Cleon Skousen, This study course was especially designed for those who realize there is something seriously wrong in America today If the Founding Fathers were here they would undoubtedly assure us that we can do something about it and the solution requires three things 1 An understanding of the Founders original success formula which was based on a free market economy and a constitutional form of government 2 A good understanding of what has been happening to the Founders success formula since the year 1900 3 A sincere desire to restore a free market economy and a constitutional government in the tradition of the Founding Fathers *The Miracle of America* Angela E. Kamrath, 2013-11 THE STRUGGLE FOR THE SOUL OF AMERICA Now for the first time ever the American Heritage Education Foundation presents a new book that explores the correlation between America s philosophical origins and the Bible Miracle of America shows how the Bible and Judeo Christian thought are arguably the nation s most significant foundational root and its enduring source of strength Professional educators and historians have praised Miracle of America as the first ever systematic analysis of the relationship between key American political principles and Judeo Christian ideas First Edition copyright 2014 Second Edition copyright 2015 Third Edition 2020 The Miracle of America André Maurois, 1944 **The Miracle of America** Alton Ketchum, 195? **Publication** , 1987 **Congressional Record** United States. Minchin, 2021-04-01

In 2018 almost half of all vehicles made in North America were produced at foreign owned plants and the sector was on track to monopolize the market Despite this the industry has been overlooked compared with its domestic counterpart both in scholarship and popular memory Redressing this neglect America s Other Automakers provides a new history of the foreignowned auto sector the first to extensively draw on archival sources and to articulate the human agency of participants including workers managers and industry recruiters Timothy J Minchin challenges the view that the industry s growth primarily reflected incentives stressing human agency and the complexity of individual stories instead Deeply human in its approach the book also explores the industry s impact on grassroots communities showing that it had more costs than supporters acknowledged Drawing on a wide range of primary and secondary sources America s Other Automakers uncovers significant tensions over unionization reports of discriminatory

hiring and unease about the industry's rapid growth critically exploring seven large assembly facilities and their impact on the communities in which they were built

**America's Choice** Tad R. Callister, 2022-10-05 BLESSED IS THE NATION WHOSE GOD IS THE LORD Psalms 33:12 America imperfect as it may be is still the shining light on the hill to all the world But it is now at a crossroad Will we choose to be a nation under God or without God America's Choice examines the overwhelming evidence of God's hand in the destiny of America the divine calling of the Founding Fathers their understanding that the Constitution is dependent upon a moral people that morality requires religion and that religion's purpose is to seek God's will Accordingly America's Choice explores God's will on critical moral matters such as the role of religion in the public sector abortion zero population growth and capitalism vs socialism It proposes the ultimate solution to our country's ills namely a return to faith and family In so doing this book challenges those revisionist historians judicial activists and secularists who would transform us from a nation under God to a nation without God In essence this book gives us cause to reaffirm our faith in America In the 20 years I have lived in the United States I have seen a shift in the way people think and talk about this country My reading of the situation is this nothing is more essential to the United States than asking Why does this country exist To what end was it created And then reading original sources of its founding to discover the breathtaking answers Answers that are brilliantly illustrated by Tad Callister in America's Choice Greg McKeown New York Times Bestselling Author of ESSENTIALISM and EFFORTLESS
