The Minute Boys of Lexington Edward Stratemeyer, Page Company, 1926 **Minute Boys of Lexington** Lost Classics, 2004-12-22 The Minute Boys of Lexington is the first book in Edward Stratemeyer's series for young people about the American Revolution. Written in the late 19th century, it is the kind of adventure story missing from the ranks of today's children's books. The year was 1775. The Colonies teetered on the brink of war with Britain. The brave patriots of Lexington and Concord stood ready. In this world, sixteen-year-old Roger Morse grew up before his time. So come, boys and girls, and let the rousing story of the exploits of Roger Morse and his friends transport you back to another time. A time when the future of our country was at stake. Follow these young men as they fight the British with courage and determination in the name of justice and liberty for all.

The Minute Boys of Lexington Edward Stratemeyer, 1898 In the spring of 1775, determined to help free the colonies from British rule, sixteen-year-old Roger Morse and his friends organize their own military company and find themselves participating in the first battles of the Revolution at Lexington and Concord.

Excerpt: CHAPTER IX PAUL REVERE AND ROGER SPREAD THE ALARM Roger's heart almost stopped beating as the conversation recorded above fell upon his ears. What was this the British officers were saying? They were going to capture Samuel Adams and John Hancock and place them under military arrest. The two greatest men politically the colonies at that time knew. It must never be. Young as he was, he realized the importance of such a capture should it be executed. In all the movements of the patriots in and about Boston, Samuel Adams was to use the expression framed at that time, the power behind the throne. He was a foremost member of Congress in 1774 and he helped draw up the original draft of the State Constitution and now hardly a movement was made but what he was directly or indirectly concerned in it. Of John Hancock no less could be said. Elected to the presidency of the Provincial Congress in 1774, he stood shoulder to shoulder with Samuel Adams in company with Doctor Warren. Afterwards General Warren, the martyr hero of Bunker Hill, Josiah Quincy Jr., the patriots Cicero, William Cooper, the fearless Boston town clerk and a score of men equally feared by the Crown. In addition to being an active patriot, Hancock was one of the wealthiest landowners and business men of Boston and his influence caused many a merchant to become a Whig who might otherwise have turned Tory. It must not be thought the boy I must tell Captain Parker everybody. Somebody must know where Mr. Adams and Mr. Hancock are stopping to night and warn them to seek a place of safety. And the militia and minute men must be on guard too against the troops General Gage is going to send from Boston. That surprise must not be all on one side. With bated
