Me Jane

William Evans Burton, Edgar Allan Poe

Me Jane:

Jane's Gift Abby Gaines, 2013-05-07 Fresh starts don't come easy. No one understands that more than Jane Slater as in the notorious Slaters of Pinyon Ridge, Colorado. She's carved out a good life far from the town where few forgive and nobody forgets and isn't interested in going back. Until her best friend's dying wish that she care for her family gives Jane no choice. Sweet little Daisy and her daddy Kyle Everson need Jane's help. As mayor, Kyle's all about perfection, so Jane knows the last thing he wants is her interference, especially if he were to discover everything she's hiding. Figure in that pesky flare of attraction between them and it's obvious that sticking around is a big risk. Because the harder Jane works to fix Kyle's family, the more she wants to be a part of it.

Jane's Harmony Ryan Winfield, 2014-08-05 From the New York Times bestselling author of *Jane's Melody* comes the next chapter in Jane and Caleb's breathtaking love story. Starting over is hard to do. That's what forty-year-old Jane McKinney learns when she quits her job, sells her home, and leaves Seattle behind to start a new life and pursue the man she loves in Austin. After the death of her daughter Melody, Jane never thought she would find happiness again until she met Caleb Cummings. Sensitive, loving, and mature beyond his years, Caleb is a handsome young musician struggling to make ends meet. But when his fortunes take an unexpected and drastic turn for the better, Jane is left wondering where exactly she fits in. Can you ever leave the past behind? Jane must now decide if she really is willing to commit to a new beginning with Caleb or if some wounds are just too deep to ever truly mend.

Jane's Island Marjorie Hill Allee, 2022-08-16 In *Jane's Island*, Marjorie Hill Allee crafts a tapestry of adolescent introspection and environmental appreciation, enveloping the reader in a world both delicate and audacious. The prose, elegant and evocative, captures the zeitgeist of early nature-centric children's literature, offering a lens into both the untamed beauty of the outdoors and the internal landscapes of its young protagonist. Hill Allee's attention to detail and profound understanding of youthful curiosity translate into a narrative that transcends its era, achieving a timelessness that resonates with the fervent splendor of growing up alongside nature's myriad wonders. The literary style is marked by a graceful lucidity, situating the novel within the broader currents of the 20th-century literary tradition, attuned to the pastoral and the coming-of-age journey as spaces of learning and transformation. Marjorie Hill Allee, with her profound connection to both the natural world and the emotional worlds of young people, is uniquely situated to have crafted such a narrative. Her background, potentially influenced by the thematic and pedagogic shifts in society regarding children's literature, suggests a depth of understanding on how the physical environment shapes and molds the character and resilience of children. *Jane's Island* may be seen as an encapsulation of Hill Allee's dedication to exploring these ideas, weaving them into a tale that charms and educates, urging a closer kinship with nature. For anyone seeking a book that explores the subtleties of childhood wonder and environmental enlightenment, *Jane's Island* is a warm and inviting recommendation. The book beckons readers of all ages to step into the shoes of its plucky heroine to experience the thrill of discovery and the maturation that follows. It is a timeless story that

offers not only a window into the natural world but also a mirror reflecting our own innate connection to it Jane's Island is poised to captivate, enrich and inspire a commendable addition to any reader's library and a classic piece of literature that deserves to be rediscovered by contemporary audiences

A Year in Her Life Alice Benson, 2019-07-11 Bonnie is a young woman engaged and passionate about her new job, her feminist ideals and her friends Bonnie is also single and looking for a soulmate Her last boyfriend dumped her after she supported him through law school Her new boyfriend is nice but a little boring and they're not attuned politically Then Bonnie meets Jane She's a little older, experienced and compelling They share a commitment to feminism and social justice Unfortunately Jane is married Still Bonnie finds her attraction growing She denies it because Jane is off limits but Bonnie is compelled and sure the attraction is mutual Set in 2016 the election is a backdrop to Bonnie's turbulent year of searching for love This is a story of growth and maturation told in a voice that grows from timid to hopeful to confident and explores the complexity of relationships as well as themes relevant to the current times

Cornish Short Stories Tim Hannigan, 2018-04-02 Ghosts walk in the open and infidelities are conducted in plain sight Two teenagers walk along a perfect beach in the anticipation of a first kiss Time stops for nothing not even for death Sometimes time cracks disrupting a fragile equilibrium The stories are peopled with locals and incomers sailors and land dwellers a diver searches the deep for what she has lost and forbidden lovers meet in secret places Throughout the writer's words reveal a love of the incomparable Cornish landscape This bold and striking new anthology showcases Cornwall's finest contemporary writers combining established and new voices including Philipa Aldous Cathy Galvin Anastasia Gammon Tim Hannigan Clare Howdle Adrian Markle Tim Martindale Candy Neubert Felicity Notley Sarah Perry S Reid Alan Robinson Rob Magnuson Smith Katherine Stansfield Emma Staughton Sarah Thomas Emma Timpany Tom Vowler Elaine Ruth White

Melancholy Baby Sheila Katherine Adams, 1981

Luv'n a Young Ratchet City Boss Renessa D Jackson, 2024-07-01 Raylexia Gavion had been carrying the weight of her world for as long as she could remember From taking care of her siblings after her grandmother passed to juggling school and work she'd been in survival mode since she was a child But Raylexia She was more than just a survivor She was a hustler and she wasn't about to let life or circumstances knock her down No Raylexia was focused, locked in on her goals and determined to make it

out the mud She walked the fine line between street smarts and book knowledge knowing one without the other wouldn't be enough School despite its challenges was a means to an end for her The classroom was just another battlefield where grades were the currency for her future Every class every assignment every test she handled them like a boss But even with all that the responsibilities at home were never far from her mind Her siblings depended on her They didn't ask for it but Raylexia had become the glue holding them all together even when her world felt like it was coming apart at the seams From making sure homework was done to getting food on the table she played every role necessary sister parent and sometimes counselor when things got too real Still Raylexia's dream was bigger than her day to day hustle She wasn't about to let her current situation define her future She had a vision one that would pull her and her family out of the struggle for good Owning a business being her own boss and creating something that would last something no one could take away from her Her friend Shamena always had a thing for hair Deana for fashion Shayla for decoration and Johnya for touch massage They all had a knack for making people look and feel good Cosmetology seemed like the path But more than that it was their way out While some of their peers were chasing guys and living for the moment Raylexia and her friends were planning stacking their money and plotting their next moves That's where our crew was different from the rest We weren't just friends we were each other's backup Deana Shamena Johnya and Shayla each of them had their own struggles but together they were a force They understood Raylexia's drive because they had their own ambitions too It wasn't just about surviving the streets or getting by it was about rising above it building something that would last It started small late night talks after shifts brainstorming sessions over cold pizza But soon the vision became real Raylexia with her natural leadership and business acumen led the charge They pooled their resources saved every dollar and made sacrifices that others couldn't understand It wasn't glamorous but nothing worth having ever was They hit the grind balancing jobs family obligations and their hustle on the side We gon make it y'all Just wait Raylexia would say her voice steady eyes sharp with focus She believed it And when she spoke the others believed it too
