Mainline Church's Funding Crisis Issues And Possibilities:

The Mainline Church's Funding Crisis Ronald E. Vallet, Charles E. Zech, 1995 This important study documents the continuing decline in mission funding throughout the mainline denominations in North America and Australia and offers sound biblically based recommendations for turning the situation around Ronald Vallet and Charles Zech examine the downward trend in mission funding and seek to explain the phenomenon by exploring social science theories that at the same time purport to provide solutions to the problem They go beyond these theories however by arguing that mainline denominations are in fact fatally enmeshed in the assumptions and presuppositions of modernity and that insights and real solutions to the funding crisis are more likely to be found in renewed Bible study and theological reflection *Financial Meltdown in the Mainline?* Loren B. Mead, 1998-11-01 Intentionally provocative Alban founder and former president Loren Mead's dynamic work sets out dramatic and compelling challenges for today's churches Mead chose the word meltdown a strong term indeed very carefully and consciously His clarion call urges congregations to direct attention to their dwindling financial resources and their unreliable fiscal practices and to take major action now or face disaster in the future Mead addresses changing church giving patterns the inconsistent ways congregations keep financial records the lack of coordinated short and long range planning the need for knowledge of sound financial techniques such as accounting for inflation an over reliance on restructuring to fix problems and lack of defensive planning for operational costs **The Quiet Hand of God** Robert Wuthnow, John H. Evans, 2002-10-21 Robert Wuthnow and John H. Evans bring together a stellar collection of essays that paints a contemporary portrait of American Protestantism a denomination that has remained quietly but firmly influential in the public sphere Mainline Protestants may have steered clear of the controversial attention grabbing tactics of the Religious Right but they remain culturally influential and continue to impact American society through political action and the provision of social services The contributors to this volume address religion's larger role in society and cover such topics as welfare ecology family civil rights and homosexuality Pioneering timely and meticulously researched *The Quiet Hand of God* will be an essential reference to the dynamics of American religion well into the twenty first century **The Presbyterian Church (U.S.A.) Foundation** R. Douglas Brackenridge, 1999-01-01 For two centuries the Presbyterian Church U S A Foundation has been at work serving the church and undergirding its mission In this authoritative and carefully researched history R. Douglas Brackenridge unfolds the story of how the Foundation developed its unique role in the Presbyterian Church U S A It is a history filled with strong leaders vigorous challenges and lively debate Brackenridge shows how the Foundation even in times of struggle has been shaped over the decades as a significant instrument of support to the Presbyterian Church U S A **Congregations at the Crossroads** Ronald E. Vallet, 2006-08-11 The most vital question confronting the church in North America at the turn of the century is whether it can in the face of the myriad distractions of modern society remember who it is what it is called to do and especially whose it is In this volume Ronald Vallet explores the

biblical basis for stewardship with major emphasis on God's promises and commands to help congregations become the households of God that he intends them to be. Vallet also discusses several church-related issues that affect the life and practices of congregations today. He deals with fantasies and fears about money in the congregation, shows the central role that authentic worship plays in focusing congregations on God, examines the proper roles of pastors and laity, and considers the prevailing concepts and practices of modern culture that can entangle today's churches. Vallet's work provides an insightful map for churches as they confront the confusing crossroads of life in our world. *Plain Talk about Churches and Money* Dean Hoge, Patrick McNamara, Charles Zech, 1998-11-01. Based on extensive research, this volume offers insight and help on the key fiscal topics confronting church leaders today, including: Why is the church so uneasy with the topic of money? Is there a difference between stewardship and fundraising? How can we motivate giving? Should we invest church funds? It tackles the resistance, fears, and difficulties about money common in congregations. The book is a must reading for lay leaders and anyone in pastoral ministry today. *Preaching to a Shifting Culture* Scott M. Gibson, 2004-08-01. The church in America is part of a changing culture, and today's preachers must be prepared to engage the unique issues of our postmodern age. Editor Scott M. Gibson has skillfully combined the works of many well-known preachers, including Haddon Robinson and Bryan Chapell, into one practical guide written for present and future church leaders. Including questions for reflection and suggestions for further reading, this helpful resource addresses important topics such as preaching to a postmodern audience, pluralism, and the intersection of preaching and psychology. *Preaching to a Shifting Culture* is a must read for preachers. It intensified my passion to preach Scripture; it clarified for me some critical issues related to preaching, and it triggered some ideas and strategies I will build into my preaching. Steve Mathewson, author of *The Art of Preaching: Old Testament Narrative*. A stimulating potpourri of evangelical insights for changing times. Michael Quicke, Charles Koller, Professor of Preaching and Communications, Northern Baptist Theological Seminary. Timely and relevant, this collection of essays thoughtfully explores the issues facing today's preacher and calls today's preacher to thoughtfully face the issues. Patricia Batten, pastor, Village Baptist Church, Kennebunkport, Maine. Those who are called to proclaim the Word in a contemporary setting will benefit from the analysis and suggestions offered in this outstanding collection. Michael Duduit, editor, *Preaching* magazine. *The Encyclopedia of Christianity, Volume 1 (A-D)* Erwin Fahlbusch, Jan Lochman, John Mbiti, Jaroslav Pelikan, Lukas Vischer, 2025-04-14.
