W. Diggle, 2015-07-10 Excerpt from The Ministry of the Word and Sacraments Churches overestimate the Word in relation to the Sacraments others overestimate the Sacraments in relation to the Word Some underrate the ministry of preaching others the ministry of the Sacraments In some the sacramental ministry overtops the prophetic ministry in others the prophetic overshadows the sacramental In the Church of England with which I am now chiefly concerned neither ministry is overshadowed or overtopped by the other both receive in loyalty to Holy Scripture their due and full recognition At the same time the authorized formularies of the Church of England leave no room for doubt to which of these two ministrations precedence is given Quite distinctly and without possibility of doubt the Church of England places the ministry of the Word before that of the Sacraments Wherever in the Prayer Book the phrase the ministry of the Word and Sacraments is used the Word always comes first the Sacraments second Nowhere is this order reversed When a man is ordained to the diaconate a New Testament is delivered to him by the Bishop saying Take thou authority to read the Gospel in the Church of God and to preach the same if thou be thereto licensed by the Bishop himself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Here I Am, Lord, Send Me** Neal D. Wagenman, 2020-11-20 It is fascinating that in all the media reports and discussions of the church's abuse of power in the early years of the twenty first century few if any seemed to notice that the accusation of the church's misuse of power presupposed a shared understanding of the positive use of power within the church that had been violated Rather than an interest in the sociological aspect of this question this book examines the more ontological and normative aspects of it That is it investigates and discerns the foundational theological framework of culture and society and the location and purpose of the church within them As a cultural force and societal institution what does the church constructively bring to the human community *Lay Presidency at the Eucharist?* Nicholas Taylor, 2009-07-21 Nicholas Taylor provides an Anglican theological approach to the controversial questions surrounding the demand for allowing lay ministers to preside at the Eucharist This is a pressing issue thoroughly reviewed and addressed Consuming Glory Gannon Murphy, 2006-09-22 In the late 1990s Open Theism took the theological world by storm Advocated by several prominent theologians among them Clark H Pinnock the view argues that human beings cannot have a genuine relationship with God if God possesses what classical theology has affirmed to be exhaustive foreknowledge of future events Such foreknowledge open theists claim would make human freedom and salvation itself meaningless and divine power akin to little more than meaningless cosmic puppeteering While several works have taken the important step of addressing open theism's scriptural deficiencies in its denial of God's foreknowledge none have dealt with the vital issue of divine human relationality and how it can be understood in a classical orthodox framework that maintains such foreknowledge *Consuming Glory* remedies that lack by first providing a fresh critique of open theism using Clark Pinnock's version of it as representative but then offering a reconstruction of divine human relationality centered on the Biblical principle of *Christus in nobis* Christ in us *Christus in nobis* is coupled with an outworking of meticulous divine providence that serves God's own self glorifying orientation It reverses the relational ordering advocated in open theism by grounding human love of God theologically rather than anthropologically Love of God and divine human relationality is established precisely because it is God's own self love that is providentially given to us and thus reciprocated as believers are brought into adoptive communion with the Triune Godhead Drawing on diverse resources throughout the corpus of historical theology Murphy concludes that divine human relationality can be summarized as God delighting in himself in us Lectures on the Church and the Sacraments Peter Taylor Forsyth, 1917 **The Reality of the Church** Claude Welch, 2004-07-06 Here is an attempt to define the reality of the church to answer the question Wherein does the church have its being One of the central themes in this analysis is the relation of the church to Christ and the Holy Spirit And this motif is set in the context of the wide variety of ways in which the New Testament describes the church with Dr

Welch taking account of several oft ignored elements He seeks to view the church in the wholeness of its being as an historical community of human beings existing in response to the creative and redemptive work of God Fundamental features of such related problems as the Incarnation the sacraments the ministry and church discipline are touched upon as well in this highly competent scholarly work

*Beyond 400* David J.
