Nelson,2012-12-29 Why do so many ministries fall to the tricks of the enemy What if you could see the warning signs before destruction hits your ministry T D Nelson shares personal stories of her experiences in large and small ministries who were rising to great heights but they were brought down by ignoring the subtle moves of the enemy which over time destroyed the progress reputation and impact of each ministry You will learn that There is nothing new under the sun The enemy will find your weakness The tricks of the enemy can be discerned A good defense can read and thwart the enemy s plays God is pouring His Spirit on this generation and ministries are being birthed on an ongoing basis It is heart breaking to see these ministries fade away especially as the enemy s kingdom continues to advance on the youth and the world as a whole Jesus said Behold I send you forth as sheep in the midst of wolves be ye therefore wise as serpents and harmless as doves Matthew 10 16 If you are a part of a ministry that is in its beginning stages or one that is making an impact for the Kingdom of God you will find that learning how to read the plays of the enemy can protect your ministry from unnecessary attacks **MAKING MONEY SENSE: GOD'S TRUTH** David Wong,2011-11-02 God s Promise of Wealth If you

Evans, In this book we will bring clarity to the roles of prophets the functionality of prophetic ministry and the expressions of the prophetic gift This study is

comprised of 4 distinct works on the prophetic office and gift 1 The Forming of the Prophet The Preparation of the Prophet and Prophetic Minister for Ministry and Service 2 If They Be Prophets An Examination of the Prophetic Office and Gift 3 The Prophetic Mantle The Gift of Prophecy and Prophetic Operations in the Church Today 4 Prophetic Clarity Exploring Questions Answers for the Prophetic Office and Gift It is our prayer that a greater understanding and appreciation for the prophetic gift and ministry will be achieved      Women in the Church (Third Edition) Andreas J. Köstenberger, Thomas R. Schreiner, 2016-02-12 The role of women in the church is more hotly debated today than ever Christians on all sides of the issue often turn to the apostle Paul's words in 1 Timothy to justify their position arguing over the meaning and application of this challenging passage Now in its third edition this classic exposition of 1 Timothy 2:9-15 includes contributions by Thomas Schreiner Andreas Köstenberger Robert Yarbrough Rosaria Butterfield and others walking readers through the biblical text with careful exegesis sound reasoning and a keen awareness of the implications for men and women in the church Academically rigorous yet pastorally sensitive this book offers Christians a helpful overview of Paul's teaching related to how men and women are to relate to one another when it comes to authoritative teaching in the local church Includes a new preface a new conclusion four updated chapters and two all new chapters      **Women in Ministry** Edgar Stubbersfield, 2022-05-24 Worldwide most Christians are members of denominations that exclude women from ministry However coinciding with the rise of feminism there has been a strong pushback against this traditional view Conversely in some quarters there has been a strengthening of resolve to maintain the status quo believing that male leadership is God ordained and valid for all times and places Is the push for women in Christian leadership a case of the church now conforming to the spirit of the age or has the church with its male leadership for the last 1900 years been guilty of that Is the present move for inclusion a case of yet more light and truth breaking forth from God's word This book is a defense of women's role in ministry It looks initially at the condition women lived under when the New Testament was written and their expectation for ministry Later chapters examine the discord in ancient Ephesus that led to restrictions in ministry for women and then look in detail at 1 Tim 2:8-15 the passage that is commonly quoted to restrict women's roles My conclusion is that that it does not provide clear evidence of a permanent prohibition of women in leadership roles      **Message to the Church** Tricia F. Beltran, 2022-07-19 This book is a call to repentance I pray that everyone that reads this book receives the Revelation knowledge God is calling the world to repentance and the church to turn back to its first love God wants us to come up higher in him No more making excuses or doing church as usual God is calling the church to be the light in this dark world He is calling us to holiness so we can represent him in the earth I believe once we repent and turn back to God we will see a mighty move of God We need to pray for revival I believe revival will hit our land after we repent God is preparing the body of Christ for his return I pray we all be ready for that great day Peace and blessings to you      **Theological Reflection and Education for Ministry** John E. Paver, 2016-02-17 A major and continuing problem for theological education and the

practice of Christian ministry is how to best achieve a genuine integration between theory and practice theology and experience The key claim of this book is that theological reflection beginning with experience is a method of integration and that pastoral supervision is a vehicle for theological reflection In establishing this claim John Paver demonstrates that the model and method have potential to be a catalyst for reform within theological colleges and seminaries Three different theological reflection models are developed and critiqued in this book and their capacity to be developed in particular contexts is explored This book does not stop at ministry cultural and personal integration but is bold enough to make recommendations for structural integration within the theological institution *Smashing Deception in the House of God*
