Me And Nu Childhood At Coole:

Me and Nu Anne Gregory, 2000 **Me and Nu** Anne Gregory, 1978 The author's childhood memories of living at Coole Park with her grandmother Lady Gregory *Me & Nu* Anne Gregory, 1970 *Lady Gregory's Toothbrush* Colm Tóibín, 2002

Later she wrote plays celebrating rebellion but trembled in her bed when the Irish revolution threatened her property and her way of life *The Winding Stair and Other Poems* William Butler Yeats, 2012-03-13 An exact facsimile of the 1933 first edition of W B Yeats's *The Winding Stair and Other Poems* a famously beautiful elegant volume intended as a companion to *The Tower* with an introduction and notes by the eminent Yeats scholar George Bornstein This Scribner facsimile edition reproduces exactly the pages of the elegantly planned and designed first edition of *The Winding Stair and Other Poems* as it first appeared including a photo of the cover design on which Yeats collaborated It adds an introduction and notes by celebrated Yeats scholar George Bornstein Yeats's longest separate volume of verse it features sixty four poems written in the late 1920s and early 1930s Among them are such masterpieces as *Blood and the Moon* *Byzantium* the *Coole Park* poems *Vacillation* and two separately titled long sequences ending with the exquisite lyric *From the Antigone* These poems amply justify T S Eliot's contention that Yeats was one of the few poets whose history is the history of their own time who are a part of the consciousness of an age which cannot be understood without them *A Journey Into Ireland's Literary Revival* R. Todd Felton, 2010-07 From the 1890s until the 1920s a great tide of literary invention swept Ireland As the country struggled for political independence the writers who formed the Irish Literary Revival created a new authentically Irish literature Some such as W B Yeats John Synge and Lady Gregory celebrated the mystical tradition of Ireland's west others such as Sean O Casey explored Dublin's crowded streets and tenements This fascinating revealing and beautiful book examines the relationship between these writers and the towns and countryside that fueled their imaginations Part history part biography and part travel guide *A Journey into Ireland's Literary Revival* takes the reader to Galway the Aran Islands Mayo Sligo Wicklow and Dublin Along the route it visits the cottages and castles crags and glens theaters and pubs where some of the country's finest writers shaped an enduring vision of Ireland *Transatlantic Renaissances* Kathryn Stelmach Artuso, 2013 The impulses that fired the Southern Literary Renaissance echoed the impetus behind the Irish Literary Revival at the turn of the twentieth century when Ireland sought to demonstrate its cultural equality with any European nation and disentangle itself from English imposed stereotypes Seeking to prove that the South was indeed the cultural equal of greater America despite the harsh realities of political defeat economic scarcity and racial strife Southern writers embarked on a career to re imagine the American South and to re invent literary criticism *Transatlantic Renaissances Literature of Ireland and the American South* traces the influence of the Irish Revival upon the Southern Renaissance exploring how the latter looked to the former for guidance artistic innovation and models for self invention and regional renovation While Deleuze and Guattari's model for minor literature refers to minority or regional authors who work within a major language for purposes of

subversion Artuso modifies their term along generic and thematic lines to refer to errant female juveniles within subsidiary genres whose nonconformist development threatens to disrupt the dominant patriarchal culture of a region or nation Using the themes of initiation and maturation to anchor the book Artuso analyzes how the volatile development of young women in revivalist texts often reflects or questions larger growth pangs and patterns including the evolution of the literary revival itself and the development of a regional minority group that must work within a dominant culture language and nation while seeking methods of subversion With minor literature as the container for undervalued genres such as popular fiction and short stories often considered an author's juvenilia this work investigates not only how these texts challenge the authoritative claims of the novel but also scrutinizes the renaissance trope of female rebirth as the revivalists often figured cultural national or regional regeneration through the metamorphoses or maturation of female protagonists such as Cathleen n Houlihan Scarlett O'Hara and Virgie Rainey Drawing upon New Historical New Critical and postcolonial approaches Artuso examines works by Lady Gregory Margaret Mitchell Eudora Welty Elizabeth Bowen Jean Toomer and James Joyce Myth and Reality in Irish Literature Joseph Ronsley,2006-01-01 Myth and Reality in Irish Literature offers a rich collection of essays covering a wide spectrum of Irish literature from the early medieval saints and scholars to twentieth century writers such as Joyce and Beckett Lady Gregory Synge Yeats O'Casey and Myles na Gopaleen are among the poets playwrights critics and authors treated in the book The essays are written from both a personal and a scholarly perspective Contributors to the volume include the Irish authors Denis Johnston Thomas Kilroy Kate O'Brien and Thomas Kinsella and scholars David Greene Denis Donoghue Ann Saddlemyer and Shotaro Oshima Of interest to students of English Literature as well as observers of the Irish scene this book is of particular value to students of Irish heritage and literature **Twentieth Century Drama** Simon Trussler,1983-04-01 A compendium of information on all the main events individuals political groupings and issues of the 20th century It provides a guide to current thinking on important historical topics and personalities within the period and offers a guide to further reading *A Guide to Twentieth Century Literature in English* Harry Blamires,2021-06-23 First published in 1983 A Guide to Twentieth Century Literature in English is a detailed and comprehensive guide containing over 500 entries on individual writers from countries including Africa Australia Canada the Caribbean India Ireland New Zealand Pakistan Sri Lanka and the UK The book contains substantial articles relating to major novelists poets and dramatists of the age as well as a wealth of information on the work of lesser known writers and the part they have played in cultural history It focuses in detail on the character and quality of the literature itself highlighting what is distinctive in the work of the writers being discussed and providing key biographical and contextual details A Guide to Twentieth Century Literature in English is ideal for those with an interest in the twentieth century literary scene and the history of literature more broadly
