My Miracle Cure John Scally, Marion Carroll, 2020-05-28 I stood up A miracle had happened I could walk It was as if I was born again With a heart full of prayer Marion Carroll journeyed to Knock in the west of Ireland For 17 years Multiple Sclerosis had ravaged her body so utterly that this reluctant pilgrim travelled on a stretcher Then at the Mass an unimaginable miracle Marion rose pain free to walk talk and see once more Thanks to this wondrous blessing Marion has transformed in her own small way the lives of countless others Her ministries share her rock like faith and devotion to God They testify to the power of ordinary people to listen to care to inspire Nearly 30 years later the Catholic Church officially recognised Marion's cure as a proclaimed miracle Here with warmth grace humility and down to earth Irish humour she tells of her life before and after Marion's powerful uplifting story is unique It shines a light on love hope and a remarkable relationship with God

The Miracle of Hospice Cathy Truehart, 2012-09-05 Truehart gives us a real inside peak at her work and the devotion and skills of those who work alongside her But most important she takes the scary out of hospice She makes it clear that choosing hospice creates the best possible world for the dying and the people who love them that terminal illness does not necessitate living every day as though it is your last Rather hospice can create a world of possibilities for each and every day that is left to us just like in real life Kay Degenhardt KDI When I was first diagnosed with Multiple Myeloma over three years ago it had the face of my mortality on it I was blessed to come across a copy of Cathys manuscript of her lifes work in hospice which made me laugh while I cried but more importantly Cathys compassion and her patients courage gave me hope and inspiration when I needed it most I recommend that anyone read this Joan Rose Ellsworth
