Minor Omissions Children In Latin American History And Society

Tobias Hecht

Minor Omissions Children In Latin American History And Society:

Minor Omissions Tobias Hecht, 2002-09-07 Latin American history the stuff of wars elections conquests inventions colonization and all those other events and processes attributed to adults has also been lived and partially forged by children Taking a fresh look at Latin American and Caribbean society over the course of more than half a millennium this book explores how the omission of children from the region's historiography may in fact be no small matter Children currently make up one third of the population of Latin America and the Caribbean and over the centuries they have worked played worshipped committed crimes and fought and suffered in wars Regarded as more promising converts to the Christian faith than adults children were vital in European efforts to invent loyal subjects during the colonial era In the contemporary economies of Latin America and the Caribbean where 23 percent of people live on a dollar per day or less the labor of children may spell the difference between survival and starvation for millions of households Minor Omissions brings together scholars of history anthropology religion and art history as well as a talented young author who has lived in the streets of a Brazilian city since the age of nine The book closes with the prophetic dystopian tale The Children's Rebellion by the noted Uruguayan writer Cristina Peri Rossi

A Companion to Mexican History and Culture William H. Beezley, 2011-03-16 A Companion to Mexican History and Culture features 40 essays contributed by international scholars that incorporate ethnic gender environmental and cultural studies to reveal a richer portrait of the Mexican experience from the earliest peoples to the present Features the latest scholarship on Mexican history and culture by an array of international scholars Essays are separated into sections on the four major chronological eras Discusses recent historical interpretations with critical historiographical sources and is enriched by cultural analysis ethnic and gender studies and visual evidence The first volume to incorporate a discussion of popular music in political analysis This book is the recipient of the 2013 Michael C Meyer Special Recognition Award from the Rocky Mountain Conference on Latin American Studies

Childhood in a Global Perspective Karen Wells, 2015-02-02 The second edition of this compelling and popular book offers a unique global perspective on children's lives throughout the world It shows how the notion of childhood is being radically re-shaped in part as a consequence of globalization Taking an engaging historical and comparative approach the book explores social issues such as how children are constituted as raced classed and gendered subjects how children's involvement in war is connected to the globalization of capitalism and organized crime and how school and work operate as sites for the governing of childhood The book discusses wide-ranging topics including children's rights the family children and war child labour and young people's activism around the globe In addition to updated literature throughout the revised edition includes new chapters on migration and trafficking and the role of play The book will continue to be of great value to students and scholars in the fields of sociology geography social policy and development studies It will also be a valuable companion to practitioners of international development and social work as well as to anyone interested in childhood in the contemporary

world *The Routledge History of Childhood in the Western World* Paula S. Fass, 2013 The Routledge History of Childhood in the Western World provides an important overview of the main themes surrounding the history of childhood in the West from antiquity to the present day By broadly incorporating the research in the field of Childhood Studies the book explores the major advances that have taken place in the past few decades in this crucial field The volume is composed of three parts The first part explores childhood from the Ancient World through to the Middle Ages and Early Modern Europe The second part examines the fundamental aspects of childhood and the life of children in the West since 1600 The essays address issues such as family work law sexuality and consumption The chapters think beyond national and continental boundaries so that readers are informed about general trends in the West while still alert to differences in gender class race and time The final part focuses on aspects of children's experiences in the modern world This section explains how childhoods have developed in distinct contexts and among specific children by using the growing literature on modern childhoods in various locales and at particular historical moments Including essays on all the key topics and issues *The Routledge History of Childhood in the Western World* will define how the history of children and childhood can best be understood in the longue dur e and comparatively while still acknowledging the importance of and encouraging scholarship on specific groups periods places and life course divisions This important collection from a leading international group of scholars presents a comprehensive survey of the current state of the field It will be essential reading for all those interested in the history of childhood

The Oxford Handbook of Latin American History Jose C. Moya, 2011 This Oxford Handbook comprehensively examines the field of Latin American history

Childhood in Global Perspective Karen Wells, 2009-06-22 This compelling new book offers a unique global perspective on children's lives throughout the world It shows how the notion of childhood is being radically re shaped in part as a consequence of globalization Taking an engaging historical and comparative approach the book discusses wide ranging issues such as children and war child labour and young people's activism around the globe Important themes considered include How children are constituted as raced classed and gendered subjects How family policy results in some kinds of family being labelled as normal and others as deviant and how this impacts in children How children's involvement in war is connected to the globalization of capitalism and organised crime How school and work operate as sites for the governing of childhood This book will be of great value to students and scholars in the fields of sociology social policy and development studies It will also be a valuable companion to practitioners of international development and social work as well as to anyone interested in childhood in the contemporary world

The Routledge Handbook of Global Child Welfare Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare *Routledge Handbook of Global Child Welfare* provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It

considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children

Women's Roles in Latin America and the Caribbean Kathryn A. Sloan,2011-08-03 This book surveys Latin American and Caribbean women s contributions throughout history from conquest through the 20th century From the colonial period to the present day women across the Caribbean and Latin America were an intrinsic part of the advancement of society and helped determine the course of history Women s Roles in Latin America and the Caribbean highlights their varied and important roles over five centuries of time providing geographical breadth and ethnic diversity to the Women s Roles through History series Women s roles are the focus of all six chapters covering themes that include religion family law politics culture and labor Each section provides specific examples of real life women throughout history providing readers with an overview of Latin American women s history that pays special attention to continuity across regions and variances over time and geography

Children of the Father King Bianca Premo,2006-05-18 In a pioneering study of childhood in colonial Spanish America Bianca Premo examines the lives of youths in the homes schools and institutions of the capital city of Lima Peru Situating these young lives within the framework of law and intellectual history from 1650 to 1820 Premo brings to light the colonial politics of childhood and challenges readers to view patriarchy as a system of power based on age caste and social class as much as gender Although Spanish laws endowed elite men with an authority over children that mirrored and reinforced the monarch s legitimacy as a colonial Father King Premo finds that in practice Lima s young often grew up in the care of adults such as women and slaves who were subject to the patriarchal authority of others During the Bourbon Reforms city inhabitants of all castes and classes began to practice a new politics of the child challenging men and masters by employing Enlightenment principles of childhood Thus the social transformations and political dislocations of the late eighteenth century occurred not only in elite circles and royal palaces Premo concludes but also in the humble households of a colonial city

Sexuality and the Unnatural in Colonial Latin America Zeb Tortorici,2016-02-09 Sexuality and the Unnatural in Colonial Latin America brings together a broad community of scholars to explore the history of illicit and alternative sexualities in Latin America s colonial and early national periods Together the essays examine how the unnatural came to inscribe certain sexual acts and desires as criminal and sinful including acts officially deemed to be against nature sodomy bestiality and masturbation along with others that approximated the unnatural hermaphroditism incest sex with the devil solicitation in the confessional erotic religious visions and the desecration of holy images In doing so this anthology makes important and necessary contributions to the historiography of gender and sexuality Amid the growing politicized interest in broader LGBTQ movements in Latin America the essays also show how these legal codes endured to make their way into post independence Latin America

A Cultural History of Youth in the Renaissance Lucy Underwood,2022-12-29 Written by a diverse team of experts this third volume of A Cultural History of Youth explores themes

such as rites of passage ideas about morality youthful engagement with religion and the Reformations and the experiences of young people With analysis of the broader framework in which the cultural histories of the Renaissance played out this volume combines detailed analysis of the 1450 1650 period with an examination of the representations and enactments of youth across time Richly illustrated with images of tapestries maps woodcuts and contemporary architecture and artwork this volume offers a detailed exploration of youth during the Renaissance and covers its interactions with themes such as Concepts of Youth Spaces and Places Education and Work Leisure and Play Emotions Gender Sexuality and the Body Belief and Ideology Authority and Agency War and Conflict and Towards a Global History Daily Life in Colonial Latin America Ann Jefferson,Paul Lokken,2011-08-17 This book offers an examination of everyday life in the Iberian colonies of Central and South America the indigenous peoples their Spanish and Portuguese colonizers and the Africans brought over as slaves Drawing on a wealth of primary documents and recent research Daily Life in Colonial Latin America gives readers a genuine sense of everyday living in Central and South America from the age of the great explorers in the 16th century to the beginning of the era of independence three centuries later Daily Life in Colonial Latin America considers the full range of people caught up in the sweep of history during this pivotal time Indians Spanish and Portuguese settlers Africans brought to the region as slaves Whites and Mestizos and women and children By focusing on the lives of those often overshadowed by history the book offers a new way of understanding how peoples from the Iberian peninsula sub Saharan Africa and the western hemisphere interacted to produce a uniquely Latin American culture *Iberia and the Americas* John Michael Francis,2005-11-21 This comprehensive encyclopedia covers the reciprocal effects that the politics foreign policy and culture of Spain Portugal and the American nations have had on one another since the time of Columbus From the discovery of Newfoundland and Labrador by Portuguese explorer Gaspar Corte Real in 1501 to the phenomenal Hollywood careers of Spanish movie stars such as Antonio Banderas and Penelope Cruz *Iberia and the Americas* traces 500 years of Iberian influence on the Americas and vice versa Featuring six introductory essays and a chronology of key events this three volume encyclopedia examines more than five centuries of transatlantic encounters Students of a wide range of disciplines as well as the lay reader will appreciate this exhaustive survey which traces Spanish and Portuguese influence throughout the Americas and highlights how Iberian cultures have in turn been enriched by the diverse cultures of the Americas Children's Rights from Below M. Liebel,2012-01-25 This book presents an integral cross cultural reflection on the social reality of children s rights and citizenship giving an insight into new perspectives on the history and different concepts of children s rights in a contextualized and localized manner **Healing the World's Children** Cynthia Comacchio,Janet Golden,George Weisz,2008-06-26 In 1990 the UN Convention on the Rights of the Child declared that children s survival protection growth and development in good health and with proper nutrition is the essential foundation of human development Drawing from many disciplines history anthropology demography art history disability studies and sociology and across a broad geography

Healing the World's Children sheds light on the medical, political, and cultural dimensions of the efforts to preserve and protect the lives of our most vulnerable citizens

Age Norms and Intercultural Interaction in Colonial North America Jason Eden, Naomi Eden, 2017-05-24 This interdisciplinary study examines how age norms shaped the experiences of Europeans, Native Americans, and African Americans in colonial North America, exploring how diverse population groups conceptualized the human life course and how they adhered to culturally specific sets of beliefs about the young and old. Utilizing evidence drawn from a variety of secondary and primary sources, the authors also show that as various cultural groups interacted in colonial North America, their views of specific age cohorts evolved and clashed in important ways. Although age is a category of analysis often overlooked by scholars, this book demonstrates that it was pivotal for everyone who lived in early North America, including the various Native American tribes that inhabited the eastern part of the continent. It also addresses the different ways that European colonists experienced the human life course in three geopolitical regions: New England, the Middle Colonies, and the South. It further explains how age norms played a significant role in both the development of racialized slavery in North America and in relationships between Europeans and Native Americans. This study reveals that even within the uneven power dynamic often present during colonial encounters, African American and Native American attitudes and practices related to human aging proved resilient and influential. Overall, by examining how early Americans viewed and treated children, youths, and older adults, this book is one of the first to systematically explore the deep historical roots of age norms in territories that would eventually become a part of the United States. Many of the beliefs about human aging that emerged during the colonial period continue to shape approaches to childrearing, education, health care, and numerous other issues. Furthermore, this study, in addition to providing unique and valuable historical information, offers readers alternative ways of understanding and approaching the human life course, making it relevant to both policymakers and scholars working in a variety of fields.

Domestic Economies Ann Shelby Blum, 2009-01-01 When Porfirio Díaz extended his modernization initiative in Mexico to the administration of public welfare, the families and especially the children of the urban poor became a government concern. Reforming the poor through work and by bolstering Mexico's emerging middle class were central to the government's goals of order and progress. But Porfirian policies linking families and work often endangered the children they were supposed to protect, especially when state welfare institutions became involved in the shadowy traffic of child labor. The Mexican Revolution, which followed, generated an unprecedented surge of social reform that was focused on families and accelerated the integration of child protection into public policy, political discourse, and private life. In ways that transcended the abrupt discontinuities and conflicts of the era, Porfirian officials, revolutionary leaders, and social reformers alike invoked idealized models of the Mexican family as the primary building block of society, making families, especially those of Mexico's working classes, the object of moralizing reform in the name of state construction and national progress.

Domestic Economies: Family Work and Welfare in Mexico City, 1884-1943

analyzes family practices and class formation in modern Mexico by examining the ways in which family oriented public policies and institutions affected cross class interactions as well as relations between parents and children **Policing Freedom** Martine Jean,2023-08-17 Explores the transformation of punishment in nineteenth century Brazil and its intersection with changes in labor relations in the Atlantic World **The Cambridge World History: Volume 7, Production, Destruction and Connection, 1750-Present, Part 2, Shared Transformations?** J. R. McNeill,Kenneth Pomeranz,2015-04-16 Since 1750 the world has become ever more connected with processes of production and destruction no longer limited by land or water based modes of transport and communication Volume 7 of the Cambridge World History series divided into two books offers a variety of angles of vision on the increasingly interconnected history of humankind The second book questions the extent to which the transformations of the modern world have been shared focusing on social developments such as urbanization migration and changes in family and sexuality cultural connections through religion science music and sport ligaments of globalization including rubber drugs and the automobile and moments of particular importance from the Atlantic Revolutions to 1989 Children and Migration Marisa O. Ensor,2010-09-09 Providing a comprehensive analysis of the increasingly common phenomenon of child migration this volume examines the experiences of children in a wide variety of migratory circumstances including economic child migrants transnational students trafficked stateless fostered unaccompanied and undocumented children

Minor Omissions Children In Latin American History And Society Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Minor Omissions Children In Latin American History And Society free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Minor Omissions Children In Latin American History And Society free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Minor Omissions Children In Latin American History And Society free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Minor Omissions Children In Latin American History And Society. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Minor Omissions Children In Latin American History And Society any PDF files. With these platforms, the world of PDF downloads is just a click away.
