Transforming the Church in Africa Vernon E. Light, 2012 This book is a must read for serious Christians hoping to obey the Great Commission to make disciples in Africa Vernon strikes an admirable balance between academic depth and practical application helping us to appreciate the interface between the gospel of Jesus Christ and the traditional African worldview I heartily recommend this book to all thinking Christian leaders in Africa pastors teachers and missionaries Kevin G Smith DLitt PhD Vernon Light wrote this book with an apostolic passion in the way the apostles presented and proclaimed the Gospel to world religions and cultures It is an exciting study of African traditional religion and its relation to Christianity It shows that for Christianity to thrive and be relevant biblically and transformationally in Africa firstly Christian scholars and theologians are needed who understand and address Africa s traditional heritage and Western modern postmodern and pluralistic ideologies and secondly the Gospel must be contextually relevantly meaningfully and practically taught through an effective discipleship program The book based on extensive research and massive use of resources is a valuable tool for students pastors scholars and theologians interested in the state of Christianity and religious change in Africa Professor Yusufu Turaki PhD Much more than being a useful resource this is a book with a mission Like Jeremiah of old Jer 20 9 Vernon is a man with a passion and message from God to the society to which God has called him Like Jeremiah Vernon is totally convinced of the absolute truth of his message in the midst of a myriad of conflicting opinions and that his message will change society from disaster to hope Would that it is heard Professor David T Williams DTh The Rev Vernon E Light BSc BDHons MTh is a member of the academic staff at the South African Theological Seminary **Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Unreconciled** Paul S. Jeon, 2018-10-18

The summons to live a radical life for God has led us away from doing the very basic things he has commanded. Instead of changing the world, our Lord Jesus calls us to change the way we approach relationships. Specifically, he challenges us to pursue reconciliation. Unreconciled, The New Norm invites Christians, especially those who are busy seeking to do great things for a great God, to remember the command to go and be reconciled and to renew their commitment to live in obedience to the things God has revealed. Perhaps by pursuing the seemingly ordinary, we will see God do extraordinary things in our pursuit to create cultures of reconciliation.

Lindsay, 2023-12-21. *Wisdom, Faith, and Service* captures the essence of the institutional vocation and mission of Bushnell University from its founding in 1895. In this book, current Bushnell People reflect theologically and practically on the university's mission and share the stories of other Bushnell People whose lives embody the high calling of wisdom, faith, and service.

The Kingdom of God Christopher W. Morgan, Robert A. Peterson, 2012-11-30. The kingdom of God is a very large biblical category. Indeed, a comprehensive understanding of the kingdom would illuminate many aspects of theology. With this in mind, Bruce Waltke, Robert Yarbrough, Gerald Bray, Clinton Arnold, Gregg Allison, Stephen Nichols, and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines. One of the most important books on the kingdom since G. E. Ladd, this volume offers a robust theology and is corroborated by the very series in which it stands. Fourth in the noted *Theology in Community* series, *The Kingdom of God* establishes the significance of the kingdom from the perspectives of biblical theology, systematic theology, history, pastoral application, missiology, and cultural analysis. Part of the *Theology in Community* series.

The Heart of Hebrews Leslie Powers, 2018-08-08. Making the

presence of God known in the world goes to the very heart of the church's purpose. Yet it is a formidable challenge. How can the church make the presence and glory of God a reality in a world that both denies God and hates the church? By the church bearing the image of Jesus Christ in the world through word and deed for as the unknown author of Hebrews declares Jesus is the radiance of God's glory and the exact representation of His being Hebrews 1:3. It is not the primary purpose of the church to specialize in economic, social or political issues but rather to proclaim the good news of what God has accomplished in and through Jesus Christ. When the church quits proclaiming Christ to proclaim a message of love, acceptance, tolerance and affirmation then it ceases to effectively fulfill its purpose and loses its relevancy. Christ came into the world to proclaim the Gospel in the marketplace and He did so while never surrendering His identity or sacrificing His purpose for the sake of relevancy. He expects his church in every age to do likewise. The greatest need in the church today is exactly what the early church needed in the first century. In a church that is infected with a spiritual apathy, has forsaken her first love, has compromised truth and is lukewarm, a new vision of the risen and glorified Christ dwelling in her midst is needed. The only method God designed to lead the church to recover the awareness of Christ's presence is prayer and preaching that focuses on Jesus Christ. Thus if the church is to flourish again there is no greater need than a recovery of faithful, powerful biblical preaching whose subject is Christ and the new birth.

You Will Be My Witnesses Brian A. DeVries, 2024-09-24

Theological Introduction to the Witness of the Church within the Mission of God Mission is God's work. God spoke the first promise of gospel hope, sent his Son into this fallen world and commissioned his Spirit to empower his church for witness. Until the day Christ returns, God has called his people to participate in his mission through evangelism, apologetics, church planting, cultural engagement, gospel suffering and many other activities that faithfully communicate gospel hope in Christ. This practical introduction provides a biblical framework for understanding the church's role in God's mission. It reviews the biblical story of God's mission, draws insights from the church's witness since Pentecost and studies aspects of contemporary Christian witness. Each chapter ends with study questions to encourage further reflection and discussion by church members and ministry leaders. Readers will gain refreshing insights into how they can participate in faithfully bearing witness to Christ through the church's work in the world today.

Confessional and Contemporary Precisely defines the biblical aspects of God's mission and Christian witness built upon time-tested theology yet freshly applied for witness in the post-Christendom world.

Accessible Written for church members, college and seminary students, ministry workers and church leaders who are committed to creating a community that bears witness to Christ in an unchurched society.

Practical and Motivational Clear and crisp writing style enhanced by many helpful figures and charts and infused with a gospel passion to declare God's glory among the nations.

Spurs Discussion Thought-provoking study questions at the end of each chapter to encourage further reflection and faithful action.

Evangelicals and Social Action Ian J. Shaw, 2021-10-21

Evangelical Christians around the world have debated for years the extent to which they should be involved in ministries of social action and concern. In

Mission in Action Martin C. Salter, 2019-04-18 Missional ethics is concerned with the way in which the believing community's behaviour is in and of itself a witness to the wisdom and goodness of God The debate surrounding the relationship between word and deed or evangelism and social action remains a significant issue within evangelical missiology Martin Salter seeks to address one aspect of that debate namely the missional significance of ethics by conducting detailed exegesis of key biblical texts He argues that biblical ethics is neither entirely separate from nor merely preparatory for mission rather it is an integral part of the church's mission Missional ethics is a theme that arises from the biblical texts and is not imposed on them The church as both organism and institution embody a missional ethic that includes worship justice and charity Word and deed belong together as an integral whole Salter's valuable study concludes by offering a definition of missional ethics

Pro-Life Pulpit Stephen Tu, 2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners Handbook of the

Christian Philanthropy Paul S.
