## **Miracle Platform Power:**

THE MIRACLE DOCTOR Robert Bailer, 2024-10-02 Janine Fisher a talented primary care physician is whole heartedly dedicated to the art of healing But her life is dramatically changed when she is graced with the power to miraculously heal by touch Skeptical at first Janine realizes she in fact has the gift of healing touch Now she is confronted by the struggle to know when she should use this power and how she can overcome the temptation to use this power for self promotion As her story unfolds Janine is faced with many people who need miraculous healing But then she is faced with the consequences some negative of performing miraculous healings on them She faces doubt rejection abandonment and the ever present lure of using her healing power for personal enrichment It is her attempt to stay honest and genuine in terms of this power that leads her to deploy with other medical personnel to worn torn Sudan Here her faithfulness to a genuine mission of natural and supernatural healing is severely tested and she is brought to a life and death circumstance that calls for heroic action The story of Janine Fisher is one of personal struggle faith and a passionate devotion to healing It is a dramatic telling of one person s odyssey to use her special gift of healing lovingly even in the face of significant challenges hostility and the nagging appeal of self promotion

*No Miracles Needed* Mark Z. Jacobson, 2023-02-02 The world needs to turn away from fossil fuels and use clean renewable sources of energy as soon as we can Failure to do so will cause catastrophic climate damage sooner than you might think leading to loss of biodiversity and economic and political instability But all is not lost We still have time to save the planet without resorting to miracle technologies We need to wave goodbye to outdated technologies such as natural gas and carbon capture and repurpose the technologies that we already have at our disposal We can use existing technologies to harness store and transmit energy from wind water and solar sources to ensure reliable electricity heat supplies and energy security Find out what you can do to improve the health climate and economic state of our planet Together we can solve the climate crisis eliminate air pollution and safely secure energy supplies for everyone

*The ASEAN Miracle* Kishore Mahbubani, Jeffery Sng, 2017-03-08 The Association of Southeast Asian Nations is a miracle Why In an era of growing cultural pessimism many thoughtful individuals believe that different civilizations especially Islam and the West cannot live together in peace The ten countries of ASEAN provide a thriving counter example of civilizational co existence Here 625m people live together in peace This miracle was delivered by ASEAN In an era of growing economic pessimism where many young people believe that their lives will get worse in coming decades Southeast Asia bubbles with optimism In an era where many thinkers predict rising geopolitical competition and tension ASEAN regularly brings together all the world s great powers Stories of peace are told less frequently than stories of conflict and war ASEAN s imperfections make better headlines than its achievements But in the hands of Kishore Mahbubani and Jeffery Sng the good news story is also a provocation and a challenge to the rest of the world

Glushakow,2022-04-27

It makes no difference whether global warming is or is not a human caused condition because it is only human caused action that will mediate its effects This book shows why wind and solar alone are not enough To get a handle on this we need a backup plan that is an energy miracle This is the book that gives concerned folks an understanding of exactly how to tackle global warming At the same time it gives students and scientists the tools to jump start the search for energy miracles The politicians and administrators who need a low cost solution that comes to grips with the coming debacle will be happy to know that this book provides that as well In this century over one billion people living in low lying coastal areas will be inundated by rising seas It s time to get moving Read this book and then pass it on to a friend or an associate **Kathryn**

**Kuhlman, A Theology of Miracles** Dr. Margaret English de Alminana,2021-04-01 Kathryn Kuhlman helped to shape a generation of Pentecostal Charismatic theology and practice by reintroducing a depth of spirituality which harkened back to the teachings of the mystics She introduced the concept of spiritual silence to a generation of Sawdust Trail Pentecostals known for their exuberant and lively worship services and she Miracle and Magic Andy Reimer,2002-12-01

Miracle workers and magicians are difficult characters for contemporary readers of Greco Roman narratives to comprehend and to distinguish Hindered both by our modern definitions of miracle and magic we need to focus our attention on those ancient texts that deal with such characters and their differentiation Two such texts the Acts of the Apostles and Philostratus Life of Apollonius come from quite different religious backgrounds but demonstrate remarkably similar subtle cultural scripts at play A detailed investigation of the social interactions in these two narrative worlds brings these characters and their communities alive and reveals how legitimate miracle workers were distinguished from illegitimate magicians by the Mediterranean population of the Greco Roman world **Nineteenth century miracles** E.H.
