Ministering To The Oppressed Satan Demons And Demon Possession Series:

Ministering to the Oppressed Kenneth E. Hagin, 1977 *Holy Spirit, the Deliverer* Loreatha Gunnels-Mayberry, 2014

When someone becomes a Christian they belong to God but the devil doesn't always let go easily. Sometimes he tries to hold on to what who used to be his. That's why deliverance ministry is so important, freeing God's people from the ties that can bind and keep them from knowing the fullness of their new life in Him.

Spiritual Warfare and Deliverance Harold Ristau, 2025-07-29 There is much more to our common struggles than meets the eye. To navigate spiritual warfare with Christian maturity and wisdom covers both ordinary spiritual warfare like personal temptation and extraordinary encounters such as demonic oppression, possession, and exorcisms from a pastor, missionary, and former military chaplain. Our modern Western world is deeply confused about what is good and what is evil. We know little about angels and demons though the Scriptures we purport to believe have much to say about them. We blur the distinction between God and the devil. And we are paying for it. Denial of reality does not change reality. Drawing from Scripture, history, and his own experiences as a missionary and a military chaplain, Harold Ristau helps Christians develop a biblical understanding of our spiritual vulnerability in both ordinary life such as personal temptation and extraordinary situations such as demonic oppression and possession. He takes us beyond theory where many other resources stop, laying out practical tools to equip us for our own personal battles and steps to take to protect ourselves and others from the evil forces at work in our world. And he lays out an effective, proven process for mature ministers and clergy to follow when performing an exorcism. There is much more to the struggles we face in life than meets the eye. If you want to be prepared for the battles that lie ahead, this book is your grounded, thorough, and hope-filled guide to ministering to the demonically oppressed or possessed.

Understanding Folk Religion: 25th Anniversary Edition Paul G. Hiebert, R. Daniel Shaw, Tite Tienou, 2024-04-24 This book has served the missiological community for twenty five years as a resource for understanding human spirituality in any context Thousands of students have incorporated the principles of this book into ministry around the globe This twenty fifth anniversary edition seeks to enable those who now bring their passion for mission to contemporary contexts affected by globalization climate change and political perspectives unimaginable when this book originally appeared Every community wherever it is on earth has its share of beliefs and values that manifest themselves in practices that reflect spiritual engagement Those engaged in mission need to appreciate how underlying beliefs and values are reflected in handling spiritual power worship and blessing and interaction with others Gospel

communicators must account for these elements as they seek to make God's intentions known to people who are searching for God. The models presented early in the book are essential for establishing what people consider spiritually critical. Applying these models in any religious environment will enable message bearers to engage with beliefs and practices that promote a gospel presentation that makes sense. To that end, we commend this book for effective missional engagement.

Ministers of Vengeance D.H. Penny, 2018-10-12 Real World Application of the Judeo-Christian faith for the Military Intelligence and Law Enforcement communities. Principles and guidelines for those serving in all nations and cultures. The Lord God says, "Thou shalt not kill," yet we do. Cain killed Abel. Criminals steal, destroy, and kill. Soldiers kill the enemy. The enemy kills us. Then comes the day you pull the trigger and send someone into eternity. You did what must be done. Some say it had to be done, but you still sinned. Others say it's all a sin and should not be done at all. But where does that leave you? This book has the answers. Is "Thou shalt not kill" really that cut and dry? Are there Biblical precedents or provisions for Christians to do what is necessary in the line of duty without sinning? Is doing your duty to God and Country the dirty work really a sin? No, it's just the opposite. What God authorizes and the support He provides will surprise, encourage, and empower you. **Ministers of Vengeance** Gives Biblical guidance during undercover ops for lying, stealing, sabotage, and more. Looks at subjects like lethal force, authority, and different religious views of warfare. Draws a blueprint for prayer and a covenant mindset toward the enemy and for yourself. Discusses PTSD, concepts of mental, emotional, and physical healing, help, and prevention. Examines spiritual gifts and help from the Holy Spirit and angels for the dirty work. Tackles the Problem of Evil and presents a Biblical Just War Theory or Doctrine of Violence. Pro Deo Et Patria For God and Country.

The Essential Guide to Deliverance Larry Richards, 2016-10-04 Practical Everyday Introduction to Deliverance for All Christians. For most Christians, the word deliverance often brings negative connotations to mind: lots of yelling and holy water and darkness, maybe even something from a Hollywood horror movie exorcism. But deliverance is not about shouting or showmanship. It is about the simple act of asking Jesus for help for freedom and using his authority over the enemy. In this accessible and practical guide, evangelical leader and bestselling author Larry Richards walks you through the who, what, when, where, why, and how of deliverance. In everyday language, he shows how you can apply this information to your life and the lives of your friends and family. As children of God, we have been given access to Jesus' death-defying power to help free ourselves and others from evil. You don't have to continue to struggle with persistent problems or strongholds. Your loved ones can be freed from the lies or addictions that hold them back. There is hope in Christ; you can live in freedom. Includes an extensive glossary of terms and appendixes with prayers and even more practical resources.

Prophetic Jesus, Prophetic Church Luke Timothy Johnson, 2011-09-12 In this and every age, the church desperately needs prophecy. It needs the bold proclamation of God's transforming vision to challenge its very human tendency toward expediency and self-interest to jolt it into new insight and energy. For Luke Timothy Johnson, the New Testament books Luke and Acts provide that much-needed jolt to conventional norms. To read Luke

Acts as a literary unit he says is to uncover a startling prophetic vision of Jesus and the church and an ongoing call for today's church to embody and proclaim God's vision for the world **Demon Possession & the Christian** C. Fred Dickason, 1989 Shows from theology the Bible and counseling experiences that Christians can be affected by demonic activity Equips believers to fight spiritual battles and win **Biblical Demonology** Merrill F. Bellini, 2022-04-07 The

Spirit and Healing in Africa Deborah van den Bosch-Heij, 2012-01-01 There is a great need for healing in Africa This need is in itself no different elsewhere in the world but it is greatly determined by the involvement of religious communities and traditions Faith communities and religious institutions play a major role in assisting African believers to find health healing and completeness in everyday life

My First Exorcism Harold Ristau, 2016-04-14 What the scientific community dismisses as a mental disorder Christians have often labeled demon possession While classifications may offer limited help in explanation the Reverend Dr Harold Ristau explores the nature and meaning of demonic activity by drawing from his own experiences with exorcism Ristau shares life lessons spiritual applications and religious wisdom from his personal encounters with the dark realm Primarily intended for clergy his reflections offer a springboard intended to stimulate critical thinking challenge metaphysical presuppositions and inspire a belated conversation on a topic that has traditionally been avoided not because of a lack of empirical evidence but due to the fear that it incites inside of us Yet if the claims of the historic Church are true that demons do in fact exist and seek our destruction then an honest examination of the phenomenon and its impact on the ways in which we live and reason is an essential endeavor for any practitioner of the ministry of deliverance
