He has lived and worked in the Caribbean Irregular Brethren and Other Stories H. Bedford-Jones, 2025-04-03 Irregular Brethren and Other Stories Three stories of outcasts, pirates and explorers on the fringes of civilization. Irregular Brethren 1919 This story told in a quaint Oriental Masonic lodge meeting has all the tropical color and dramatic intensity which Mr Bedford Jones handles so skillfully. Pearls From Macao 1933 A vivid thrill tale of a desperate voyage on the China Sea with murder striking from the shadows again and again and a beautiful girl on board. Berber Loot 1933 The story of a madcap adventure in Morocco told as only Bedford Jones can tell it a story of thrills, romance and sudden death in a wild hunt for stolen treasure. Henry James O'Brien Bedford Jones was born in Napanee, Ontario, Canada in 1887. After being encouraged to try writing by his friend, writer William Wallace Cook, Bedford Jones began writing dime novels and pulp magazine stories. Bedford Jones was an enormously prolific writer; the pulp editor Harold Hersey once recalled meeting Bedford Jones in Paris where he was working on two novels simultaneously, each story on its own separate typewriter. He wrote over 100 novels earning the nickname 'King of the Pulps'. Irregular Brethren and Other Stories has 4 illustrations *It Begins with Tears* Opal Palmer Adisa, 1997 This novel is set in the stone-breaking harshness of South Africa's island prison **Ashes** Naomi Shepherd, 2013-08-01 Naomi Shepherd is a prize-winning historian and biographer; here she turns her hand to fiction revealing a razor-sharp eye, a finely attuned ear and a keen sense of cultural dissonance. In each of these thirteen stories we see a different facet of a fast-changing country where the clash of cultures and of expectations creates situations rich in humour, poignancy, disappointment and tragedy. The short stories in Naomi Shepherd's collection *Ashes* are a delight. In them we encounter themes of adultery, love, jealousy, loss, guilt, encroaching age, et cetera, set in an Israel of many modes and Israel shaped by its heritage, its history and above all its inhabitants. Jew and Arab all gathered together, not so much in a melting pot as in a stew concocted of intractable discordant elements. We are presented in short with an anatomy of Israeli society, a species of social tragic comedy. Alan Isler, author of *The Prince of West End Avenue* *Oasis Tales of the Conjuror: and other stories* Todd Walton, 2020-11-10 Todd Walton is the author of the acclaimed novels and short story collections *Inside Moves*, *Forgotten Impulses*, *Louie*, *Women*, *Ruby*, *Spear*, *Buddha*, *In A Teacup*, *Under the Table*. Books and Little Movies. His many music CDs include *Lounge Act*, *In Heaven*, *Dream Of You*, *Mystery Inventions* and *Incongruity*. A visionary science fiction novella *Oasis Tales of the Conjuror* is a life-affirming response to the question: How will humans survive in the wake of societal and environmental calamity caused by the imbalance between human desires and the earth's capacity to sustain those desires.

Oasis Tales of the Conjuror may be science fiction but the story may prove to be prophetic in the not too distant future The challenges facing the citizens of the oasis are the same grave challenges facing humans on earth today challenges we have faced many times before in the grand sweep of human history The Golden Light is the story of two soldiers as different from each other as two men can be thrown together in the aftermath of a terrible battle their quest for safety and enlightenment creating between them a profound friendship transcendent of their differences Of Water and Melons is an uplifting family drama set in the hills of North Carolina during America s Great Depression a tale of hope and faith about a farmer and his family and their dream of one day being free of fear and want When Is It Done and Clumsy Booby are two charming short stories starring the same young poet a humble yet ambitious fellow named Theodore who wants nothing more than to be appreciated for his way with words
