British Responses to Genocide Amy E. Grubb, Elisabeth Hope Murray, 2022-03-03 This book examines British responses to genocide and atrocity in the Ottoman Empire during the aftermath of World War I The authors analyze British humanitarianism and humanitarian intervention through the advice and policies of the Foreign Office and British government in London and the actions of Foreign Officers in the field British understandings of humanitarianism at the time revolved around three key elements good government atrocity and the refugee crises this ideology of humanitarianism however was challenged by disputed policies of post war politics and goals regarding the Near East This resulted in limited intervention methods available to those on the ground but did not necessarily result in the forfeiture of the belief in humanitarianism amongst the local British officials charged with upholding it This study shows that the tension between altruism and political gain weakened British power in the region influencing the continuation of violence and repression long after the date most perceive as the cessation of WWI The book is primarily aimed at scholars and researchers within the field it is a research monograph and will be of greatest interest to scholars of genocide British history and refugee studies as well as for activists and practitioners

The Official History of the UK Strategic Nuclear Deterrent Matthew Jones, 2017-05-12 Volume II of The Official History of the UK Strategic Nuclear Deterrent provides an authoritative and in depth examination of the British government's strategic nuclear policy from 1964 to 1970 Written with full access to the UK documentary record Volume II examines the controversies that developed over nuclear policy following the arrival in office of a Labour government led by Harold Wilson in October 1964 that openly questioned the independence of the deterrent Having decided to preserve the Polaris programme Labour ministers were nevertheless committed not to develop another generation of nuclear weapons beyond those in the pipeline placing major doubts over the long term future of the nuclear programme and collaboration with the United States Defence planners also became increasingly concerned that the deployment of Soviet anti ballistic missile ABM defences around Moscow threatened to undermine the ability of Polaris to fulfil its role as a national strategic nuclear deterrent During 1967 under heavy pressures to control defence spending a protracted debate was conducted within Whitehall over the future of Polaris and how to respond to the evolving ABM challenge The volume concludes with Labour's defeat at the general election of June 1970 by which time the Royal Navy had assumed the nuclear deterrent role from the RAF and plans had already been formulated for a UK project to improve Polaris which could both ensure its continuing credibility and rejuvenate the Anglo American nuclear relationship This book will be of much interest to students of British politics Cold War history nuclear proliferation and
