The Reading for Real Handbook Martin Coles, Colin Harrison, 2002-08-27 The Reading for Real Handbook was very well received by both teachers and literacy specialists when it was published in 1992 Since its first publication there have been significant changes in the field of reading not least of which has been governmental demands for higher standards in reading and the resultant National Literacy Strategy NLS As well as providing invaluable help for teachers struggling with the National Literacy Strategy and the Literacy Hour several other new topics of interest are also addressed including teaching fiction non-fiction inside and outside the Literacy Hour integrating reading writing and spelling work involving parents assessment and working with slower readers

Young Readers and Their Books Gervase Phinn, 2013-11-26 First Published in 2000 This book offers teachers a useful and very readable text to help them select stories poetry and non-fiction material for the primary classroom with ideas on how to teach them Appropriate selection criteria are discussed and suggestions are given about keeping up with a range of available texts There is a comprehensive guide to the whole range of books appropriate for use in the Literacy Hour Part 2 gives practical approaches tried and tested in primary classrooms which reflect the guidance contained in The National Curriculum Programmes of Study for English and The National Literacy Strategy Gervase Phinn has rare gifts as a teacher speaker storyteller and writer all of which skills come together in the authoring of this book

The Nanny Diaries Emma McLaughlin, Nicola Kraus, 2007-02-06 Written by two former nannies Emma McLaughlin and Nicola Kraus The Nanny Diaries deftly punctures the glamour of Manhattan's upper class Now a major motion picture starring Scarlett Johansson and Laura Linney Wanted One young woman to take care of four year old boy Must be cheerful enthusiastic and selfless bordering on masochistic Must relish sixteen hour shifts with a deliberately nap deprived preschooler Must love getting thrown up on literally and figuratively by everyone in his family Must enjoy the delicious anticipation of ridiculously erratic pay Mostly must love being treated like fungus found growing out of employers Herm's bag Those who take it personally need not apply Who wouldn't want this job Struggling to graduate from NYU and afford her microscopic studio apartment Nanny takes a position caring for the only son of the wealthy X family She rapidly learns the insane amount of juggling involved to ensure that a Park Avenue wife who doesn't

work cook clean or raise her own child has a smooth day When the Xs marriage begins to disintegrate Nanny ends up involved way beyond the bounds of human decency or good taste Her tenure with the X family becomes a nearly impossible mission to maintain the mental health of their four year old her own integrity and most importantly her sense of humor Over nine tense months Mrs X and Nanny perform the age old dance of decorum and power as they test the limits of modern day servitude

The Oxford Companion to Children's Literature Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children's books A fascinating reference guide to the world of children's literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children's hymns

Transforming Preschool Storytime Betsy Diamant-Cohen, Melanie A. Hetrick, 2013-06-18 According to recent research the best way to make new connections in a child's brain is by building on something already known A child who loves a book will listen to it repeatedly maintaining interest Using a selected book in a number of consecutive preschool storytimes but presenting it differently each time can help children learn new skill sets This book presents a new approach to storytime one that employs repetition with variety to create an experience which helps children connect and engage with the story on a higher level Diamant Cohen recently awarded the 2013 ASCLA Leadership and Professional Achievement Award and Hetrick offer a year's worth of activities specifically designed to address multiple intelligences through a repetition based process Incorporating recent theories on developmental learning this book includes Scripts for 8 different books with enough activities to repeat each one for six weeks along with lists of optional alternative books Planning aids such as outlines of storytime sessions a fill in the blanks planning sheet questions for evaluation and tips for enhanced storytimes using props and crafts Detailed but straightforward explanations of theory and research that will help readers communicate effectively with parents caregivers and other stakeholders From setup to execution here's everything you need to create and implement a successful elevated storytime
