Saved from the River and the Fire. A Simple Story of Irish Faith and Irish Valour in the ... American War.

By J. P. G. J. P. G., 1876 There is No Death Florence Marryat, 1891 **The Reuben Atkinson Story** Reuben

Atkinson, 2009-08 The Reuben Atkinson Story covers little known Texas history, the trials and tribulations of Mexican Americans during the periods of political turmoil in 1836 and again in the early 1900s. It covers events that show us how Mexican Americans survived these hardships. The section about life on the ranch and life on the farm reveals the intuitive ways in which the Mexican American culture used to enjoy the good times and survive the difficult times. The military career section provides an overview of the author's life in the United States Air Force in the late 1950s and after. The author also shares his ideas for improving our educational system on a nationwide basis. The forms and recommendations for students and parents to use when applying to college and requesting scholarships may be of great value to them. The author has also included a selection of traditional Mexican recipes, wild game recipes, and some delicious but weird Mexican recipes which will be of great interest to readers. All the Year Round, 1871 **New Feminist Research Ethics** Maryanne

Dever, 2023-03-31 New Feminist Research Ethics re-examines the place of the ethical in feminist research and identifies new ethical priorities for feminist researchers. As urgent social, political, and environmental challenges demand new ethical sensibilities, contributors revisit the relationship between feminism and research to ask what it means to be an ethical feminist researcher now. They explore how hierarchies of privilege have shaped our understandings of research ethics and question how evolving understandings of feminist research ethics sit alongside formal institutional ethics processes. Contributors also situate feminist research ethics in the context of a broader ethics of care and repair. Importantly, New Feminist Research Ethics acknowledges the need for feminist ethical research frameworks that encompass multiple perspectives and draw from diverse traditions of knowing. The volume brings together established and emerging scholars and perspectives from sociology, history, gender studies, archival studies, cultural studies, and architecture. It was originally published as a special issue of the journal Australian Feminist Studies. The Guernsey Magazine, 1890 **Make:**
