Maii And Cousin Horned Toad:

Lessons from Turtle Island Guy W. Jones, Sally Moomaw, 2002-09-01 The first comprehensive guide to addressing Native American issues in teaching children

Native Peoples, 1992 *The Essential Guide to Children's Books and Their Creators*, Upon publication Anita Silvey's comprehensive survey of contemporary children's literature *Children's Books and Their Creators* garnered unanimous praise from librarians, educators, and specialists interested in the world of writing for children. Now *The Essential Guide to Children's Books and Their Creators* assembles the best of that volume in one handy, affordable reference geared specifically to parents, educators, and students. This new volume introduces readers to the wealth of children's literature by focusing on the essentials: the best books for children, the ones that inform, impress, and most important, excite young readers. Updated to include newcomers such as J. K. Rowling and Lemony Snicket and to cover the very latest on publishing and educational trends, this edition features more than 475 entries on the best-loved children's authors and illustrators, numerous essays on social and historical issues, thirty personal glimpses into craft by well-known writers, illustrators, and critics, and invaluable reading lists by category. *The Essential Guide to Children's Books and Their Creators* summarizes the canon of contemporary children's literature in a practical guide essential for anyone choosing a book for or working with children.

Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature, this timely single-volume reference covers the books our children are or should be reading now, from board books to young adult novels. Enriched with dozens of color illustrations and the voices of authors and illustrators themselves, it is a cornucopia of delight. 23 color, 153 b/w illustrations.

This Land Is Our Land Agnes Regan Perkins, Alethea K. Helbig, 1994-09-26 How do you select the best recent works of fiction, oral tradition, and poetry about African American, Asian American, Hispanic American, and Native American Indian experiences and traditions from the profusion of titles being published today? This annotated bibliography of titles for children and young adults published from 1985 through the end of 1993, with 60% published since 1990, provides a one-stop selection tool. Appraisals of 559 titles, as well as information about an additional 188 recent books and 90 earlier ones of importance, are provided. Each entry features a plot summary, incorporating themes, critical comments with a judgment of the book's value as an example of its genre, suggestions of other books by that writer, and related books of importance. The authors, who are recognized authorities in children's literature, and an advisory board of librarians and teachers, each of whom specializes in the literature of a particular ethnic group, have provided insightful critical appraisals and expertise and guidance in the selection of titles. Helpful subject, grade level, author, title, and illustrator indexes are organized for ease of use. Titles in the grade level and subject indexes are also identified by ethnic group.
