Mainland China After The Thirteenth Party Congress King-yuh Chang, 2019-04-05 This book is an outcome of the conference Communist China After the Thirteenth Party Congress held in Taipei It raises few questions on the relationship between ideology and politics in mainland China

People's Republic of China-Hong Kong Special Administrative Region International Monetary Fund, 2018-01-22 This Selected Issues paper examines medium term fiscal prospects and policy recommendations for Hong Kong Special Administrative Region SAR Hong Kong SAR's fiscal framework has worked well over the last 20 years but challenges have emerged that will strain the fiscal position in the medium to long term Consequently while fiscal space is ample currently it could become gradually constrained over time The fiscal rule should be implemented flexibly and revenue mobilization needs to be considered down the road On the expenditure side containment will be hard given rapid aging and still high inequality The challenge will be to maintain investment and boost land supply while increasing social spending to guarantee that those who need support are effectively protected

People's Republic of China-Hong Kong Special Administrative Region International Monetary Fund. Asia and Pacific Dept, 2019-12-30 This 2019 Article IV Consultation with People's Republic of China Hong Kong Special Administrative Region SAR discusses that the economy is projected to start recovering next year but the pace is expected to be gradual and both near and medium term risks have increased significantly including from trade and technology tensions ongoing social unrest and structural challenges of insufficient housing supply and high income inequality Hong Kong SAR is well placed to address both cyclical and structural challenges with its significant buffers thanks to its long history of prudent macroeconomic policies Given that the fiscal framework permits deficits during economic downturns government spending should be increased significantly in the areas of social safety nets education retraining and infrastructure to cope with the cyclical downturn and address structural challenges of insufficient housing and high income inequality This should be complemented with measures to ensure fiscal sustainability and greater equity

Mainland China Yu-ming Shaw, 2019-04-05 Over the past several years Mainland China has undertaken reforms in various domestic areas including culture and society education the economy and the Communist Party In addition since September 1982 Peking has begun to pursue an independent course in foreign relations In this volume based on the Thirteenth Sino American Conference in Tai

Minerals Yearbook, 1965 *The Chinese Diaspora and Mainland China* C. Lever-Tracy, D. Ip, N. Tracy, 1996-09-06 The book describes the alliance since the mid 1980s of the entrepreneurs of the Chinese diaspora with the new locally based industrialisation that reform in China has allowed to flourish in its townships and villages The synergy between these two derives from the ability of small non bureaucratic actors on both sides to establish networks based on personal trust and reciprocity producing a new kind of transformative development from below in which established Western

China's Economic Statecraft: Co-optation, Cooperation And Coercion

Mingjiang Li, 2017-03-16 This book aims to study China's economic statecraft in the contemporary era in a comprehensive manner. It attempts to explore China's approaches to using its economic trade investment and financial power for the pursuit of its political security and strategic interests at the regional and global levels. The volume addresses three major issue areas in particular. The first issue pertains to how Beijing has used its economic clout to protect what it perceives as its core interests in its external relations. Three cases are included: the Taiwan issue, human rights and territorial dispute in the South China Sea. The second major area of inquiry focuses on how China has employed its economic power in its key bilateral relations including relations with Japan, North Korea, the United States and other states in the East Asian region. The third issue concerns China's economic statecraft in the global context. It addresses the impacts of China's economic power and policy on the transformation of the global financial structure, developments in Africa, the international intellectual property rights regime and China's food security relations with the outside world. *Foreign Commerce Study* United States. Congress. Senate. Committee on Interstate and Foreign Commerce, 1960
