Today's adolescents face an uphill climb as they seek to own their faith. And while it's easy to think that what they really need is an expert, Owning Faith lets you in on God's big secret: what they need more than anything else is you. Owning Faith is an accessible guide into the adventure-filled spiritual journey of adolescents. If you would like to learn how to be a wise and compassionate companion that can make an eternal difference in the lives of youth, Owning Faith will show you how. *Youth in Family Ministry* Luke Dockery, 2018-08-24

It is a well-established fact: a lot of young people are leaving the church after high school. What is even worse is that some of the very youth ministry practices that have been used to help young people are in fact harming them. That is a sobering reality, but in response, we shouldn't throw up our hands in despair; rather, we should determine to do a better job in ministering to young people. What does the Bible teach us about passing faith on to the next generation? What insight can research studies share with us about developing lifelong faith in our kids? *Youth In Family Ministry: A Handbook* seeks to answer these questions by looking to the pages of Scripture and summarizing the latest research to provide a model of youth ministry that will help to build lasting faith in young people. *Passing on the Faith* Merton P. Strommen, Dick Hardel, 2008

From the Introduction: This book is about passing on the faith from generation to generation throughout the milestones of a person's life. Faith is created and nurtured by the Holy Spirit through the Gospels. The vision underlying the RADICAL model was developed in light of the theological principle that faith is formed by the Holy Spirit through personal, trusted relationships, often but not always in our own homes. A youth and family ministry for the 21st century connects all the generations in the total ministry of the congregation and through the cross of Christ recognizes the work of the Holy Spirit shaping faith in all the circles of relationships. This revised edition expands on the authors' original model in an all-new chapter on the circle of creation. This edition has also been updated throughout in light of new ideas and research that have emerged during the past decade. *The Ministry of Nurture* Duffy Robbins, 1990

In this thoughtful, comprehensive guide, you will find ideas for encouraging spiritual growth in young people by one of the most authoritative voices in youth ministry today. *Playing Games with God: How to Avoid Shallow Youth Ministries and Find a Biblical Group for Your Kids* Sam Magdalein, 2016-08-31

Just like all schools are not the same, all youth groups are not the same. But how can parents know that their kids are going to a good Biblical youth ministry? And what makes a group Biblical? In *Playing Games with God*, Sam Magdalein lays out a simple framework that parents can use when searching for and examining a youth group for their teens. But what about modern youth ministries? Parents may have a feeling that something is wrong in these churches but can't quite put their finger on the problem. Sam includes a thorough examination of the foundations, philosophies, drivers, and everyday practices of modern youth groups. Using numerous quotes from youth ministry seminary textbooks, lessons, plans from youth ministry conferences, ministry resource books, and articles, you'll read in their own words what modern churches are actually doing with our kids.
