United States. Bureau of Labor Statistics,1925 **Friendlyvision** Ralph Engelman,2011-04-20 Fred Friendly 1915 1998 was the single most important personality in news and public affairs programming during the first four decades of American television Portrayed by George Clooney in the film Good Night and Good Luck Friendly together with Edward R Murrow invented the television documentary format and subsequently oversaw the birth of public television Ralph Engelman s biography is the first comprehensive account of Friendly s life and work Juggling the roles of producer policy maker and teacher Friendly had an unprecedented impact on the development of CBS in its heyday wielded extensive influence at the Ford Foundation under the presidency of McGeorge Bundy and trained a generation of journalists at Columbia University during a tumultuous period of student revolt Drawing on private papers and interviews with colleagues family members and friends Friendlyvision is the definitive story of broadcast journalism s infamous wild man providing crucial perspective on the past and future of American journalism **Free Speech and Unfree News** Sam Lebovic,2016-03-14 Does America have a free press Many who say yes appeal to First Amendment protections against censorship Sam Lebovic shows that free speech on its own is not sufficient to produce a free press and helps us understand the crises that beset the press amid media consolidation a secretive national security state and the daily newspaper s decline Ragtime Dave Jasen,2020-08-13 Ragtime An Encyclopedia Discography and Sheetography is the definitive reference work for this important popular form of music that flourished from the 1890s through the 1920s and was one of the key predecessors of jazz It collects for the first time entries on all the important composers and performers and descriptions of their works a complete listing of all known published ragtime compositions even those self published and known only in single copies and a complete discography from the cylinder era to today It also represents the culmination of a lifetime s research for its author considered to be the foremost scholar of ragtime and early twentieth century popular music Rare photographs accompany most entries taken from the original sheets newspapers and other archival sources The Fourth Estate and the Constitution Lucas A. Powe,1992-10-02 In 1964 the Supreme Court handed down a landmark decision in New York Times v Sullivan guaranteeing constitutional protection for caustic criticism of public officials thus forging the modern law of freedom of the press Since then the Court has decided case after case affecting the rights and restrictions of the press yet little has been written about these developments as they pertain to the Fourth Estate Lucas Powe s essential book now fills this gap Lucas A Powe Jr a legal scholar specializing in media and the law goes back to the framing of the First Amendment and chronicles the two main traditions of interpreting freedom of the press to illuminate the issues that today ignite controversy How can a balance be achieved among reputation uninhibited discussion and media power Under what circumstance can the government seek to protect national security by enjoining the press rather than attempting the difficult task of convincing a jury that publication was a criminal offense What rights can the press properly claim to protect confidential sources or to demand access to information otherwise barred to the public And as the media grow larger and larger can the government attempt to limit

their power by limiting their size Writing for the concerned layperson and student of both journalism and jurisprudence Powe synthesizes law history and theory to explain and justify full protection of the editorial choices of the press The Fourth Estate and the Constitution not only captures the sweep of history of Supreme Court decisions on the press but also provides a timely restatement of the traditional view of freedom of the press at a time when liberty is increasingly called into question

Holstein-Friesian Herd-book, Containing a Record of All Holstein-Friesian Cattle ... Holstein-Friesian Association of America,1925 *Makers of the Media Mind* Wm. David Sloan,2014-07-10 *Makers of the Media Mind* is a collection of analytical essays focusing on the most important and original ideas contributed to the field of mass communication by journalism educators Divided into six sections representing the most prominent areas of specialization in the field this text serves two significant purposes first it acquaints readers with the lives of preeminent journalism educators second it provides concise discussions and evaluations of the most compelling ideas those educators have to offer The editor of and contributors to this text contend that ideas cannot be appreciated fully without an understanding of the creators of those same ideas They hope that this volume s coverage of creators as well as concepts will demonstrate that journalism education has played a critical role in the making of the media mind **Military Law Review** ,1983 **The Big Con** David Maurer,2010-10-27 The classic 1940 study of con men and con games that Luc Sante in *Salon* called a bonanza of wild but credible stories told concisely with deadpan humor as sly and rich in atmosphere as anything this side of Mark Twain Of all the grifters the confidence man is the aristocrat wrote David Maurer a proposition he definitely proved in *The Big Con* one of the most colorful well researched and entertaining works of criminology ever written A professor of linguistics who specialized in underworld argot Maurer won the trust of hundreds of swindlers who let him in on not simply their language but their folkways and the astonishingly complex and elaborate schemes whereby unsuspecting marks hooked by their own greed and dishonesty were taken off i e cheated of thousands upon thousands of dollars *The Big Con* is a treasure trove of American lingo the write the rag the payoff ropers shills the cold poke the convincer to put on the send and indelible characters Yellow Kid Weil Barney the Patch the Seldom Seen Kid Limehouse Chappie Larry the Lug It served as the source for the Oscar winning film *The Sting* *An Aristocracy of Critics* Stephen Bates,2020-10-27 The story behind the 1940s Commission on Freedom of the Press groundbreaking then timelier than ever now A well constructed timely study clearly relevant to current debates Kirkus starred review In 1943 Time Inc editor in chief Henry R Luce sponsored the greatest collaboration of intellectuals in the twentieth century He and University of Chicago president Robert Maynard Hutchins summoned the theologian Reinhold Niebuhr the Pulitzer winning poet Archibald MacLeish and ten other preeminent thinkers to join the Commission on Freedom of the Press They spent three years wrestling with subjects that are as pertinent as ever partisan media and distorted news activists who silence rather than rebut their opponents conspiracy theories spread by shadowy groups and the survivability of American democracy in a post truth age The report that emerged *A Free and Responsible*

Press is a classic but many of the commission's sharpest insights never made it into print. Journalist and First Amendment scholar Stephen Bates reveals how these towering intellects debated some of the most vital questions of their time and reached conclusions urgently relevant today. We Must Not Be Afraid to Be Free Ronald K.L. Collins, Sam Chaltain, 2011-02-25 In a stinging dissent to a 1961 Supreme Court decision that allowed the Illinois state bar to deny admission to prospective lawyers if they refused to answer political questions Justice Hugo Black closed with the memorable line We must not be afraid to be free Black saw the First Amendment as the foundation of American freedom the guarantor of all other Constitutional rights Yet since free speech is by nature unruly people fear it The impulse to curb or limit it has been a constant danger throughout American history In We Must Not Be Afraid to Be Free Ron Collins and Sam Chaltain two noted free speech scholars and activists provide authoritative and vivid portraits of free speech in modern America The authors offer a series of engaging accounts of landmark First Amendment cases including bitterly contested cases concerning loyalty oaths hate speech flag burning student anti war protests and McCarthy era prosecutions The book also describes the colorful people involved in each case the judges attorneys and defendants and the issues at stake Tracing the development of free speech rights from a more restrictive era the early twentieth century through the Warren Court revolution of the 1960s and beyond Collins and Chaltain not only cover the history of a cherished ideal but also explain in accessible language how the law surrounding this ideal has changed over time Essential for anyone interested in this most fundamental of our rights We Must Not Be Afraid to Be Free provides a definitive and lively account of our First Amendment and the price courageous Americans have paid to secure them Routledge Revivals: Encyclopedia of American Civil Liberties (2006) Paul Finkelman, 2018-02-05 Originally published in 2006 the Encyclopedia of American Civil Liberties is a comprehensive 3 volume set covering a broad range of topics in the subject of American Civil Liberties The book covers the topic from numerous different areas including freedom of speech press religion assembly and petition The Encyclopedia also addresses areas such as the Constitution the Bill of Rights slavery censorship crime and war The book's multidisciplinary approach will make it an ideal library reference resource for lawyers scholars and students **Media Law and Ethics** Roy L. Moore, Michael D. Murray, 2012-03-27 This is the first textbook to explicitly integrate both media law and ethics within one volume A truly comprehensive overview it is a thoughtful introduction to media law principles and cases and the related ethical concerns relevant to the practice of professional communication With special attention made to key cases and practices authors Roy L Moore and Michael D Murray revisit the most timely and incendiary issues in modern American media Exploring where the law ends and ethics begin each chapter includes a discussion of the ethical dimensions of a specific legal topic The Fourth Edition includes new legal cases and emerging issues in media law and ethics as well as revised subject and case indices In addition to a separate chapter devoted exclusively to media ethics by Michael Farrell a new chapter on international and foreign law by Dr Kyu Ho Youm has also been added Resources on the companion website
