Healing Hearts Kathy Shelton, 2014-02-03 Healing Hearts A Journey in the Midst of Spiritual Adversity is the remarkable story of many emotionally painful and traumatic experiences from author Kathy Shelton's life telling how the Lord Jesus Christ healed deep places of emotional and spiritual wounds in her heart so that she could then help others. It was written to encourage those who have undergone painful and traumatic situations and let them know that there is healing and freedom available through the love of Jesus Christ. Healing Hearts is also intended to be a resource for and inspiration to those who are currently serving the Lord or who are considering becoming involved in inner healing ministry. Our spiritual growth is often blocked by unhealed emotional and spiritual wounds. Most of us have been unaware of the effect that the painful and traumatic events in our lives have had on us and our ability to grow in the Lord. Unless healing occurs for the pain that has been stuffed we may struggle for years and sometimes our entire life in our walk with God. Spiritual maturity is a process. It is not something that occurs automatically the moment after we ask Jesus into our lives. Oh if it were just that simple. In James 1:4 we are instructed to become mature and complete not lacking anything. We must pursue spiritual maturity. **I Could Take His Punch** John P. McTernan, 2012-06 This book captures the legend of Joe McTernan. He was a legendary figure to his family and all that knew him. When reading this book you will be amazed, astonished and laughing about his adventures and exploits. He almost seems like a character out of a novel but all his exploits are true. He possessed incredible strength, an unbelievable appetite along with an indomitable will. He could defeat professionally trained fighters and walk up to wild deer and touch them. He was an expert with horses and a marksman with a rifle. He overcame accidents and sicknesses that few if any people could and yet lived to 95. His encounter with Jesus Christ at the very end of his life was a true miracle by all who witnessed it. He was supposed to die but instead came out of a catatonic state praising Jesus as his Savior. He could not breathe yet with supernatural power was proclaiming Jesus. He was a beacon of God's love to all that came close to him. **I Can Take His Punch** is uniquely inspirational and a most enjoyable read. It is a book that you cannot put down and a story you will never forget. John P. McTernan is the founder of Defend and Proclaim the Faith Ministry. He has written eight books including his best seller *As America Has Done to Israel*. He has spoken on hundreds of radio and TV shows defending Israel in light of Bible prophecy. He cofounded International Cops for Christ and Blessing Israeli Believers. He has a BS from Virginia Commonwealth University and a honorary PhD from Calvary Christian College. He served for 26 years as a federal agent for the US Treasury Department. He has four children and five grandchildren. The Flow of the Spirit John G.
