Higher Education American Council on Education. Office of Minority Concerns, 1992 **Diversity Leadership in Higher Education** Adalberto Aguirre, Jr., Ruben O. Martinez, 2006 Promoting diversity as a core value among social groups is one of the major challenges faced by institutions of higher education in the United States By focusing on racial and ethnic minorities in higher education this monograph provides a view of diversity as a positive and dynamic social force in society that promotes its integration as a core value and process Diversity leadership challenges higher education to move beyond co optation strategies in which diversity is viewed as a descriptive and static organizational element to the adoption of transformational strategies in which diversity is viewed as a dynamic and positive process Through the promotion and development of diversity leadership institutional leadership is seen as building capacity to promote inclusive learning and workplace environments in colleges and universities As demographic shifts in US society create an ever expanding context in which the well being of the nation becomes increasingly linked to the social and cultural groups that have been systematically excluded from full participation in American society the need for positive cultural and structural changes that foster their inclusion in higher education becomes an important challenge to address This volume provides an overview of the context for diversity leadership roles and practices in higher education It argues for an alignment between institutions of higher education and the diverse populations they serve in this country This is volume 32 number 3 of the ASHE Higher Education Report a bi monthly journal published by Jossey Bass See our entire list of ASHE Higher Education Report titles for a wide variety of critical issues facing Higher Education today [The Majority in the Minority](#) Lee Jones, Jeanett Castellanos, 2023-07-03 As a volume destined to be employed by researchers practitioners and policy makers The Majority in the Minority appears at the right time in our nation s demographic history It connects us to the triumphs an tragedies of our Latino collective pasts and leads us to a more hopeful scenario for the future from the Foreword by Laura Rend nLatinas os are the largest ethnic minority group in the U S They are propelling minority communities to majority status in states as disparate as California Florida New Jersey New York and Texas Their growth in the population at large is not reflected in higher education In fact Latinos are the least represented population in our colleges and universities whether as administrators faculty or students and as students have one of the highest levels of attrition Opening access to Latinas os assuring their persistence as students in higher education and their increased presence in college faculty and governance is

of paramount importance if they are to make essential economic gains and fully to participate in and contribute to American society In this ground breaking book twenty four Latina o scholars provide an historical background review issues of student access and achievement and lessons learned and present the problems of status and barriers faced by administrators and faculty The book also includes narratives by graduate students administrators and faculty that complement the essays and vividly bring these issues to life This is a book that should be read by policy makers college administrators student affairs personnel and faculty concerned about shaping the future of higher education and constitutes an invaluable resource for all leaders of the Latino community Religious Minority Students in Higher Education Yoruba T.
