed man is found wandering the streets of Paris with no memory of who he is or how he got there The answers lead Maigret to a small harbour town whose quiet citizens conceal a poisonous malice

Investigating Simenon Russell Campbell, 2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and

analyses that enable a better understanding of the works and of Maigret himself **Literary Afterlife** Bernard A. Drew, 2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer's real or pen name undisguised offshoots issued under the new writer's name posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author's characters **Sequels** Janet G.
