For Hemingway, hunting was more than just a passion; it was a means through which to explore our humanity and man's relationship to nature. Courage, awe, respect, precision, patience—these were the virtues that Hemingway honored in the hunter and his ability to translate these qualities into prose has produced some of the strongest accounts of hunting of all time. With selections from his best-loved novels and stories along with journalistic pieces from such magazines as *Esquire* and *Vogue*, this spectacular collection is a must-have for anyone who has ever tasted the thrill of the hunt in person or on the page.
