objects and contemporary African American puppetry This study approaches the question by looking at the whole performance complex surrounding African performing objects and examines the material culture of object performance

Object Performance in the Black Atlantic argues that since human beings can attribute private personal meanings to objects obtained for personal use such as dolls vessels and quilts the lines of material culture continuity between African and African American object performance run through objects that performed in ritual rather than theatrical capacity Split into three parts this book starts by outlining the spaces where the African American object performance complex persisted through the period of slavery Part Two traces how African Americans began to reclaim object performance in the era of Jim Crow segregation and Part Three details how increased educational and economic opportunities along with new media technologies enabled African Americans to use performing objects as a powerful mode of resistance to the objectification of Black bodies This is an essential study for any students of puppetry and material performance and particularly those concerned with African American performance and performance in North America more broadly

Father Gaetano's Puppet Catechism Mike Mignola, Christopher Golden, 2012-10-16 From the creator of Hellboy Father Gaetano's Puppet Catechism by Mike Mignola and Christopher Golden is an illustrated novella that brings Twilight Zone originality to the written page In the aftermath of a critical World War II battle Father Gaetano is assigned as the sole priest at the Church of San Domenico in the small seaside Sicilian village of Tringale The previous pastor has died and there is a shortage of clergy at the moment so until another can be spared the young priest must say all of the masses himself Mass is not Father Gaetano's only responsibility however The war has created many orphans and thus the San Domenico rectory has been converted into an orphanage which is also his domain The children are a joy to him but they have lost so much and many have begun to question their faith and their God and his attempts to teach them catechism are in vain until he finds an old puppet theatre and an ornate box of puppets in the basement Handcrafted by the building's former caretaker now absent the puppets seem the perfect tool to get the children to pay attention to their lessons But after dark the puppets emerge from that ornate box without their strings While the children have been questioning their faith the puppets believe Father Gaetano's Bible stories completely But there is such a thing as too much faith And the children's lives will never be the same again

Real Puppets, Real Issues Paul Reed, 2016-03-09 It is no secret that some people are feeling alienated from the church for various reasons social status sexual orientation or how they dress among others For these reasons as well as others some have felt compelled to leave the church The purpose of this book is to minister to those very people to show them that although the church is not perfect Jesus Christ is real and alive and will never mistreat them or abuse them that in His heart there is a place for them too Perhaps the most important part of ministering to those feeling like there is no spiritual home for them in the church is to demonstrate that while the church struggles to exemplify the love of Christ Christ Himself is still real and is still alive and loves each and every one with a deep and abiding love It is my hope that those who either read these scripts or see them
